(With an Introduction by George Saintsbury.).** Laurence Sterne,1927 *A Sentimental Journey* Laurence Sterne,1930 *Laurence Sterne and the Visual Imagination* W.B. Gerard,2016-12-05 The first full length and

comprehensive study of the illustrations of Sterne's work this book explores the ability of Sterne's texts to inspire the visual imagination. It helps to explain why scores of editions of his fiction have been illustrated some profusely to fulfill the reader's desire as well as the artist's compulsion to visualize Sterne's words. Gerard places his subject in a clear and innovative theoretical framework which opens the field to general word and image studies. The author begins by examining the distinct varieties of pictorialism in Sterne's texts. The remainder of the study takes into account three remarkable series of illustrations representing Trim reading the sermon didactic sentimentalism in *A Sentimental Journey* and Henry Mackenzie's *Man of Feeling* and the many and diverse portrayals of poor Maria to demonstrate the ways in which culture projects these texts differently through the various artists.
