## **Serefina Under The Circumstances:**

*Serefina Under the Circumstances* Phyllis Theroux, 2004-05 This is the first children's book written by noted author Phyllis Theroux. Serefina's brother Buster is so excited about his birthday that he is beside himself. As for Serefina, she is thrilled that her Grandmother is counting on her to keep Buster's surprise party top secret. But there is just one problem: Serefina has never successfully kept a secret in her entire life. This time Serefina promises her grandmother she will keep her lips locked. Can she do it? Find out in this wonderfully fanciful story about a little girl under circumstances that make keeping a secret a very, very hard thing to do. The story is enhanced by Marjorie Priceman's amusing, colorful illustrations. *The*

*Journal Keeper* Phyllis Theroux, 2011-03-08 This personal memoir reminds us that there is no such thing as an ordinary moment and certainly no such thing as an ordinary life. Elizabeth Gilbert, author of *Eat, Pray, Love*, *The Journal Keeper* is an openhearted, unflinchingly honest memoir of six years in Phyllis Theroux's life as she ages into her sixties. Reflecting deeply on both her practice as a writer and her personal experiences, she culls from the journals she carefully keeps to create a compelling narrative describing the void left by the passing of her remarkable mother, as well as the joyful surprise of a new love. A natural storyteller, she touches on subjects that occupy us all: loss, loneliness, growing old, financial worries, spiritual growth, and caring for an aging parent. Theroux excels at closely observed and elegantly expressed portraits of domestic life. A lovely writer, the best thing about *The Journal Keeper* is the way it leaves us hopeful and expectant about what will happen next. *The Christian Science Monitor*. Theroux seems to possess a certain calmness and wisdom. *The Journal Keeper* is full of small, lyrical insights. *The Washington Post*. **How to Get Your Child to Love Reading** Esmé Raji Codell, 2003-01-01

Offers advice and guidelines on how to expand a child's world through books and reading, introducing three thousand teacher recommended book titles, craft ideas, projects, recipes, and reading club tips. *The Good Bishop* Phyllis Theroux, 2013 An inspiring portrait of a bishop renowned for his qualities as a pastor, a leader, and a human being. Walter F. Sullivan retired in 2003 after twenty-nine years as bishop of the Richmond, Virginia diocese. As one of the great generation of bishops appointed by Pope Paul VI, he was famous for his pastoral leadership and his prophetic role as a champion of peace and social justice. Guiding his flock through the tumultuous post-Vatican II years, he brought a human touch to his role, reaching across boundaries to foster a spirit of ecumenism, encouraging the gifts of the laity, and reaching out to prisoners and those on the margins. In the 1980s, he acquired a national reputation as one of the leading peace bishops standing up against the climate of cold war and warning against the nuclear threat. In this biography by renowned author Phyllis Theroux, Bishop Sullivan emerges as a complex human being who struggled faithfully to lead the church with integrity, compassion, and love. **The New York Times Book Reviews 2000** New York Times Staff, 2001 This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating, and sources, character analysis, comic elements, and verbal conceits, evidence of authorship, performance analysis, and feminist

interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource

**Giovanni's Light** Phyllis Theroux, 2007-11-01 Ryland Falls wasn't paradise but there was a certain storybook quality about the town that made visitors catch their breath As in a book the order of the stories never changed On December first the Chamber of Commerce always hung out the Yuletide Greetings banners the plastic Santa Claus went back on the top of the firehouse roof and grumpy Diane at Elwood's Market started wearing her set of imitation reindeer antlers Yet on this particular Christmas there were signs that the order of things would change And when it did the people in Ryland Falls never celebrated Christmas the same way again The Christmas spirit is alive and well in this inspiring story about the redeeming power of the imagination and the true nature of compassion
