Separate Cabins:

Separate Cabins Janet Dailey, 2011-02-01 In the four years following her husband's death Rachel MacKinley battled her loneliness by building a thriving business Then on a vacation cruise off the coast of Mexico a travel agent's error placed her in a cabin with dark eyed Gard MacKinley Delighted with his beautiful shipmate Gard felt they shared more than just the same last name His passionate kisses seemed to burn a promise of forever into her heart But even as her long denied desire blossomed in his tender embrace she feared she had fallen desperately in love with a man who wanted nothing more than a shipboard affair *United States Department of Labor Exhibit Pan American Exposition, 1901* United States. Bureau of Labor, 1901 **Seafaring Labour** Eric W. Sager, 1996 Sager argues that sailors were not misfits or outcasts but were divorced from society only by virtue of their occupation The wooden ships were small communities at sea fragments of normal society where workers lived struggled and often died With the coming of the age of steam the sailor became part of a new division of labour and a new social hierarchy at sea Sager shows that the sailor was as integral to the transition to industrial capitalism as any land worker **The Queen's Regulations and Orders for the Army** Great Britain. Teed, Melissa Ladd Teed, 2020-01-16 This book covers the full spectrum of daily life among slaves in the Antebellum South giving readers a more complete picture of slaves experiences in the decades before emancipation In their daily struggles to forge lives of dignity and meaning within an inhuman system slaves in the Antebellum South demonstrated creativity resilience and an insatiable desire to be free The Daily Life of African American Slaves in the Antebellum South focuses on their struggles to create lives of meaning and dignity within a brutal and repressive system This volume provides a comprehensive examination of the institution of slavery from the perspective of the slaves themselves Readers can explore the family life religious beliefs political activities intellectual aspirations material possessions and recreational pursuits of enslaved people The book shows that enslaved people were tightly constrained by the harsh realities of the oppressive system under which they lived but that they found ways to forge lives of their own The book synthesizes the latest and best literature on slavery and gives readers the opportunity to examine history through the lens of daily life using primary source documents created by slaves or former slaves **Final Yosemite Valley Plan** United States.
