## Servants Not Masters:

**Laws Concerning Masters and Servants** Gentleman of the Inner Temple, 1767      **The Laws respecting Masters and Servants, Articled Clerks, Apprentices, Journeymen and Manufacturers ... collected from Reports ... and other books of authority up to ... Easter term 1795 ... with an appendix of precedents, etc. By the author of the Laws respecting Landlords and Tenants, etc. J. B. Bird** LAWS., 1802      **Invisible Masters** Elisabeth Ceppi, 2018-07-03

Invisible Masters rewrites the familiar narrative of the relation between Puritan religious culture and New England's economic culture as a history of the primary discourse that connected them. The understanding early Puritans had of themselves as God's servants and earthly masters was shaped by their immersion in an Atlantic culture of service and the worldly pressures and opportunities generated by New England's particular place in it. Concepts of spiritual service and mastery determined Puritan views of the men, women and children who were servants and slaves in that world. So too did these concepts shape the experience of family labor law and economy for those men, women and children, the very bedrock of their lives. This strikingly original look at Puritan culture will appeal to a wide range of Americanists and historians.

Kerr, 1910      **A Treatise on the Law of Master and Servant** Charles Manley Smith, 1860      **African Americans and Colonial Legislation in the Middle Colonies** Oscar Williams, 2021-10-28

First published in 1998. During the first quarter of the seventeenth century Blacks began arriving in the middle colonies region. At first regulation of these individuals posed no problem but by the beginning of the eighteenth century it became increasingly obvious that specific laws governing Blacks needed to be legislated in detail. New York took the lead by having more slaves and legislation than New Jersey and Pennsylvania. This study is primarily an effort to analyze and compare legislation governing Blacks in the middle colonies.
