

The background of the cover is a photograph of the interior of Duke Chapel. The image captures the lower portion of the church's interior, focusing on the intricate, dark wood-paneled vaulted ceiling. The ceiling features a complex network of ribs that create a series of pointed arches. Below the ceiling, the tops of several tall, narrow stained glass windows are visible. These windows are filled with colorful, abstract patterns in shades of red, blue, yellow, and green. The overall lighting is warm and somewhat dim, emphasizing the textures of the wood and the vibrant colors of the glass.

Decolonizing Preaching Sarah Travis, 2014-11-13 Colonialism and imperialism continue to impact the personal and social identities of North American preachers and listeners In *Decolonizing Preaching* Sarah Travis argues that sermons have a role in shaping the identity and ethics of listeners by helping them formulate responses to empire and colonization Travis employs postcolonial theories to provide important insights for the practice of preaching today She also turns to the social doctrine of the Trinity to offer a vision of the divine human community that effectively deconstructs colonizing discourse This book offers preachers and other practical theologians a gentle introduction to colonial history postcolonial theories and Social Trinitarian theology while equipping them with tools to decolonize preaching and strategies for preventing resisting and responding to colonizing discourse Travis effectively casts a vision of a perichoretic space in which preacher and listener encounter the living God in Trinity and are transformed reconciled and sent out to others in the church and beyond

Leading with the Sermon William H. Willimon, 2020-02-04 In this addition to the new Working Preacher Books series prolific author William H. Willimon makes the compelling case that two key pastoral tasks preaching and leadership complement correct strengthen and inform one another Preaching is the distinctive function of pastoral leaders Leadership of the church particularly during a challenging time of transition in mainline Protestantism has become a pressing concern for pastors This book shows how the practices skills and intentions of Christian preaching can be helpful to the leadership of a congregation It will also show how leadership is an appropriate expectation for sermons In preaching pastoral leaders can help a congregation face its problems and coordinate its God given resources to address those problems Sermons can be an opportunity to articulate motivate and orchestrate God's people in doing God's work in the church and in the world *Leading with the Sermon* includes chapters on why pastors must be leaders why preaching is such an essential task in telling the truth about the gospel how preaching makes better leaders and how better leaders make better preachers

Listeners Dare Bishop William H. Willimon, 2022-04-19 Discipleship and witness are not self sustainable Preaching equips God's people for the work of serving and building up the body of Christ Eph 4 11 The gospel is news that passes from the lips of one who has heard to the ears of one who has not yet heard then God willing it burrows in the soul energizing the hands in daring response to a word received Preaching is instigated by an astounding claim Good news God has spoken to us The Christian life is what you get when ordinary folk respond I have heard The book a companion to *Preachers Dare* is for anyone who listens to sermons which

includes preachers since there's no way to preach without gaining skills as a listener. Listening is a human skill but as God's word is proclaimed the hearer experiences a vocal mix of preacher, listener, and God. Praise for Listeners. Dare Books about preaching how to research, write, and deliver sermons are legion. But books about how sermons are heard, internalized, and acted upon by ordinary Christians in the pews are rare. Willimon addresses this elusive yet critically important task with his usual wit, acumen, and pastor's heart. A few hours pondering this thought-filled work will pay handsome dividends. Come Sunday. Grant Wacker, Gilbert T. Rowe, Distinguished Professor of Christian History, Duke Divinity School, Durham, NC. There is no shortage of resources out there for how to prepare and preach a sermon, and yet faith comes from hearing. In turning our attention to the homiletical process of listening, Willimon has given clergy and laity alike a true gift. Together we get to listen for God's daring Word, a word that in our hearing brings about holy obedience, persistent hope, and daring discipleship. Karoline M. Lewis, Marbury E. Anderson Chair of Biblical Preaching, Professor of Biblical Preaching, Luther Seminary Program, Director, Festival of Homiletics. Listening to a sermon is a spiritual discipline that is the simple, profound insight that underpins this rich offering from Will Willimon. Lauren F. Winner, Associate Professor, Duke Divinity School, Durham, NC.

Preaching the Luminous Word Ellen F. Davis, Austin McIver Dennis, 2016-10-27. Insights from one of the most distinctive and eloquent scholar preachers of our time. Inviting serious theological engagement with texts from all parts of the Christian Bible. *Preaching the Luminous Word* is a collection of fifty-one sermons and five related essays from noted preacher and biblical scholar Ellen F. Davis. A brief preface to each sermon delineates its liturgical context and theological themes, as well as distinctive elements of structure and style. Arranged in canonical order, the sermons treat a wide range of texts: Torah, Prophets, Writings, Gospels, Epistles, and Revelation. They are complemented by essays on various aspects of biblical interpretation for preaching. At once accessible, theologically informed, and rhetorically rich, this volume will engage preachers, teachers, seminarians, church leaders, and serious lay readers.

The Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16. The written word is one of the defining elements of Christian experience. As vigorous in the 1st century as it is in the 21st, Christian literature has had a significant function in history, and teachers and students need to be reminded of this powerful literary legacy. Covering 2,000 years, *The Encyclopedia of Christian Literature* is the first encyclopedia devoted to Christian writers and books. In addition to an overview of the Christian literature, this two-volume set also includes 40 essays on the principal genres of Christian literature and more than 400 biobibliographical essays describing the principal writers and their works. These essays examine the evolution of Christian thought as reflected in the literature of every age. The companion volume also features bibliographies, an index, a timeline of Christian Literature, and a list of the greatest Christian authors. The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools, as well as to the growing body of Christian readers and bibliophiles.
