**Observations of a New Catholic** Donald Johnson, 2018-11-09 Dear Reader I believe this book is unique No other book I ve found is even remotely similar It identifies and discusses issues and problems currently facing the Catholic Church in America The Church in America is beset with difficulties Catholic elementary schools are closing There is a severe shortage of priests and religious sisters Church attendance is dropping precipitously There are lingering effects from the child sex abuse scandal among priests Catholic couples in their child bearing years face a moral dilemma in regard to birth control There seems to be a growing dissonance between Church authority and the laity in which primacy of conscience is replacing obedience to the Church I address all of these matters and others At the same time I have learned there is much to be gained by being Catholic Two recently published books analyzing biblical scripture have convinced me that Jesus Christ really is God and that therefore I can attain salvation through following his precepts For all its difficulties the Church does a lot of good Pope Francis provides outstanding moral leadership at a time this is desperately needed The Church s charitable activities at a parish and diocesan level are impressive At a personal level my conversion has helped me immeasurably by giving me peace of mind During my conversion and first two years as a Catholic I picked interesting subjects to study such as the Marian apparitions the life of Thomas Merton how the Church canonizes saints the insights of C S Lewis about prayer and Martin Luther s condemnation of praying to Mary I believe you also will find these interesting and hopefully helpful for you in some ways Respectfully Donald Johnson

Have You Seen My Brother? Margie Cretella,2024-03-11 Imagine these words black ice a car a truck a tree and Northeast Ohio These words can only add up to a tragic car crash And they did The nightmare happened on November 13 2013 and left me on a journey searching for my brother and God It seemed like a game that I didn t want to partake in but I had no choice This game led me to several hospitals where I spent my time asking the hospital staff if they knew where my brother was They always led me to a room of an almost lifeless man lying in a bed and often looking at me like he was wondering who I was Where exactly was my brother the loud boisterous man that I once knew for fifty eight years He was the man that you would hear before you would even see him I wanted that brother back and wanted him back immediately I spent ten years searching for my brother and God It left me exhausted mad bitter and at times lonely How would I go about finding them I would have been happy if I could just find one of them but

who would be more important to me my brother or God I couldn't imagine God turning his back on my brother Father Steve a devout Catholic priest because I could only envision God taking care of him every step of the way Would I be fortunate enough to find out that maybe God and my brother were hanging out the whole time searching for me Maybe I was the one who was lost If you like stories about faith family love and willpower then this book is for you      **A Catholic Guide to**
