### **Why Can't Church Be More Like an AA Meeting?** Stephen R. Haynes, 2021-10-26

Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine      **From the Crucible** ,      *The James Club and the Original A. A. Programs Absolute Essentials* Dick B., 2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely

essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World     Serenity: It's A God Deal Bill Hanks,2010-03 My name is Bill H and I m well complicated Clinically I m a recovering drug addicta with Attention Deficit Disorder to boota who after twenty two years of consuming a plethora of mind bending toxins is very much grateful to be alive In 1996 Bill recognized a problem with drugs and alcohol and subsequently checked himself into a treatment center As a result Bill in a volunteer capacity taught weekly classes on recovery for ten years at the rehab center that helped him to help himself Having personally worked with approximately eight thousand patients in recovery he provided Twelve Step

based support and teachings to those in need One of the objectives of this book is to incorporate into the mainstream the author's understanding of the Twelve Step Program of Recovery Although this book was written from the perspective of a recovering addict the reality is that you don't have to be a drug addict or alcoholic to benefit from a spiritual pilgrimage that has led millions to peace of mind from desperation and despair to hope and then Serenity After all the only difference between the people of mainstream America and those with addiction is the ways in which they handle their problems Peace of mind resides within these pages This book is Bill's effort to reach out and through lessons learned from his own experiences help those in need find their way to Sobriety Sanity and Serenity Through his teachings and stories some funny some not so funny the author hopes to touch every emotion and perhaps feelings you didn't know you had Why Early A.A. Succeeded Dick B, 2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A's founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A's program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A's Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today's recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today's room talk and literature There are plenty of books on Bible study There is none that addresses early A A's own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn't tell you what to

believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes     *By the Power of God* Dick B.,2000 Ever since Dick B began publishing titles on the biblical roots and successes of early AAs hundreds and hundreds have contacted him asking how they might form groups today with principles and practices like those of the early Akron A A Christian Fellowship This book provides the details of the early program and how and why AAs and 12 Steppers can use the same program today in groups and meetings of their own choosing
