

Completed in 1985, the Hundertwasserhaus is an apartment building in Vienna, Austria. When the lead architect was provided the original plans for the structure, he nixed them and came up with an entirely new concept. A Sailor of Austria John Biggins, 2005-09-01 In this ironic hilarious and poignant story Otto Prohaska is a submarine captain serving the almost landlocked Austro Hungarian Empire He faces a host of unlikely circumstances from petrol poisoning to exploding lavatories to trigger happy Turks All signs point to the total collapse of the bloated empire he serves but Otto refuses to abandon the Habsburgs in their hour of need *Migration and Irregular Work in Austria*, 2009 This meticulously researched study of irregular migrant work in Austria holds many broader lessons for countries all over Europe The book derives many of its fascinating insights from systematic in depth interviews with migrants themselves The authors demonstrate that it is no longer enough to divide the world of foreign employment into legal and illegal work Instead over the past few years particularly in the context of progressive EU enlargement in Europe new manifestations of irregular migrant work have evolved Moreover the authors convincingly argue that irregular migrant work is based on both supply and demand and is therefore unlikely to fade away in the foreseeable future Publisher's description
