The Confessions of Señora Francesca Navarro and Other Stories Natalie L. M. Petesch, 2005 Memory of course is sometimes like a bucking horse sometimes a runaway one and one must control the reins until finally it stops snorting with exhausted relief writes Natalie L M Petesch in her haunting new collection *The Confessions of Señora Francesca Navarro and Other Stories* Petesch immerses readers in the lives of people caught up in the 1936-39 Spanish Civil War which left more than five hundred thousand dead She captures the hand to mouth existence on the streets of Madrid of two war orphans an old soldier's memories of a fallen militiaman the dilemma of Franco's laundress as she seeks to duplicate a stolen religious icon she finds in his home and a man's struggle to find his bride among thousands of Republican refugees waiting for ships to evacuate them before Franco's Fascists arrive to kill them In the title novella an elderly woman describes to her granddaughter how the families of Franco's officers fighting against Republican militiamen endured hunger filth and danger in an underground fortress Petesch conveys the humiliating details of war through the sensibility of a cultured woman who recalls only too vividly latrines made of laundry tubs the smell of unwashed humans and the stench of death Brilliant in its imaginative power and heartbreaking in its access to the bottomless well of human tears *The Confessions of Señora Francesca Navarro and Other Stories* is the work of a mature artist able to convey a particular world so vividly that we know these people as our own

The Queen of Spades and Other Stories Alexander Pushkin, 2009-01-29 *The Queen of Spades* has long been acknowledged as one of the world's greatest short stories In this classic literary representation of gambling Alexander Pushkin explores the nature of obsession Hints of the occult and gothic alternate with scenes of St Petersburg high society in the story of the passionate Hermann's quest to master chance and make his fortune at the card table Underlying the taut plot is an ironical treatment of the romantic dreamer and social outcast This volume contains three other major works of Pushkin's fiction moving from the witty parodies of sentimentalism and high melodrama in *The Tales of Belkin* to an early experiment with recreating the past in *Peter the Great's Blackamoor* It concludes with the novel length masterpiece *The Captain's Daughter* which combines historical fiction in the manner of Sir Walter Scott with the colour and devices of the Russian fairy tale in a narrative of rebellion and romance These new translations as well as being meticulously faithful to the original do full justice to the elegance and fluency of Pushkin's prose The Introduction provides insightful readings of the stories and places them in their European literary context A chronology of the Pugachov Uprising illuminates the events in *The Captain's Daughter* ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Nightmare Envy and Other Stories George Blaustein, 2018 What has it meant to be an Americanist What did it mean to be an Americanist through fascism war and

occupation *Nightmare Envy and Other Stories* is a study of Americanist writing and institutions in the 20th century. Four chapters trace four routes through the mid twentieth century. The first chapter is the hidden history of American Studies in the United States, Europe, and Japan. The second is the strange career of national character in anthropology. The third is a contest between military occupation and cultural diplomacy in Europe. The fourth is the emergence and fate of the American Renaissance as the scholar and literary critic F. O. Matthiessen carried a canon of radical literature across the Iron Curtain. Each chapter culminates in the postwar period when the ruin of postwar Europe led writers and intellectuals on both sides of the Atlantic to understand America in new ways. Many of our modern myths of the United States and Europe were formed in this moment. Some saw the United States assume the mantle of cultural redeemer. Others saw a stereotypical America rich in civilization but poor in culture overtake a stereotypical Europe rich in culture and equally rich in disaster. Drawing on American and European archives, the book weaves cultural, intellectual, and diplomatic history with portraits of Matthiessen, Margaret Mead, Ruth Benedict, David Riesman, Alfred Kazin, and Ralph Ellison. It excavates the history of the Salzburg Seminar in American Civilization where displaced persons, former Nazis, budding Communists, and glad-handing Americans met on the common ground of American culture. Others found keys to their own contexts in American books, reading Moby Dick in the ruins. *Nightmare Envy and Other Stories* chronicles American encounters with European disaster, European encounters with American fiction, and the chasms over which culture had to reach.

The Woman Who Rode Away and Other Stories D. H. Lawrence, 2002-08-08 These thirteen short stories were written between 1924 and 1928. Eleven were collected in *The Woman Who Rode Away* 1928, though *The Man Who Loved Islands* appeared in the American edition only, and the other two in *The Lovely Lady* 1933. An unpublished fragment *A Pure Witch* is also included.

Grave Business Graham Ingels, Al Feldstein, 2015-07-04 Even in an era of explicit horror films, Ghastly Graham Ingels still delivers a shock to readers with his grisly depictions of the stomach-churning fates of the evil men and women in these stories, leavened only by a sly wink to the reader and a generous dose of dreadful puns. Ingels's brushwork oozes ominously across every panel, perfectly setting the mood for the shudder-inducing fates of such corrupt characters as the sadistic asylum director, the political candidate who murders his opponent, the ventriloquist with the homicidal dummy, the millionaire who persecutes an aged junkman, and the medieval duke who runs over a young boy with his carriage, then taxes the peasants to pay for cleaning up his victim's blood.

Transatlantic Footholds Stephanie Palmer, 2019-07-16 *Transatlantic Footholds* Turn of the Century American Women Writers and British Reviewers analyses British reviews of American women fiction writers, essayists, and poets between the periods of literary domesticity and modernism. The book demonstrates that a variety of American women writers were intelligently read in Britain during this era. British reviewers read American women as literary artists, as women, and as Americans. While their notion of who counted as women was too limited by race and class, they eagerly read these writers for insight about how women around the world were entering debates on women's place, the class struggle, religion,

Indian policy childrearing and high society In the process by reading American women in varied ways reviewers became hybrid and dissenting readers The taste among British reviewers for American women s books helped change the predominant direction that high culture flowed across the Atlantic from east to west to west to east Britons working in London or far afield were deeply invested in the idea of America America their responses prove is a transnational construct
