Excerpt from *Sermons on the Card and Other Discourses* Hugh Latimer a farmer s son was born about the year 1491 at Thurcaston in Leicestershire He was an only son with six sisters who were all well cared for at home He was a boy of fourteen when sent to Clare College Cambridge When about twenty four years old he had obtained a college fellowship had taken the degree of Master of Arts and was ordained Priest of the Roman Church at Lincoln In 1524 at the age of about thirty he proceeded to the degree of B D and on the occasion of his doing so he argued publicly for the Pope s authority against opinions of Melancthon Thomas Bilney went afterwards to Latimer s rooms gave him his own reasons for goodwill to the teaching of Melancthon and explained to him his faith as a Reformer in a way that secured Latimer s attention Latimer s free vigorous mind admitted the new reasonings and in his after life he looked always upon little Bilney as the man who had first opened his eyes With homely earnestness Latimer began soon to express his new convictions His zeal and purity of life had caused him to be trusted by the University as a maintainer of old ways he had been appointed cross bearer to the University and elected one of the twelve preachers annually appointed in obedience to a bull of Pope Alexander VI Now Latimer walked and worked with Bilney visiting the sick and the prisoners and reasoning together of the needs of Christendom The Bishop of the diocese presently forbade Latimer s preaching in any of the pulpits of the University Robert Barnes prior of the Augustinian Friars at Cambridge a man stirred to the depths by the new movement of thought then invited Latimer to preach in the church of the Augustinians Latimer was next summoned before Wolsey whom he satisfied so well that Wolsey overruled the Bishop s inhibition and Latimer again became a free preacher in Cambridge The influence of Latimer s preaching became every year greater and in December 1529 he gave occasion to new controversy in the University by his two Sermons on the Card delivered in St Edward s Church on the Sunday before Christmas 1529 Card playing was in those days an amusement especially favoured at Christmas time Latimer does not express disapproval though the Reformers generally were opposed to it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve
