Serpent At Her Breast:

The Serpent's Teeth Ovid, 2006-05-04 In a world of gods and monsters nothing is as it seems When a deadly serpent's teeth are sown in the ground warriors spring from the bloody soil Only a great man can tame them and fulfil his destiny Far away Medusa snakes writhing in her hair meets her nemesis the princess Andromeda is chained to a rock people are transformed into owls frogs even mountains a boy falls tragically in love with his own reflection Enter a universe where love is cruel men are destroyed by the gods and treachery is paid for in blood

The Complete Story of the Grail Chrétien (de Troyes), 2015 The mysterious and haunting Grail makes its first appearance in literature in Chrétien de Troyes Perceval at the end of the twelfth century But Chrétien never finished his poem leaving an unresolved story and an incomplete picture of the Grail It was however far too attractive an idea to leave Not only did it inspire quite separate works his own unfinished poem was continued and finally completed by no fewer than four other writers The Complete Story of the Grail is the first ever translation of the whole of the rich and compelling body of tales contained in Chrétien's poem and its four Continuations which are finally attracting the scholarly attention they deserve Besides Chrétien's original text there are the anonymous First Continuation translated here in its fullest version the Second Continuation attributed to Wauchier de Denain and the intriguing Third and Fourth Continuations probably written simultaneously with no knowledge of each other's work by Manessier and Gerbert de Montreuil Two other poets were drawn to create preludes explaining the background to Chrétien's story and translated here also are their works The Elucidation Prologue and Bliocadran Only in this The Story of the Grail's complete form can the reader appreciate the narrative skill and invention of the medieval poets and their surprising responses to Chrétien's theme not least their crucial focus on the knight as a crusader Equally Chrétien's original poem was almost always copied in conjunction with one or more of the Continuations so this translation represents how most medieval readers would have encountered it Nigel Bryant's previous translations from Medieval French include Perlesvaus the High Book of the Grail Robert de Boron's trilogy Merlin and the Grail the Medieval Romance of Alexander The True Chronicles of Jean le Bel and Perceforest

The Female Fantastic Lizzie McCormick, Jennifer Mitchell, Rebecca Soares, 2018-08-06 For women identified writers of both eras the fantastic offered double vision Not only did the genre offer strategic cover for challenging the status quo but also a heuristic mechanism for teasing out the gendered psyche's links to creative personal and erotic agency These dynamic presentations of female and gender queer subjectivity are linked in intriguing and complex matrices to key moments in gendered history This volume contains essays from international scholars covering a wide range of topics including werewolves mummies fairies demons time travel ghosts haunted spaces and objects race gender queerness monstrosity madness incest empire medicine and science By interrogating two non consecutive decades we seek to uncover the inter relationships among fantastic literature feminism and modern identity and culture Indeed while this book considers the relationship between the 1890s and 1920s it is more an examination of women's modernism in light of

Serpent's Kiss Ed Gorman, Gorman's writing is strong fast and sleek as a bullet DEAN R KOONTZ Gorman is the poet of dark suspense BLOOMSBURY REVIEW THE MASTER OF DARK SUSPENSE IN A QUIET MIDWESTERN CITY A community is coming apart at the seams He is a mild mannered academic turned serial killer being hunted for crimes he doesn't recognize as his own She is a TV anchorwoman losing the ratings game and the only person who understands the evil that drives him Between them an innocent young girl's life hangs in the balance IN AN EMPTY APARTMENT IN THE CITY He has found a manila envelope

that holds gruesome photographs of his past deeds and instructions for his next killing Despite himself he will follow the instructions as if they were his own will IN THE DARK STREET SHADOWS The police scramble furiously to understand him and stop him while a TV reporter is onto the story of a lifetime She knows who he is and who his next victim will be What she doesn't know is how little time she has left and how terrible is the power of the Serpent's Kiss *Red Eyes and the Human Horror Story* James D. Patalon, 2015-05-26 The book had originally been titled THE HUMAN HORROR STORY It was a very over descriptive novel that in many other opinions was just too graphic and gory So although that novel had been decided by me to be put on a shelf for future revising one of its chapters caught my attention So I removed that particular chapter and began building a new story surrounding that specific idea and long and behold within four months I created my second novel RED EYES I worked diligently on making sure that the subject matter although a horror story wouldn't upon being published offend anyone So happy and relieved that the finished novel after several personal revisions was finally what I thought completed How very wrong was I The first project somehow decided to find itself added as an extension to the new novel So once again I had to go in and perform surgery Now both stories had to be merged to be one novel So now I began thinking about a new title Finally I came up with merging both titles into one RED EYES AND THE HUMAN HORROR STORY A SPINE TINGLING ADVENTURE INTO UNKNOWN REALMS Two men each facing an unimaginable inexplicable journey each must face horrors and promises in an alternate reality that is both surreal and yet oddly familiar One man suffering from depression deals with his pain by imagining an easier world until an accident pushes him into another realm where he is reunited with a lost love but also must face zombies and an evil demon He must face the truth of the comforting illusions he created but as his dream world becomes more and more compelling and satisfying what will happen when he has to return to real life The second man enters an alternate reality by committing suicide an act that as he has been warned will have serious consequences He is reunited with his soulmate but they can't stay in the reality they currently inhabit An adversary that they thought they had destroyed is back and they must face him again and to their horror they come to learn that they must defeat their demons over and over as they move to new realms the price for taking your own life is to be doomed to move continually from one reality to the next *Red Eyes and the Human Horror Story* is a thrilling endlessly inventive exploration of the ways in which imagination shapes our reality and how reality shapes our dream worlds **Women's Authorship in Interwar Yugoslavia** Jelena Petrović, 2018-10-01 This book highlights the extent to which women were positioned as historical subjects in the process of constructing political social and cultural history in Yugoslavia while simultaneously facing the politics of institutional exclusion and academic ignorance of progressive ideas and emancipatory struggles To this effect the book interprets a series of works written in interwar Yugoslavia by women or about women's position in public space The research corpus is varied including LGBT literature autobiographies travelogues literary correspondence political writings parody bibliographies and dictionaries etc The book argues that women have been

programmatically made absent from the so called universal canon of post Yugoslav literature or else negatively valorised or labeled while at the same time women s writing in interwar Yugoslavia reflected articulated and mapped significant social political and cultural issues The book proposes a re reading of the once censored and forgotten texts to counter the politics of exclusion that operates even today in the post Yugoslav space This re reading is carried out in the light of contemporary feminist theories and aims to reveal and emphasise the emancipatory importance of women s authorship In this way Jelena Petrovi provides a fresh perspective on the topical issue of the still contested post Yugoslav space
