stories of WWII Allied airmen who were shot down and survived with maps and photos included Allied air power made a major arguably decisive contribution to victory in the Second World War both in the European and Pacific theaters But the cost in men and machines was horrific with Bomber Command suffering 50% aircrew casualties While many perished others shot down over enemy territory or water survived only after overcoming extraordinary danger and hardship Their experiences often remained untold not just for the duration of the war but for many years In this book Bryn Evans has gathered together a wealth of unpublished stories from airmen of many nationalities be they British Commonwealth or American Some involve avoiding or escaping from capture others surviving against all the odds braving extreme elements and dodging death from wounds drowning or starvation Importantly the accounts of those who survived the battle in the skies cheating the enemy and the grim reaper give us a chilling insight into the fate of the many thousands of brave young men who were not so fortunate The result is an inspiring and gripping read which bears testimony to human courage and resilience      [Escape From Home \(Beyond the Western Sea #1\)](#) Avi, 2012-03-01 Avi's suspense filled seafaring adventure

gets a bold new package It's 1851 Fifteen year old Maura O Connell and her twelve year old brother Patrick are about to set sail on an epic voyage to America to flee the brutal poverty of Ireland and to be reunited with their father Eleven year old Laurence Kinkle the son of an English lord runs away from home to escape his cruel older brother and start a new life in a new world All three children face nothing but obstacles along the way from stolen money to con men to hunger and fatigue It seems that none of them will get out of the port city of Liverpool until fate brings them together Avi's masterful plot spinning skills create an adventure filled with unexpected twists and turns      **Escape from the Legion** Jacqueline A.

Granström, 2014-02-10 *Escape from the Legion* is loosely based on fact and real events It tells the story of Tom a young Swede in his twenties who was shanghaied into the French Foreign Legion in the 1970s and after surviving all manner of adventures manages to escape This unlikely tale of a young ex soldier plucked unceremoniously from a conventional life in Sweden describes how as an unwilling recruit of the FFL he confronts the mental and physical challenges of the FFL Tom's narrative sustains a lively pace to keep up with everything that happens to him A sequence of events unfolds to test Tom's instinct for survival as well as his capacity for indulgence With a wealth of scenarios each authentic and vivid in detail the novel demonstrates the author's ability to see drama in terms of real life and spin it into a convincing and captivating yarn From brutality to tenderness from the inexplicable to the inevitable with Tom there is never a dull moment      **Investigation of Escape of Grover Cleveland Bergdoll from United States Disciplinary Barracks at Governors Island, N.Y.** United

**Escape from Bone Cave—A Civil War Saga** Allen R. Coggins,2020-05-15 Book Delisted

**The Greatest Escape** Steve J Plummer,2016-05-26 This is the story of the largest mass escape of Prisoners of War during World War Two This extraordinary enterprise surpassed even the famous Great Escape of 1944 by British and Allied officers from Stalag Luft III yet few people are even aware of it The extraordinary events took place at a PoW Camp near Bridgend South Wales and they continue to raise questions even today How many prisoners were actually involved in the break out And did any of them succeed in getting home The author who lived and worked in and around Bridgend for thirty years has carefully trawled the archives in an attempt to uncover the truth The result is a novel which is both honest to the spirit of events and entertaining in its speculation of what may have taken place behind the smokescreen of official misinformation The book is a great read the story flows nicely at a comfortable pace Maj John A Thomas MA TD Director of the 1940 s Swansea Bay Museum

**Escape From Hitler's Reich** Martin W Bowman,2024-12-30 From 1942 until the end of the war in Europe the aircraft of RAF Bomber Command and the United States 8th and 15th Air Forces maintained a twenty four hour round the clock bombing offensive against the Third Reich However aircraft and crew casualties were heavy as bomber after bomber succumbed to the Germans flak and fighter defences For those not killed outright by the onslaught only baling out almost inevitably over hostile enemy territory could offer a hope of survival For those faced with such sudden leaps into the dangerous unknown over Germany and Occupied Europe a few were able to evade capture For the rest and particularly the injured capture was immediate and imprisonment inevitable Once incarcerated in one of Hitler s infamous prisoner of war camps escape became a constant preoccupation for many The ultimate aim of these men was to

complete a Home Run to escape the Third Reich and reach the safety of Britain or other safe Allied territory In this revealing narrative the renowned aviation historian Martin Bowman draws on many first hand accounts some never told before to describe the furious air battles that led to the capture of many shot down airmen as well as the subsequent personal campaigns they fought to regain their freedom Fascinating for its gripping and factual re creation of the bomber fighter flak encounters the confrontations in captivity between PoWs and Stalag guards *Escape from Hitler s Reich* provides a real insight into the war as those who fell from formation saw it     *Investigation of Escape of Grover Cleveland Bergdoll from United States Disciplinary Barracks at Governors Island, N.Y. ,1921*     Journey's End Kevin Wilson,2010-06-10 A brilliant insight into life in the air and on the ground Observer In February 1945 British and American bombers rained down thousands of tons of incendiaries on the city of Dresden killing an estimated 25 000 people and destroying one of the most beautiful cities in Europe The controversy that erupted shortly afterwards and which continues to this day has long overshadowed the other events of the bomber war and blighted the memory of the young men who gave their lives to fight in the skies over Germany *Journey s End* neither condemns nor condones the bombing of Dresden but puts it in its proper context as part of a much larger campaign To the young men who flew over Germany night after night there were other much more pressing worries the V2 rockets that threatened their loved ones at home the brand new German jet fighters that could strike them at speeds of over 600mph They lived life at a heightened tempo during these final unforgiving months of the bomber war when no quarter was given on either side As the climactic volume in Kevin Wilson s acclaimed bomber war trilogy *Journey s End* chronicles the brutal endgame of a conflict that caused such devastation and tragedy on both sides
