None Like Us Stephen Best, 2019-01-10 It passes for an unassailable truth that the slave past provides an explanatory prism for understanding the black political present In *None Like Us* Stephen Best reappraises what he calls melancholy historicism a kind of crime scene investigation in which the forensic imagination is directed toward the recovery of a we at the point of our violent origin Best argues that there is and can be no we following from such a time and place that black identity is constituted in and through negation taking inspiration from David Walker's prayer that none like us may ever live again until time shall be no more Best draws out the connections between a sense of impossible black sociality and strains of negativity that have operated under the sign of queer In *None Like Us* the art of El Anatsui and Mark Bradford the literature of Toni Morrison and Gwendolyn Brooks even rumors in the archive evidence an apocalyptic aesthetics or self eclipse which opens the circuits between past and present and thus charts a queer future for black study

The Oxford Handbook of Contemporary British and Irish Poetry Peter Robinson, 2013-09-26 The Oxford Handbook of Contemporary British and Irish Poetry offers thirty eight chapters of ground breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book s introduction offers an anthropological participant observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a shifting and never wholly knowable category The five ensuing sections explore a history of the period s poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as

whether poetry can perform actions in the world can atone redress or repair and how its significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent poets as well as finding space for its contributors enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers

Lyric and Liberalism in the Age of American Empire Hugh

Foley,2022-08-15 What is the difference between the I of a poem the lyric subject and the liberal subject of rights *Lyric and Liberalism in the Age of American Empire* uses this question to re examine the work of five major American poets changing our understanding of their writing and the field of post war American poetry Through extended readings of the work of Elizabeth Bishop Robert Lowell Amiri Baraka John Ashbery and Jorie Graham Hugh Foley shows how poets have imagined liberalism as a problem for poetry Foley s book offers a new approach to ongoing debates about the nature of lyric by demonstrating the entanglement of ideas about the lyric poem with the development of twentieth century liberal discussions of individuality Arguing that the nature of American empire in this period underpinned by the discourse of individual rights forced poets to reckon with this entanglement it demonstrates how this reckoning helped to shape poetry in the post war period By tracing the ways a lyric poem performs personhood and the ways that this person can be distinguished from the individual envisioned by post war liberalism Foley shows how each poet stages a critique of liberalism from inside the standpoint of lyric This book demonstrates the capacities of poetry for rethinking its own relation to history and politics providing a new perspective on a vital era of American poetry

The Poetry of Louise Glück Daniel Morris,2006-12-01

A dominant figure in American poetry for more than thirty five years Louise Glück has been the recipient of virtually every major poetry award She won the Nobel Prize in Literature in 2020 and was named U S poet laureate for 2003 2004 In a full length study of her work Daniel Morris explores how this prolific poet utilizes masks of characters from history the Bible and even fairy tales Morris treats Glück s persistent themes desire hunger trauma survival through close reading of her major book length sequences from the 1990s *Ararat* *Meadowlands* and *The Wild Iris* An additional chapter devoted to *The House on Marshland* 1975 shows how its revision of Romanticism and nature poetry anticipated these later works Seeing Glück s poems as complex analyses of the authorial self via sustained central metaphors Morris reads her poetry against a narrative pattern that shifts from the tones of anger despair and resentment found in her early *Firstborn* to the resignation of *Ararat* and proceeds in her latest volumes including *Vita Nova* and *Averno* toward an ambivalent embrace of embodied life By showing how Glück s poems may be read as a form of commentary on the meanings of great literature and myth Morris emphasizes her irreverent attitude toward the canons through which she both expresses herself and deflects her autobiographical

impulse By discussing her sense of self of Judaism and of the poetic tradition he explores her position as a mystic poet with an ambivalent relationship to religious discourse verging on Gnosticism with tendencies toward the ancient rabbinic midrash tradition of reading scripture He particularly shows how her creative reading of past poets expresses her vision of Judaism as a way of thinking about canonical texts The Poetry of Louise Glück is a quintessential study of how poems may be read as a form of commentary on the meanings of great literature and myth It clearly demonstrates that through this lens of commentary one can grasp more firmly the very idea of poetry itself that Glück has spent her career both defining and extending

Flat Aesthetics Christian Moraru, 2022-12-15 Flat Aesthetics seeks to secure a more granular and ontologically demotic handle on the contemporary in American literature While contemporaneity can be viewed as our period Christian Moraru approaches the contemporary as some thing made by things themselves The making of the contemporary is variously restaged by the body of fictional prose under scrutiny here Thus this corpus itself participates in the making of contemporaneity In dialogue with object oriented ontology and various new materialisms Moraru contends that the contemporary does not preexist objects or the novels featuring them it is not their background but an outcome of things self presentation As objects beings or existents present themselves in the present in our now they foster thing configurations that together compose the form of and essentially make the contemporary the present's cultural material signature as Moraru calls it To decipher this signature Flat Aesthetics provides a cross sectional reading of postmillennial American fiction Discussed are solely post 2000 works by writers who have also established themselves over the past two decades or so from Nicole Krauss Michael Chabon and Ben Lerner to Colson Whitehead and Emily St John Mandel Their output Moraru claims bears witness to the onset of a flat aesthetics in American letters after September 11 2001 Organized into five parts the book canvases objectual constellations of contemporaneity shaped by material dynamics of language museality and display spatiality zombification and thing rhetoric and post anthropocentric kinship

Barrett Watten prolific scholar and Purdue University professor Daniel Morris engages in a form of cultural repurposing by learning twice about how to attend to writers whose aesthetic contributions were not part of his education as a student in Boston and Chicago in the 1980s and 1990s when new formalism and post confessional modes reigned supreme Morris s study demonstrates his interest in moving beyond formalism to offer what Stephen Fredman calls a wider cultural interpretation of literature that emphasizes the new historicist concerns with hybridity ethnicity power relations material culture politics and religion Essays address from multiple perspectives prophetic diasporic ethical the vexing problems and sublime potential of disseminating lyrics the ancient form of transmission and preservation of the singular private human voice across time and space to an individual reader in an environment in which e poetry and digitalized poetics pose a crisis understood as both opportunity and threat to traditional page poetry **Songs in Dark Times** Amelia M. poetic imagination from Adorno's maxim 'No poetry after Auschwitz' to the claims of religious authority upon truth and the ultimate challenge posed by the fact of death itself. To these challenges he responds with eloquent and rigorous arguments drawing on wide resources of learning and his experience as master poet and teacher. Grossman's readings of Wordsworth, Hart Crane, Paul Celan and others focus on poems that interrogate the real or enact the hard bargains that literary representation demands. True Love is destined to become an essential book wherever poetry and criticism sustain one another.

The Bughouse Daniel Swift, 2017-11-07 In 1945 the American poet Ezra Pound was due to stand trial for treason for his broadcasts in Fascist Italy during the Second World War. Before the trial could take place, however, he was pronounced insane. Escaping a possible death sentence, he was sent to St Elizabeth's Hospital near Washington D.C. where he was held for more than a decade. At the hospital, Pound was at his most infamous and most contradictory. He was a genius and a traitor, a great poet and a madman. He was also an irresistible figure and in his cell on Chestnut Ward and on the elegant hospital grounds he was visited by the major poets and writers of his time: T.S. Eliot, Elizabeth Bishop, Robert Lowell, John Berryman, Charles Olson and Frederick Seidel all went to sit with him. They listened to him speak and wrote of what they had seen. This was perhaps the world's most unorthodox literary salon convened by a fascist held in a lunatic asylum with chocolate brownies and mayonnaise sandwiches served for tea. Pound continues to divide all who read and think of him. At the hospital, the doctors who studied him and the poets who learned from him each had a different understanding of this wild and most difficult man. Tracing Pound through the eyes of his visitors, Daniel Swift's *The Bughouse* tells a story of politics, madness and modern art in the twentieth century.

Poetry and the Fate of the Senses Susan Stewart, 2002-01-20 What is the role of the senses in the creation and reception of poetry? How does poetry carry on the long tradition of making experience and suffering understood by others? With *Poetry and the Fate of the Senses*, Susan Stewart traces the path of the aesthetic in search of an explanation for the role of poetry in culture. Herself an acclaimed poet, Stewart not only brings the intelligence of a critic to the question of poetry but the insight of a practitioner as well. Her new study includes close discussions of poems by Stevens, Hopkins, Keats, Hardy, Bishop and Traherne of the sense of vertigo in Baroque and Romantic works and of the rich tradition of nocturnes in visual, musical and verbal art. Ultimately, she argues that poetry can counter the denigration of the senses in contemporary life and can expand our imagination of the range of human expression. *Poetry and the Fate of the Senses* won the 2004 Truman Capote Award for Literary Criticism in Memory of Newton Arvin, administered for the Truman Capote Estate by the University of Iowa Writers Workshop. It also won the Phi Beta Kappa Society's 2002 Christian Gauss Award for Literary Criticism.
