Look Closer Meadow:

A Love for the Pages Joy Penny, 2014-06-14 Kiss Marry Kill Nineteen year old June Eyermann has always known exactly which of her favorite Byronic heroes goes where She d kiss moody and possessive Rochester from Jane Eyre and marry prideful but repentant Darcy from Pride and Prejudice leaving obsessive and spiteful Heathcliff from Wuthering Heights to be chucked off a cliff but no She couldn t leave any of her heroes behind She lives for her favorite fictional worlds But June is about to get a serious wake up call when she returns home for the summer after her college freshman year Stuck somewhere between feeling like a kid again under her parents roof and being forced to start acting like an adult with worries about her future career June looks at the library volunteer position offered to her as a way to keep her sanity for the next few months before she can go back to school What June doesn t expect to find at the library is her favorite romantic heroes brought to life all in the same man Obstinate prideful and even a bit rude Everett Rockford shouldn t exactly be dating material even if June s heart rate accelerates whenever she s near him But after discovering his enigmatic past and witnessing a few fiery moments of tenderness June can t help but see Rochester Darcy and even Heathcliff in Everett If she s going to make it through the summer without becoming a tragic heroine in her own story she has to separate the man from the ideals of fiction in her head Because if there s one thing she knows about Byronic love stories it s that they don t always end happily ever after

Discourses of Cycling, Road Users and Sustainability M. Cristina Caimotto, 2020-05-07 This book employs a Critical Discourse Studies CDS framework to examine cycling mobility marking a new turn in ecolinguistic discourse analysis The author focuses specifically on environment related arguments concerning the promotion of higher levels of cycling mainly as a means of transport and investigates the US vs THEM narratives present in many discourses about road users Analysing newspaper articles institutional documents and spoken interviews the author searches for a positive new discourse that would inspire and encourage cycling as a habitual means of transport rather than simply exposing ecologically destructive discourse The book will be of interest to scholars of discourse and ecolinguistics as well as contributing to the lively debate about how to increase cycling in fields such as sustainability sociology transport planning and management

When the Meadow Blooms Ann H. Gabhart, 2022-05-03 If any place on God s earth was designed to help one heal it is Meadowland Surely here at her brother in law s Kentucky farm Rose and her daughters can recover from the events of the recent past the loss of her husband during the 1918 influenza epidemic her struggle with tuberculosis that required a stay at a sanatorium and her girls experience in an orphanage during her illness At Meadowland hope blooms as their past troubles become rich soil in which their faith can grow Dirk Meadows may have opened his home to his late brother s widow and her girls but he keeps his heart tightly closed The roots of his pain run deep and the evidence of it is written across his face Badly scarred by a fire and abandoned by the woman he loved Dirk fiercely guards his heart from being hurt again But it may be that his visitors will bring light back into his world and unlock the secret to true healing Bestselling author Ann H Gabhart

explores the tender places within the human heart in this character driven story of trusting God to turn our burdens into something beautiful Gabhart shines in crafting protagonists who exude quiet strength and optimism in search of wholeness With its pastoral setting and reflective characters this cozy read explores the uncertainty present in every new beginning
