Chandramouli, 2021-12-01 In my childhood one of the most interesting games that I played was to assimilate children for storytelling sessions and act out the sequences Many a time I would enact clearly my imaginative stories with much emotion Though I have been writing ever since my college days it was only after the birth of my daughter that children s literature attracted my attention I have written children s stories in English and I also enjoy writing for children in Tamil as well When my Tamil Books on children s literature were published I was very much motivated Whenever I narrate stories to school children I feel as if I belong to their age group and enjoy doing so Although I have written many novels and short stories in English and Tamil the pleasure I receive in writing for children is something that is close to my heart and cannot be explained As I enter the children s world and envisage events from their viewpoints I tend to learn a lot As I mingle with them I have absorbed certain matters and written many short stories based on them **Sharing the Journey: Literature**
