Albert,Noah S. Gerber,Michael A. Meyer,2022-03-22 The birth of modern Jewish studies can be traced to the nineteenth century emergence of the Wissenschaft des Judentums a movement to promote a scholarly approach to the study of Judaism and Jewish culture Frontiers of Jewish Scholarship offers a collection of essays examining how Wissenschaft extended beyond its original German intellectual contexts and was transformed into a diverse global field From the early expansion of the new scholarly approaches into Jewish publications across Europe to their translation and reinterpretation in the twentieth century the

studies included here collectively trace a path through largely neglected subject matter newly recognized as deserving attention. Beginning with an introduction that surveys the field's German origins, fortunes, and contexts, the volume goes on to document dimensions of the growth of *Wissenschaft des Judentums* elsewhere in Europe and throughout the world. Some of the contributions turn to literary and semantic issues, while others reveal the penetration of Jewish studies into new national contexts that include Hungary, Italy, and even India. Individual essays explore how the United States, along with Israel, emerged as a main center for Jewish historical scholarship and how critical Jewish scholarship began to accommodate Zionist ideology originating in Eastern Europe and eventually Marxist ideology primarily in the Soviet Union. Finally, the focus of the volume moves on to the land of Israel, focusing on the reception of Orientalism and Jewish scholarly contacts with Yemenite and native Muslim intellectuals. Taken together, the contributors to the volume offer new material and fresh approaches that rethink the relationship of Jewish studies to the larger enterprise of critical scholarship while highlighting its relevance to the history of humanistic inquiry worldwide.

**Zionism and the Melting Pot** Matthew Mark Silver, 2020-07-07. Traces the roots of ideologies and outlooks that shape Jewish life in Israel and the United States today. Zionism and the Melting Pot pivots away from commonplace accounts of the origins of Jewish politics and focuses on the ongoing activities of actors instrumental in the theological, political, diplomatic, and philanthropic networks that enabled the establishment of new Jewish communities in Palestine and the United States. M. M. Silver's innovative new study highlights the grassroots nature of these actors and their efforts: preaching, fundraising, emigration campaigns, and mutual aid organizations, and argues that these activities were not fundamentally ideological in nature but instead grew organically from traditional Judaic customs, values, and community mores. Silver examines events in three key locales: Ottoman Palestine, czarist Russia, and the United States during a period from the early 1870s to a few years before World War I. This era, which was defined by the rise of new forms of anti-Semitism and by mass Jewish migration, ended with institutional and artistic expressions of new perspectives on Zionism and American Jewish communal life. Within this timeframe, Silver demonstrates how Jewish ideologies arose somewhat amorously without clear agendas; they then evolved as attempts to influence the character, pace, and geographical coordinates of the modernization of East European Jews, particularly in or from Russia's czarist empire. Unique in his multidisciplinary approach, Silver combines political and diplomatic history, literary analysis, biography, and organizational history. Chapters switch successively from the Zionist context, both in the czarist and Ottoman empires, to the United States melting pot milieu. More than half of the figures discussed are sermonizers, emissaries, pioneers, or writers unknown to most readers. And for well-known figures like Theodor Herzl or Emma Lazarus, Silver's analysis typically relates to texts and episodes that are not covered in extant scholarship. By uncovering the foundations of Zionism, the Jewish nationalist ideology that became organized formally as a political movement, and of melting pot theories of Jewish integration in the United States, Zionism and

the Melting Pot breaks ample new ground      *The Jews of North America* Multicultural History Society of Ontario, 1987 The Jews of North America based on the latest research by fifteen historians and scholars from Canada Israel and the United States is the first book to focus on the ethnic totality of the American and Canadian Jewish experience The book blends a rich array of interrelated themes into a composite whole that is central to an understanding of North American Jewish history The emphasis on continuity of tradition in these essays counters the prevailing myth of discontinuity which promotes the notion of the great sense of separation Jews felt from the world we have lost The volume also provides an interesting comparative dimension by examining the similarities and dissimilarities of the American Jewish immigrant experience in both Canada and the United States      **United States Jewry, 1776-1985** Jacob Rader Marcus, 1989 The third volume covers the period from 1860 to 1920 beginning with the Jews slavery and the Civil War and concluding with the rise of Reform Judaism as well as the increasing spirit of secularization that characterized emancipated prosperous liberal Jewry before it was confronted by a rising tide of American anti Semitism in the 1920s      *America's Book* Mark A. Noll, 2022 Noll s magisterial work highlights not only the centrality of the Bible for the nation s most influential religious figures Methodist Francis Asbury Richard Allen of the African Methodist Episcopal Church Catholic Bishop Francis Kenrick Jewish scholar Solomon Schechter agnostic Robert Ingersoll but also why it was important for presidents like Abraham Lincoln notable American women like Harriet Beecher Stowe Elizabeth Cady Stanton and Frances Willard dedicated campaigners for civil rights like Frederick Douglass and Francis Grimk lesser known figures like Black authors Maria Stewart and Harriet Jacobs and a host of others of high estate and low
