Nineteenth-century Women Learn to Write Catherine Hobbs, 1995 What and how were nineteenth century women taught through conduct books and hymnbooks What did women learn about reading and writing at a state normal school and at the Cherokee Nation s female seminary What did Radcliffe women think of rhetoric classes imported from Harvard How did women begin to gain their voices through speaking and writing in literary societies and by keeping diaries and journals How did African American women use literacy as a tool for social action How did women s writing portray alternative views of the western frontier The essays in this volume address these questions and more in exploring the gendered nature of education in the nineteenth century These essays give a more complete picture of literacy in the nineteenth century Part one presents a panoply of sites and cultural contexts in which women learned to write including ideological contexts institutional sites and informal settings such as literary circles Part two examines specific genres texts and voices of literate women and students of writing and speaking *Nineteenth Century Women Learn to Write* interweaves thick feminist social history with theoretical perspectives from such diverse fields as linguistics and folklore feminist literary theory and African American and Native American studies The volume constitutes a major addition to traditional social science studies of literacy

Doing Theological Research Robert W. Pazmiño, 2009-09-01 This concise introductory work explores the essentials of doing theological research and writing It is a handy companion to assist persons as they begin and pursue theological education It provides an overview of expectations that both various professors have shared and students

have reported over many years as basic wisdom to foster quality theological work It is a time tested resource to guide those called to seminary study

Theological Education in a New Key Richard L. Hester, 2025-07-31 This book begins with the story of Huckleberry Finn trying to decide whether he should turn in his friend Jim the runaway slave He believes that if he doesn't obey the god of slavery and turn Jim in he will go to hell It's a crisis that reveals the power of the culture of slavery on the inner textbook of this White boy Huck's dilemma points to the many ways this White professor explores his teaching career and his efforts to liberate theological education from the transmission of information banking education to opening the inner textbooks of students and their teachers Richard Hester uses the metaphor of inner textbook to describe what we carry within ourselves that tells us who we are what we seek where we're vulnerable and what we value He contends that effective theological education opens these inner textbooks to be read along with the prescribed texts for the course Hester gives attention to his own inner textbook the Whiteness of it and what he's learning about the Black experience Theological Education in a New Key aims to help students and their teachers open their inner textbooks to the story of God's dream of belonging and diversity

Experience Matthew Floding, Dawn Davis, 2024-11-05 Spiritual formation has gained increasing attention with theological schools as a significant element of the theological education process Repeated Association of Theological Schools studies have revealed a broad interpretation of what is meant by spiritual formation and how it is achieved within the theological education framework Theological schools look to what happens in the field education courses as the most significant source of spiritual formation Experience Spiritual Formation in Theological Field Education provides effective resources that field educators may employ to foster spiritual formation In the first section of the book twenty-five practices are introduced that are employed currently by field educators with strong favorable student feedback In a second section ministerial leaders in a variety of settings share spiritual practices that they have found life giving and foster deeper connection with God and God's world Experience equips field educators for the significant task of fostering the spiritual growth of their students Students in turn will have a treasure trove of spiritual formation exercises practices that they can adapt as ministerial leaders in congregations chaplaincy settings and in faith based non profit organizations

Phillips Brooks David B. Chesebrough, 2001-02-28 Phillips Brooks author of the carol O Little Town of Bethlehem was the rector of the Trinity Episcopal Church in Boston for 22 years and the Bishop of Massachusetts for 15 months until his death in 1893 This volume in the Great American Orators series focuses on Brooks oratorical style and the public's response to his rhetoric Chesebrough provides a biographical sketch of Brooks life emphasizing the development and use of his oratorical skills and placing him within the secular and ecclesiastical contexts of his times Attention is given to Brooks development as a public speaker and to his manner of sermon preparation and delivery Three of Brooks sermons are

printed in their entirety Abraham Lincoln The Cradle of the Lord and Help from the Hills preceded by introductory remarks and a brief analysis of the sermon This examination of Brooks rhetoric will appeal to scholars of rhetoric and of American theology and American religious history especially Episcopal history **The Russian Orthodox Church** Moscow Patriarchate,1956-01-01 *The Long Shadow of Emile Cailliet* Abigail Rian Evans,Clemens Bartollas,Gordon Graham,Kenneth Henke,2011-09-23 This book aims to examine the importance of Christian philosophy in theological education through the prism of the life and teachings of Emile Cailliet The book s primary focus is on his years of teaching at Princeton Theological Seminary to which all the authors are connected This work examines Cailliet as a believer teacher scholar and philosopher Although Cailliet wrote over twenty books none of them articulated his formal position on the nature of theological education However it is clear from his teaching at seminary and his writings on philosophy especially Pascal that he saw philosophy as an integral part of seminary training We want to preserve his work because he was a seminal but neglected thinker whose influence extends from science to literature and from philosophy to spirituality and theology We believe that Emile Cailliet was one of the most influential Christians of the twentieth century We invite the reader to stand in the long shadow of Cailliet and consider how his life and thought can help us tackle some of the knotty questions that face us today *Minutes of the ...
