American literary and religious studies      **African American Literature** Hans Ostrom, J. David Macey Jr., 2019-11-15 This essential volume provides an overview of and introduction to African American writers and literary periods from their beginnings through the 21st century This compact encyclopedia aimed at students selects the most important authors literary movements and key topics for them to know Entries cover the most influential and highly regarded African American writers including novelists playwrights poets and nonfiction writers The book covers key periods of African American literature such as the Harlem Renaissance the Black Arts Movement and the Civil Rights Era and touches on the influence of the vernacular including blues and hip hop The volume provides historical context for critical viewpoints including feminism social class and racial politics Entries are organized A to Z and provide biographies that focus on the contributions of key literary figures as well as overviews background information and definitions for key subjects      **Resistance and the Sermon in American Literature** Matthew Smalley, 2024-05-30 With seemingly obsessive regularity American authors from the mid nineteenth century to the present evoke the sermon at culturally loaded moments in their works deploying the form to underscore the cultural work they imagine their novels or poetry to perform Examining this longstanding tradition of literary preaching this book draws on literary applications of design theory to provide a nuanced account of American literature s complex anxious and persistent engagement with the Protestant sermon Analyzing literary preaching as a transhistorical form that simultaneously attracts and repels authors Smalley demonstrates how major US writers Ralph Waldo Emerson Walt Whitman Nathaniel Hawthorne Rebecca Harding Davis William Faulkner Zora Neale Hurston and Toni Morrison have subverted the sermon s predominantly religious content in order to reimagine profound moments of reform in a political cultural and aesthetic mode This study elucidates new lines of literary kinship offers fresh readings of familiar works and establishes literary preaching as an undertheorized but significant tradition in American literature      [The Columbia Guide to Contemporary African American Fiction](#) Darryl Dickson-Carr, 2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned High unemployment runaway inflation and the energy crisis caused in part by U S dependence on Arab oil characterized an increasingly bleak economic situation As Edward D Berkowitz demonstrates the end of the postwar economic boom Watergate and defeat in Vietnam led to an unraveling of the national consensus During the decade ideas about the United States how it should be governed and how its economy should be managed changed dramatically Berkowitz argues that the postwar faith in sweeping social programs and a global U S mission was replaced by a more skeptical attitude about government s ability to positively affect society From Woody Allen to Watergate from the decline of the steel industry to the rise of Bill Gates and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers Berkowitz captures the history tone and spirit of the seventies He explores the decade s major political events and movements including the rise and fall of d tente congressional reform changes in

healthcare policies and the hostage crisis in Iran The seventies also gave birth to several social movements and the rights revolution in which women gays and lesbians and people with disabilities all successfully fought for greater legal and social recognition At the same time reaction to these social movements as well as the issue of abortion introduced a new facet into American political life the rise of powerful politically conservative religious organizations and activists Berkowitz also considers important shifts in American popular culture recounting the creative renaissance in American film as well as the birth of the Hollywood blockbuster He discusses how television programs such as All in the Family and Charlie s Angels offered Americans both a reflection of and an escape from the problems gripping the country

**Introduction to the Practice of African American Preaching** Frank A. Thomas,2016-11-15 The Introduction to African American Preaching is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the African American preaching tradition and catch the author s enthusiasm for it Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical He then explores the question what is black preaching Thomas introduces the reader to methods of close reading and ideological criticism And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example The next chapter considers the question what is excellence in black preaching The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics Thomas next turns to questions about the relevancy of the church to the Millennial generation Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice

**The Journey and Promise of African American Preaching** Kenyatta R. Gilbert,2011-04-01 The Journey and Promise of African American Preaching is a constructive effort to examine the historical contributions of African American preaching the challenges it faces today and how it might become a renewed source of healing and strength for at risk communities and churches from publisher description

**The Motif of Hope in African American Preaching during Slavery and the Post-Civil War Era** Wayne E. Croft Sr.,2017-10-16 The Motif of Hope in African American Preaching during Slavery and the Post Civil War Era There s a Bright Side Somewhere explores the use of the motif of hope within African American preaching during slavery 1803 1865 and the post Civil War era 1865 1896 It discusses the presentation of the motif of hope in African American preaching from an historical perspective and how this motif changed while in some instances remained the same with the changing of its historical context Furthermore this discussion illuminates a reality that hope has been a theme of importance throughout the

history of African American preaching      **African American Literary Criticism, 1773 to 2000** Hazel Arnett Ervin, 1999 What is African American literary art Is it functional or propaganda or is it art for art s sake What are the responsibilities of African American writers to their art forms to themselves and to their audiences And what are the responsibilities of the audiences Who shall judge it and by what criteria shall it be judged In *African American Literary Criticism 1773 to 2000* Hazel Arnett Ervin has assembled 60 critical statements that address these questions ranging from public addresses to literary manifestos and credos letters journal entries interviews reviews and studies by thinkers who have analyzed and evaluated literature and developed theory Authors include W E B Du Bois Charles Chesnutt Langston Hughes Ann Petry Richard Wright James Baldwin Ralph Ellison Amiri Baraka Toni Morrison Houston Baker Henry Louis Gates Alice Walker bell hooks and many others Each statement is preceded by a short headnote annotating the writer s thesis and setting the tone for critical reading and thinking following each statement is a list of sources for further study on the topic For scholars students and critics who are interested in ongoing discussions not only about the function of art the role of the writer and the artistic responsibility of the audience but also about the epistemology aesthetics and methodology within a vibrant literary tradition this reader is an essential source **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved      Contemporary African American preaching P3040 , L Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories Portraying the many approaches that are empowering preaching in African American churches today Bond shows how different theological perspectives produce different methods of sermon preparation and delivery different strategies for selecting illustrative material and even different ways of beginning and ending sermons Her goal is not to lift up the right way to preach in the African American tradition but to show the richness and nuance contained within this powerful cultural expression      The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America      **A Historical Guide to Langston Hughes** Steven Carl Tracy, 2004 Langston Hughes has been an inspiration to generations of readers and writers seeking a passionate and socially responsible art In this text Steven Tracy has gathered a range of critics to produce an interdisciplinary approach to the historical and cultural elements reflected in Hughes s work      The Mount of Vision Christopher Z. Hobson, 2012-10-18 Christopher Z Hobson offers the first in depth study of prophetic traditions in African American religion Drawing on contemporary speeches essays sermons reminiscences and works of theological speculation from 1800 to 1950 he shows how African American prophets shared a belief in a God of the oppressed a God who tested the nation s ability to move toward justice and who showed favor toward struggles for equality *The Mount of Vision* also examines the conflict between the African American prophets who believed that the nation could one day be redeemed through struggle and those who felt that

its hypocrisy and malevolence lay too deep for redemption Contrary to the prevalent view that black nationalism is the strongest African American justice tradition Hobson argues that the reformatory tradition in prophecy has been most important and constant in the struggle for equality and has sparked a politics of prophetic integrationism spanning most of two centuries Hobson shows too the special role of millennial teaching in sustaining hope for oppressed people and cross fertilizing other prophecy traditions The Mount of Vision incorporates a wide range of biblical scholarship illuminating diverse prophetic traditions as well as recent studies in politics and culture It concludes with an examination of the meaning of African American prophecy today in the time of the first African American presidency the semicentenary of the civil rights movement and the sesquicentennial of the American Civil War paradoxical moments in which our post racial society is still pervaded by injustice and prophecy is not fulfilled but endures as a challenge The Souls of Black Folk Dolan Hubbard,2007 Published in 1903 The Souls of Black Folk by W E B Du Bois was an immediate achievement More than a hundred years later the influence of Du Bois s critique of the political social and economic encumbrances imposed upon blacks in Reconstruction and post Reconstruction America can still be felt The Souls of Black Folk One Hundred Years Later is the first collection of essays to examine Du Bois s work from a variety of academic perspectives including aesthetics art history communications music political science psychology history and the classics Scholars teachers and students of American studies and African American studies will find this collection an essential overview of a book that changed the course of American intellectual history **The Cambridge Companion to Toni Morrison** Justine Tally,2007-09-13 Nobel laureate Toni Morrison is one of the most widely studied of contemporary American authors Her novels particularly Beloved have had a dramatic impact on the American canon and attracted considerable critical commentary This 2007 Companion introduces and examines her oeuvre as a whole the first evaluation to include not only her famous novels but also her other literary works short story drama musical and opera her social and literary criticism and her career as an editor and teacher Innovative contributions from internationally recognized critics and academics discuss Morrison s themes narrative techniques language and political philosophy and explain the importance of her work to American studies and world literature This comprehensive and accessible approach together with a chronology and guide to further reading makes this an essential book for students and scholars of African American literature The African American Experience Arvarh E. Strickland,Robert E. Weems Jr.,2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has
