A Place in the Story

Linda Anderson, 2005 This book explores the virtues Shakespeare made of the cultural necessities of servants and service Although all of Shakespeare's plays feature servants as characters and many of these characters play prominent roles surprisingly little attention has been paid to them or to the concept of service *A Place in the Story* is the first book length overview of the uses Shakespeare makes of servant characters and the early modern concept of service Service was not only a fact of life in Shakespeare's era but also a complex ideology The book discusses service both as an ideal and an insult examines how servants function in the plays and explores the language of service Other topics include loyalty advice messengers conflict disobedience and violence Servants were an intrinsic part of early modern life and Shakespeare found servant characters and the concept of service useful in many different ways Linda Anderson teaches at Virginia Polytechnic University

The Aesthetics of Service in Early Modern England Elizabeth Rivlin, 2012 In *The Aesthetics of Service in Early Modern England* Elizabeth Rivlin explores the ways in which servant master relationships reshaped literature The early modern servant is enjoined to obey his or her master out of dutiful love but the servant's duty actually amounts to standing in for the master a move that opens the possibility of becoming master Rivlin shows that service is fundamentally a representational practice in which the servant who acts for a master merges with the servant who acts as a master Rivlin argues that in the early modern period servants found new positions as subjects and authors found new forms of literature Representations of servants and masters became a site of contact between pressing material concerns and evolving aesthetic ones Offering readings of dramas by Shakespeare Jonson and Thomas Dekker and prose fictions by Thomas Deloney and Thomas Nashe Rivlin suggests that these authors discovered their own exciting and unstable projects in the servants they created
