Solomon, 2021-04-21 You can deal with an issue all your life but until you choose to move on with a positive attitude you will remain stuck in your past There s power in a single positive thought Therein lies the flashlight to shine your path to recovery which reveals that you hold the power to your mind because it s you who feeds it and you hold the switch to a brighter day So turn it on My experience in moving forward in life began with me looking back and understanding the hurts of life I went through which led me to discover the power of forgiveness And when I did I made the decision to forgive and understand that everything happens for a reason it could be a life lesson Your future has a lot to do with your past You might not have had the chance to determine your past but you have a choice to turn your life around as well as the lives of the people around you So choose to use it wisely and so it matters with what attitude you are reflecting on your past I give you two options 1 the positive or 2 the positive **Looking Back, Moving Forward** DIANE Publishing Company, 1995-07 Recognizes the

Forgiving What the World Says You Shouldn't Kallist Cazares,2025-04-10 Every woman affected by betrayal wants freedom from painful intrusive memories and to get help navigating their marriage The problem is in a world that worships fleeting emotions it s easy to believe that the only way through infidelity is to leave Or if they choose to stay they become a prisoner of fear and anger resulting in bitterness However as Christians we are called to a higher standard in our marriages one of holiness Yes even the unequally yoked ones When we embrace God s transformative power instead of indulging in detrimental emotions or acts he refines and sanctifies us our unsaved spouses and marriages Kallista Sanchez helps uncover unpopular opinions and often overlooked truths on what God thinks about forgiving sexual betrayal When we consider that he may want us to keep our covenant obedience is the door to blessing What s more forgiveness isn t about erasing the pain but allowing trials to become a catalyst for growth and redemption
