Serious poems Thomas Hood, 1897 *Poetry and Terror* Peter Dale Scott, 2018-08-15 A study at many levels of Scott's long poem Coming to Jakarta a book length response to a midlife crisis triggered in part by the author's initial inability to share his knowledge and horror about American involvement in the great Indonesian massacre of 1965 Interviews with Ng supply fuller information about the poem's discussions of a how this psychological trauma led to an exploration of violence in American society and then after a key recognition in the poet himself by the poem's look at east west relations through the lens of the yin yang spiritual secular doubleness of the human condition c how the process of writing the poem led to the recovery of memories too threatening at first to be retained by his normal presentational self and d the mystery of right action guided by the Bhagavad Gita and the maxim in the Gospel of Thomas that If you bring forth what is within you what you bring forth will save you Led by the interviews to greater self awareness Scott then analyses his poem as also an elegy not just for the dead in Indonesia but for the passing of the Sixties era when so many of us imagined that a Movement might achieve major changes for a better America Subsequent chapters develop how human doubleness can lead to an inner tension between the needs of politics and the needs of poetry and how some poetry can serve as a non violent higher politics contributing to the evolution of human culture and thus our second

nature The book also reproduces a Scott prose essay inspired by the poem on the U S involvement in and support for the 1965 massacre It then discusses how this essay was translated into Indonesian and officially banned by the Indonesian dictatorship and how ultimately it and the poem helped inspire the ground breaking films of Josh Oppenheimer that have led to the first official discussions in Indonesia of what happened in 1965      Teaching Climate Change to Children Rebecca Woodard,Kristine M. Bethea,1998-11-24 Readers often have regarded with curiosity the creative life of the poet In this passionate and authoritative new study David Bethea illustrates the relation between the art and life of nineteenth century poet Alexander Pushkin the central figure in Russian thought and culture Bethea shows how Pushkin on the eve of his two hundredth birthday still speaks to our time He indicates how we as modern readers might realize that is not only grasp cognitively but

feel experience the promethean metaphors central to the poet's intensely sculpted life The Pushkin who emerges from Bethea's portrait is one who long unknown to English language readers closely resembles the original both psychologically and artistically Bethea begins by addressing the influential thinkers Freud Bloom Jakobson and Lotman to show that their premises do not by themselves adequately account for Pushkin's psychology of creation or his version of the life of the poet He then proposes his own versatile model of reading and goes on to sketches the tangled connections between Pushkin and his great compatriot the eighteenth century poet Gavril Derzhavin Pushkin simultaneously advanced toward and retreated from the shadow of his predecessor as he created notions of poet in history and inspiration new for his time and absolutely determinative for the tradition thereafter **Classworks Fiction and Poetry Year Reception** Julie Orrell, Eileen Jones, 2004 Provides everything you need to slot into your medium term plan **Poetry in Person** Alexander Neubauer, 2011-09-06 In the fall of 1970 at the New School in Greenwich Village a new teacher posted a flyer on the wall begins Alexander Neubauer's introduction to this remarkable book It read Meet Poets and Poetry with Pearl London and Guests Few students responded No one knew Pearl London the daughter of M Lincoln Schuster cofounder of Simon with Galway Kinnell his influential notion that the new nature poem must include the city and not exclude man with June Jordan Poem in Honor of South African Women and the question of political poetry and its uses Published here for the first time the conversations are intimate funny irreverent and deeply revealing Many of the drafts under discussion Robert Hass's Meditation at Lagunitas Edward Hirsch's Wild Gratitude Robert Pinsky's The Want Bone turned into seminal works in the poets careers There has never been a gathering like Poetry in Person which brings us a wealth of understanding and unparalleled access to poets and their drafts unraveling how a great poem is actually made **Poetry and Pedagogy across the Lifespan** Sandra Lee Kleppe, Angela Sorby, 2018-10-08 This book explores poetry and pedagogy in practice across the lifespan Poetry is directly linked to improved literacy creativity personal development emotional intelligence complex analytical thinking and social interaction all skills that are crucial in contemporary educational systems However a narrow focus on STEM subjects at the expense of the humanities has led educators to deprioritize poetry and to overlook its interdisciplinary multi modal potential The editors and contributors argue that poetry is not a luxury but a way to stimulate linguistic experiences that are formally rich and cognitively challenging To learn through poetry is not just to access information differently but also to forge new and different connections that can serve as reflective tools for lifelong learning This interdisciplinary book will be of value to teachers and students of poetry as well as scholars interested in literacy across the disciplines **TOPS Diet Poetry Bill** Eckert, 2024-12-18 In this collection of poetry Bill Eckert expresses the importance of losing weight and encourages readers to keep their willpower strong and to never give up on themselves It was written during a health program he was in at work where employees went on weight loss journeys These poems will inspire others to take better care of themselves to become a better version of themselves **Poetry Zooms In** Carroll E. Arkema, 2022-01-18 A poem can capture a moment Zoom in on

an instant in time Otherwise lost in the ongoing rush Of a life not experienced in rhyme These poems can fortify your soul help you see deeply into persons and the world and be mindful of Sacred Presence in the supposedly mundane world The poems zoom in to see evidence of the Sacred in nature in the human healing journey from brokenness to wholeness They lament the tragic results of humans setting themselves up as sacred or ultimate and they contemplate the mystery of death as part of the soul's journey of transformation Savor them see something of what I see or even more and be fascinated by the presence of the Sacred even in something like the way a house wren builds its nest I focus in some poems on what the night reveals but most of my poems are suffused with deep delight contemplative wonder and transformative joy each in their own now autonomous way They're free of me Now over to you
