*Initiated* Amanda Yates Garcia, 2019-10-22 *Smoke Gets in Your Eyes* meets *Women Who Run With The Wolves* in this gorgeously written fierce political personal and deeply inspiring Michelle Tea memoir about finding meaning beauty and power through a life in witchcraft An initiation signals a beginning a door opens and you step through Traditional Wiccan initiates are usually brought into the craft through a ceremony with a High Priestess But even though Amanda Yates Garcia's mother a practicing witch herself initiated her into the earth centered practice of witchcraft when she was 13 years old Amanda's real life as a witch only began when she underwent a series of spontaneous initiations of her own Descending into the underworlds of poverty sex work and misogyny *Initiated* describes Amanda's journey to return to her body harness her power and create the magical world she longed for through witchcraft Hailed by crows seduced by magicians and haunted by ancestors broken beneath the wheels of patriarchy Amanda's quest for self discovery and empowerment is a deep exploration of a modern witch's trials healing ancient wounds chafing against cultural expectations creating intimacy all while on a mission to re-enchant the world Peppered with mythology tales of the goddesses and magical women throughout history

Initiated stands squarely at the intersection of witchcraft and feminism With generosity and heart this book speaks to the question is it possible to live a life of beauty and integrity in a world that feels like it s dying Declaring oneself a witch and practicing magic has everything to do with claiming authority and power for oneself of taking back our planet in the name of Love Initiated is both memoir and manifesto calling the magical people of the world to take up their wands stand up be brave describe the world they want then create it like a witch      **Rainbows in the Storm** Angela Flemming Cairns,2018-05-08

Christ a story that one might call The Passion of the Christian It is a must read for any true seeker of truth or follower of Christ Author John Webb Kline describes his inspiring new book as a Workingman s Theology a theology that helps us to find God in the midst of our everyday struggles and which helps us to make sense out of the seemingly senseless trials and tribulations we all face Based on stories from his own often tumultuous yet miracle filled life Webb brings us to the amazing discovery that not only is God s intervention for our lives real but it is also there for each and everyone of us hidden only by our rational worldviews and unbelief This is a book about hanging on to faith when it would seem perfectly reasonable not to a book for the faithless and faithful alike it is a book for those who are feeling so hurt so angry or so left out of God s will that they have nothing left but the desire to curse God and die In today s world it very well could be your own handbook for survival Heart to Hand Ministries director Woody Wolfe has this to say about I Could Use a Miracle Right Now Webb is able to take us on that journey to see the true miracles that are the reality of our everyday lives even when the world had blurred our vision Webb s uncanny ability to put into words that which is at the heart of the true Gospel message has been such a blessing to me I wish this book would have been around during those first days of my full time ministry when I was still looking to the world for affirmation To truly understand that God is already knocked out about us gives us the freedom to be just who we are and Webb has brought that vision of the uncompromising love of God to these pages Please visit the Miraclenews website
