The History of American Homeopathy John S Haller,2009-08-19 Although scorned in the early 1900s and publicly condemned by Abraham Flexner and the American Medical Association the practice of homeopathy did not disappear Instead it evolved with the emergence of holistic healing and Eastern philosophy in the United States and today is a form of alternative medicine practiced by more than 100 000 physicians worldwide and used by millions of people to treat everyday ailments as well as acute and chronic diseases The History of American Homeopathy traces the rise of lay practitioners in shaping homeopathy as a healing system and its relationship to other forms of complementary and alternative medicine in an age when conventional biomedicine remains the dominant form Representing the most current and up to date history of American homeopathy readers will benefit from John S Haller Jr s comprehensive explanation of complementary medicine within the American social scientific religious and philosophic traditions Natural Health ,1993 **The Mirror** Margaret Safo (Mrs.),2005-09-10 **New Age Journal** ,1993 *Yoga Journal* ,1984-07 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty
