

The image is a composite. The background is a religious painting of Jesus Christ with long brown hair and a beard, wearing a white robe and a brown sash. He is standing with his right hand raised in a gesture of blessing or teaching. In the foreground, on the right side, is a close-up of a modern man with short grey hair and a white beard, wearing a black clerical shirt with a white collar. He is looking down and to the left with a somber expression. The overall composition suggests a contrast between the divine and the human, or perhaps a reflection on the role of clergy.

*Colossians* David J. Landegent, 2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey *Servants Of The Word* Sean

Loone, 2021-07-30 What does it mean to be invited by Christ to be a Servant of the Word How is it possible today to live life in such a way that it is contrary to popular culture Is it possible to know anything about God and if so how Who can people turn to if they want to know more about the Gospel of Jesus Christ and what it means for life in the modern world What does it mean to conform your life as far as that is possible to that of Christ who came not to be served but to serve These are just some of the questions explored in this book as the author a deacon himself invites the reader to understand what it means to be a Servant of the Word Whether you are a minister of the church or not this book invites you to immerse yourself in the scriptures in order to be able to find Christ who is as present in his Word as he is in the sacraments The aim is to feed the mind sustain the soul and touch the heart as we discover that it is in fact God who comes in search of us The emphasis is very much on seeing the scriptures as a dialogue between God and the human race Ultimately and in the light of this the reader is invited to ask the question what might God be inviting me to do **The Four Gospels** William S. Stobb, 2015-06-18 The

Four Gospels have been read and studied for nearly 2 000 years As early as the second century Irenaeus Church father and martyr declared that four accounts of the life of Christ were needed no more and no less Yet many Christians in spite of the numerous and excellent commentaries available today cannot answer the question Why four Gospels This in depth volume which took 20 years to research and 10 years to write clearly reveals the necessity of a four fold portrait of Christ Selected excerpts from some of the most celebrated writers of the past such as A Edersheim Chas Erdman F W Farrar Edw Gibbon F L Godet D S Gregory F W Krummacher H H Milman G Campbell Morgan Arthur Pink Sir Wm Ramsay Chas Rollin R C Trench B F Westcott and scores of others are incorporated throughout the book in order to explain and substantiate the historical background and characteristic differences of the Four Gospels This work is an excellent reference for teachers students and historians but is designed for Christians in all walks of life A homeschooling mother stated that the work is quite readable even by a pressured mom and very worthwhile I especially like the organization of the book which helped me keep my

bearings The history is fascinating and helpful      Servants for His Glory Miguel Núñez,2021-06-15 Being is greater than doing We all come into the world with a certain emptiness in our lives an emptiness that leads to a search for meaning And the world tells us that search for meaning can be solved by doing Unfortunately an overemphasis on doing has led many people away from cultivating an interior life that allows them to sustain their exterior life This explains the many failures we continuously see in day to day life When a person s inner life who he or she is is not prepared that person s character does not have the maturity or the strength to sustain them in the long run In this book Miguel N ez points us to Scripture and experience to show us how being is more important than doing He teaches us how to cultivate the foundations of our lives so that we can be what we need to be in order to do what we need to do      **Servant and Son** J. Ramsey Michaels,2017-04-25 First published in 1981 *Servant and Son* attempts to look simultaneously at Jesus as the subject of our four canonical Gospels and as a figure at times the main figure in his own parables The parables are understood not as fictions he created but as stories his Father told him revelations received from God in his capacity as a prophet From these parables he emerges as servant of God Son of God and much more anticipating in a variety of ways the Jesus of the four Gospels      ,      *The Spirituality of Following Jesus in John's Gospel* Sean Seongik Kim,2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John s Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son s communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term *akolouthēin* to follow and correlated motifs in John s Gospel      **Today's Scripture Guidance** Anthony Teran Miller,2019-09-20 Today s Scripture Guidance contains daily Scripture from the Word of God to guide Believers and those who want to have detailed Holy Spirit guidance Each daily Scripture is received from God through the servant of Jesus prayer to Him The servant of Jesus surrenders to Jesus in prayer each day asking Him to utilize the Holy Spirit to meet God and receive the Scripture that God wants His people to read that day The servant of Jesus also asks that Jesus calls the Holy Spirit to send Spirit taught words through the servant that gives Spirit guidance of the very Word of God This prayer and surrender process is done by the servant of Jesus each day so that every single day of Scripture is from God and every single day of guidance to the Word of God is from the Holy Spirit The Word and the guidance of God s Word is not from the servant of Jesus but is delivered through the servant of Jesus This is the work that Jesus has called this servant to do Amen Today s Scripture Guidance is from the very Word of God It is spoken boldly with Spirit taught words The guidance is there each day to help the readers of God s Word understand the mystery of His Word through words delivered by the Holy Spirit Today s Scripture Guidance delivers daily reading and guidance to strengthen your understanding of the Word of God and to guide you through living

your life in a way that pleases God This Guidance will help you to truly understand the Word of God Each day the Word was selected by God and the guidance was delivered with Spirit taught Words from the Holy Spirit Hallelujah     **Recovering Jewish-Christian Sects and Gospels** Petri Luomanen,2011-11-25 This book provides a new approach to patristic sources on the earliest Jewish Christians It shows the artificial nature of the church fathers discourse and challenges the widely accepted theory of three Jewish Christian gospels bringing the Gospel of the Hebrews closer to its synoptic cousins     *I Am a Servant* Kim Huffman,2018-08-27 The Gospel of Mark tells about many things that Jesus did It is the action gospel that shows us what it means to be a servant Mark shows us that Jesus came to show us how to serve Being a servant is a choice we have to make We live in a selfish world where it is not easy to think of others before you think of yourself In these thirty nine studies for small groups or individuals you will find help to follow Jesus example of serving others Most of the verses in the Gospel of Mark are covered in these studies The key to finding lasting JOY in life is found in putting Jesus first Others next and Yourself last This book is not meant to be a commentary on the Gospel of Mark Each study has questions at the end that can be used to review or start discussions This book will help you understand the gospel better and you will have a better understanding of what it means to be a servant     *Exalting Jesus in Colossians & Philemon* Dr. Daniel L.
