## **Seneca Falls Inheritance:**

**Seneca Falls Inheritance** Miriam Grace Monfredo, 2013-11-13 A historical mystery set during the first Women's Rights Convention held in Seneca Falls New York in 1848 Librarian Glynis Tryon must solve the mystery of why a woman would be murdered because of the new law governing inheritance **Seneca Falls Inheritance** M. Monfredo, 1994-10-01 Going door to door to persuade her neighbors to attend the Women's Rights Convention Glynis Tryon stumbles upon a murder and she must solve it amid the confusion of this historic event and with the help of such figures as Elizabeth Cady Stanton **Marvyn Scudder Manual of Extinct Or Obsolete Companies**, 1926 **Uneasy Alliance** Hans Bak, 2004 Uneasy Alliance illuminates the recent search in literary studies for a new interface between textual and contextual readings Written in tribute to G A M Janssens the twenty one essays in the volume exemplify a renewed awareness of the paradoxical nature of literary texts both as works of literary art and as documents embedded in and functioning within a writer's life and culture Together they offer fresh and often interdisciplinary perspectives on twentieth century American writers of more or less established status Henry James Edna St Vincent Millay E E Cummings Vladimir Nabokov Flannery O'Connor Saul Bellow Michael Ondaatje Toni Morrison and Sandra Cisneros as well as on those who for reasons of fashion politics ideology or gender have been unduly neglected Booth Tarkington Julia Peterkin Robert Coates Martha Gellhorn Isabella Gardner Karl Shapiro the young Jewish American writers Julia Alvarez and writers of popular crime and detective fiction Exploring the fruitful interactions and uneasy alliance between literature and ethics film biography gender studies popular culture avant garde art urban studies anthropology and multicultural studies together these essays testify to the ongoing pertinence of an approach to literature that is undogmatic sensitive and sophisticated and that seeks to do justice to the complex interweavings of literature culture and biography in twentieth century American writing **Through a Gold Eagle** Miriam Grace Monfredo, 2014-05-11 The year is 1859 The nation is divided over slavery with abolitionists spearheading a relentless and violent plan of attack And in Seneca Falls New York the federal crime of counterfeiting adds up to a deadly account of deceit injustice and murder After a year in Springfield Illinois Glynis returns home with Emma her shy seventeen year old niece Emma's only joy comes from sewing and playing the dulcimer and little else since her mother died Glynis hopes that a change of scene will help young Emma's spirits But as their train journeys from Rochester to Seneca Falls a passenger is fatally stabbed right before their eyes Before he dies the victim hands Glynis a pouch containing a signet ring a crumpled bank note and a twenty dollar gold eagle coin **Must the Maiden Die** Miriam Grace Monfredo, 2014-06-16 As the Civil War begins in 1861 Glynis Tryon Seneca Falls New York librarian and amateur sleuth meets a woman seeking her lost daughter Meanwhile Glynis cousin Emma fears losing her independence in marriage and a rich Seneca Falls merchant is brutally murdered When the lost girl becomes the prime suspect in the merchant's murder Glynis joins forces with her niece treasury agent Bronwen Llyr and Constable Cullen Stuart to find the real killer *Contemporary Feminist Historical Crime Fiction* R. Johnsen, 2006-08-19 By examining the

feminist interventions of contemporary women writers working in this subgenre Johnsen advances the existing critical discussion of women's crime fiction The writers studied here bring research expertise to bear on their chosen historical settings creating a powerful but widely accessible statement about women in history Murder 101 Edward J. Rielly, 2009-01-09 This collection of essays examines how college professors teach the genre of detective fiction and provides insight into how the reader may apply such strategies to his or her own courses Multi disciplinary in scope the essays cover teaching in the areas of literature law history sociology anthropology architecture gender studies cultural studies and literary theory Also included are sample syllabi writing assignments questions for further discussion reading lists and further aids for course instruction **Managing the Mystery Collection** Judith A. Overmier, Rhonda Harris Taylor, 2014-04-23 Unravel the mystery of fostering a vibrant mystery collection for your library patrons Whodunnit Managing the Mystery Collection From Creation to Consumption reveals just who is responsible for providing high quality library mystery collections to fans This resource takes you through the complicated process from creating a mystery story to getting it to the library bookshelf and your patrons all with clear explanations and no plot twists Authors readers critics scholars and librarians give you an interdisciplinary inside look at the production and collection of one of the most popular genres in literature the mystery This unique book comprehensively explains how a mystery story journeys a surprisingly winding way to reach an avid reading public No red herrings here though Acquisitions and collection development resources are provided along with effective strategies that will help librarians to sift through the clues on how to bring life to their mystery collections Examinations of various subgenres of the mystery are provided such as romance and Native American mysteries as well as an enlightening discussion of the links between mysteries libraries and interest groups Managing the Mystery Collection brings you mystery writer Barbara Fister describing the creative process insights about Sisters in Crime an organization that promotes mysteries authored by women and its special relationship with libraries and librarians a detailed introduction to buying and selling books online Web and print resources guidance for the acquisition of mysteries for the younger mystery reader development of a collection of ethnic mysteries the creation of special collections of Sherlock Holmes and author Conan Doyle extensive listings of subgenre titles and details of popular series an organization that networks creators fans and scholars of detective and mystery fiction and more Managing the Mystery Collection From Creation to Consumption solves the mystery behind the step by step process it takes to provide readers with what they want access to a collection of perplexing well written mysteries This is perfect for public and academic librarians with an interest in building quality collections of mysteries library school faculty teaching courses in collection building popular culture and libraries genre literature and special collections and students of those fields Librarians in Fiction Grant Burns, 1998-03-01 The depictions of librarians in over 374 novels short stories and plays in English are the focus of this fully annotated reference work Librarians no less than other professionals want to know how they are depicted in fiction The stereotypical or fictional librarian the one with the bun

comfortable shoes and dour demeanor may be fading but fiction teaches a lesson about public perception Actually story librarians are often described as adaptable knowledgeable shrewd tactful tender and intelligent traits that the authors and by extension the readers look for in their librarians All entries include complete bibliographic data followed by a lengthy annotation that discusses how the librarian fits into the story and gives insight to how he or she is depicted Title and author indexes are provided for further utility

**Promise the Infinite** Robert Richart, 2016-05-07 This is an annotated bibliography of English language novels which feature libraries or librarians from the 18th to the 21st century It includes descriptions and quotes from the text It includes novels mysteries science fiction fantasy and romance

*America in Historical Fiction* Vandelia L. Vanmeter, 1997-02-15 Portrayals of America's people places and events in historical fiction integrate literature with history and make an exciting supplement to U S history classes This book helps educators and students locate the best in classic and contemporary fiction in this subject area Arranged in major chronological divisions of U S history the annotated entries include standard bibliographic information time period subject location research base if known and whether the title is more appropriate for mature students or younger secondary students VanMeter often lists prequels and sequels or notes when a title is more than 600 pages long Extensive indexing provides access to entries on a wide variety of topics from women immigrants and ethnic groups to military political and social events

*Florida Studies* General Editor, Claudia Slate, 2009-05-05 Florida was the first region of the United States to be discovered explored and after a fashion settled by Euroamericans Its population in the early 21st century is approaching 17 million Within years the number of people living in the state will surpass those living in New York and the Sunshine State will become the most populous area east of the Mississippi The first book in English about Florida was written by Jean Ribault A French adventurer Ribault established a colony of Huguenots near present day Jacksonville He was captured by the very able Spanish commander Pedro Menendez who ordered his French rival and all his minions killed The state's long and colorful past is matched by its equally long and colorful literary production Strangely critical assessment of Florida literature has lagged far behind With this volume the Florida College English Association has formally begun an effort to correct this lamentable oversight Included are papers on every aspect of Florida literature and history by scholars from every part of the state who are employed in every kind of institution of higher learning Of special interest are the studies of Florida literature in the 19th century and in the late 20th and early 21st centuries areas that are generally ignored in national journals The papers on the contributions of African American literary figures such as Zora Hurston and James Weldon Johnson are noteworthy Of particular interest are the suggestions for teaching Florida studies in the classroom which can be adapted for high school as well as college students

**Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is

interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

**Evidence of Hope** Paul G. Johnson, 2008-01-01 Social issues shape the news Yet pulpit and pews maintain an awkward silence about them One layperson said I have been a member here for twenty five years but I have no idea what any member thinks about any social issue Op ed pages and sound bites cause people to wonder if friends are red or blue on social issues but in this book content dips below the surface where the water is a bipartisan calm Here is one example for genuine competition to occur the sides have to be fairly even We do this in sports Another example question is why is health care so high when the healing is free Hope is implicit in Thy kingdom come on earth recited by many churchgoers on a weekly basis as part of the Lord's Prayer Hope becomes explicit when practical theology and applied sociology are joined because they point to the same Source the hidden pressure for justice and peace at work in the world This Source allows grace and truth to be discovered in social issues Indeed the grace of God generates compassion a prerequisite for multifaceted social justice Wrath has no capacity to foster anything but fear of being left behind There are single issue books of three hundred plus pages but there are no books that speak to a variety of social issues This one does speak to a variety of social issues with clarity readability and economy

**The Essential Mystery Lists** Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher's Best and

Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction     **The Readers' Advisory Guide to Genre Fiction** Joyce G. Saricks, 2001 Covering fifteen popular genres each chapter includes a definition of the genre its characteristics and appeal elements such as character development story line and frame and its key authors and subgenres     **Group Work** Bradley T. Erford, 2018-04-17 The overriding theme of Group Work Processes and Applications is a focus on the specialized group work that counselors perform from a systemic perspective in a multicultural context This text briefly covers traditional theoretical approaches focusing more on the techniques and applications of the approaches but the core of the text involves the systemic approach to group work preparing group leaders to facilitate the systemic group process from planning the group through the four stages of group work forming and orienting transition working and termination The content is aligned with 2016 CACREP standards Numerous other techniques covered are linked with specific theoretical orientations PowerPoints and Instructor's manual are on the way and should be available in the next 2-3 months     **Group Work in Schools** Bradley T. Erford, 2023-11-23 The third edition of Group Work in Schools is designed to prepare counselors in school settings to successfully implement task psycho educational and counseling groups in public and private educational settings The chapters of this book are written by experts in the counseling profession and cover foundational systemic and applied topics essential to training top caliber school counselors Providing state of practice information and case examples that help readers see how theory translates to practice in the field additions to this newly updated third edition include discussion topics activities case examples practitioner perspectives and integrated CACREP 2024 standards and learning outcomes as well as an overall update to reflect the most recent research and knowledge including pandemic coverage and advances in technology Updated comprehensively and thoughtfully and featuring a wide range of contributor perspectives the much anticipated third edition of this book is essential reading for school counselors in training     **Contemporary American Crime Fiction** Hans Bertens, T. D'haen, 2001-10-25 This highly accessible lively and informative study gives a clear and comprehensive overview of recent trends in American crime fiction Building on a discussion of the immediate predecessors Bertens and D'haen focus on the work of popular and award winning authors of the last fifteen years Particular attention is given to writers who have reworked established conventions and explored new directions especially women and those from ethnic minorities
