Looking For Lewis:

The Art of Being Lewis Daniel Goodwin, 2019-05-01 Between indecent exposure and intellectual property theft it's tough being Lewis this year East Coast architect Lewis Morton thought he had it all loving wife and children dream job and a house that meets his exacting architectural standards But after his beloved mentor dies unexpectedly and Lewis gets pulled into a lawsuit that threatens to destroy his career and possibly his life the respectable identity he has carefully constructed for himself after fleeing his Jewish childhood in Montreal begins to disintegrate In trying to build his new future he must first come to terms with his past Who is Lewis Morton and who will he choose to become *The Ward Witch* Sarah

coming out to his family has driven guys away before Can he dare to believe Lewis is different Lewis his friends and his loud loving Italian family support Tad in a way he s never experienced and it s easy to imagine a lifetime of that unconditional love But life isn t a romcom Or is it
