**Monsters on Maple Street** David J. Brokaw, 2023-08-08 Post World War II America has often been mythologized by successive generations as an exceptional period of prosperity and comfort At a time when the Cold War was understood to be a battle of ideas as much as military prowess the entertainment business relied heavily on subtle psychological marketing to promote the idea of the American Dream The media of the 1950s and 1960s promoted an idealized version of American life sustained by the nuclear family and bolstered by a booming consumer economy The seemingly wholesome and simple lifestyles portrayed on television screens however belied a torrent of social economic and political struggles occurring at the time By the late 1950s television writers were increasingly constrained to distract audiences from confronting counternarratives to the Dream Among the programs that railed against this trend was Rod Serling's television masterpiece The Twilight Zone Now considered an enduring classic the allegorical nature of the show provides a window into the many overlooked issues that plagued Cold War America In *Monsters on Maple Street The Twilight Zone and the Postwar American Dream* David J Brokaw describes how the TV show reframed popular portrayals of white American wish fulfillments as nightmares rather than dreams Brokaw's close reading of the show's sociopolitical dimensions examines how the series creators successfully utilized science fiction horror and fantasy to challenge conventional thinking and avoid having their work censored around topics such as sexuality technology war labor and the workplace and white supremacy In doing so Brokaw helps us understand how the series exposed the underbelly of the American Dream and left indelible impressions in the minds of its viewers for decades to come

*The Twilight Zone and Philosophy* Heather L. Rivera, Alexander E. Hooke, 2018-10-09 In *The Twilight Zone and Philosophy* philosophers probe into the meaning of the classic TV series The Twilight Zone Some of the chapters look at single episodes of the show while others analyze several or many episodes Though acknowledging the spinoffs and reboots the volume concentrates heavily on the classic 1959 1964 series Among the questions raised and answered are What's the meaning of personal identity in The Twilight Zone Number 12 Looks Just Like You Person or Persons Unknown As the distinction between person and machine becomes less clear how do we handle our intimacy with machines A question posed in the very first episode of The Twilight Zone The Lonely Why do our beliefs always become uncertain in The Twilight Zone Where Is Everybody Just where is the Twilight Zone Sometimes it's a supernatural realm but sometimes it's the everyday world of reality What does the background music of The Twilight Zone teach us about dreams and imagination Is it better to lose the war than to be damned Still Valley How far should we trust those benevolent aliens To Serve Man Where's the harm in media addiction Time Enough at Last Is there something objective about beauty The Eye of the Beholder Have we already been conquered The Monsters Are Due on Maple Street Are there hidden costs to knowing more about other people A Penny for Your Thoughts

their success anthology writers still needed to evade the constraints and censorship of 50s television in order to stay true to their creative powers and political visions Thus they worked as new entrepreneurs who adapted their more controversial scripts for the Hollywood Broadway and book publishing industries Even after the television networks cancelled their prestigious anthology series at the end of the 50s the most resilient writers were able to redefine what it meant to be entrepreneurs by launching cutting edge shows such as The Twilight Zone and The Defenders that are still popular today The New Entrepreneurs includes detailed textual analysis of legendary sometimes hard to find television anthology scripts that have received only cursory glances in television history until now Ebook Edition Note All images have been redacted One Nation Underground Kenneth D.
