

Marxism And History

Stephen Henry Rigby

Marxism And History:

Marxism and History Stephen Henry Rigby, 1987 Marx's theory of history is often regarded as the most enduring and fruitful aspect of his intellectual legacy. His historical materialism has been the inspiration for some of the best historical writing in the works of scholars such as Eric Hobsbawm, E. P. Thompson, Rodney Hilton and Robert Brenner. S. H. Rigby establishes Marx's claims about social structure and historical change, discusses their use in his own and his followers' writings, and assesses the validity of his theories. He argues that Marx's social theories were profoundly contradictory and that Marxism has proved most useful when it is seen as a source of questions, concepts and hypotheses rather than as a philosophy of historical development. Reflections on the Marxist theory of history Paul Blackledge, 2013-07-19 A decade after Francis Fukuyama announced the End of History, anti-capitalist demonstrators at Seattle and elsewhere have helped reinvigorate the Left with the reply another world is possible. More than anyone else it was Marx who showed that slogans such as this were no utopian fantasies and that capitalism was just as much a historical mode of production, no more natural and certainly no less contradictory than were the feudal and slave modes which preceded it. Paul Blackledge opens this study with a defence of the Marxist approach to the study of history against what he argues as being the naive empiricism of traditional historians and the relativism of the postmodernists. He moves on to outline Marx and Engels' analyses of concrete historical processes and their critiques of the alternative historiographic methodologies of their contemporaries. He then discusses neglected historical works produced by Marxists in the half century or so after Marx and Engels' deaths. Two central chapters survey recent Marxist debates on first the nature of modes of production including slave, feudal and tributary systems and the revolutionary transitions between them, and second the methodological debate over the issue of structure and agency in the movement of history. Finally he shows the political relevance of these debates through a concluding survey of competing Marxist attempts to periodise the present postmodern conjuncture. This book should be read by historians, students of cultural, social and political theory and anti-capitalist activists. *Marxism and History* Matt Perry, 2021 This textbook examines Marxism's enormous impact on the way historians approach their subject. Tackling current historiographical questions in an accessible way, the author offers a clear introduction to Marxist views of history, key Marxist historians and thinkers, and the relevance of Marxist theory and history to students' own work. This is a concise, thorough overview of an important area of historiography. The second edition incorporates significant new developments in research, including Marxist contributions to the emergence of global, maritime and transnational history; the discovery of Marx's ecologism; and the historical critique of fossil capitalism as a source of environmental disaster; a reassessment of gender oppression through social reproduction theory; and the contribution of Marxism to debates on race, Eurocentrism and whiteness. **Marxist Historiographies** Q. Edward Wang, Georg G. Iggers, 2015-07-16 *Marxist Historiographies* is the first book to examine the ebb and flow of Marxist historiography from a global and cross-cultural perspective. Since the eighteenth

century few schools of historical thought have exerted a more lasting impact than Marxism and this impact extends far beyond the Western world within which it is most commonly analysed Edited by two highly respected authors in the field this book deals with the effect of Marxism on historical writings not only in parts of Europe where it originated but also in countries and regions in Africa Asia North and South America and the Middle East Rather than presenting the chapters geographically it is structured with respect to how Marxist influence was shown in the works of historians in a particular area This title takes a dual approach to the subject some chapters are national in scope addressing the Marxist impact on historical practices within a country whereas others deal with the varied expressions of Marxist historiography throughout a wider region Taking a truly global perspective on this topic Marxist Historiographies demonstrates clearly the breadth and depth of Marxism s influence in historical writing throughout the world and is essential reading for all students of historiography

Marxism and History Matt Perry, 2021-08-16 This textbook examines Marxism s enormous impact on the way historians approach their subject Tackling current historiographical questions in an accessible way the author offers a clear introduction to Marxist views of history key Marxist historians and thinkers and the relevance of Marxist theory and history to students own work This is a concise thorough overview of an important area of historiography The second edition incorporates significant new developments in research including Marxist contributions to the emergence of global maritime and transnational history the discovery of Marx s ecologism and the historical critique of fossil capitalism as a source of environmental disaster a reassessment of gender oppression through social reproduction theory and the contribution of Marxism to debates on race Eurocentrism and whiteness

Marxism and the Methodologies of History Gregor McLennan, 1981

Marxism and History S. H. Rigby, 2024-06-04 This critically acclaimed book now in its second edition is firmly established as an essential guide to this recent historiographical debate Adopted as a set book by the Open University An indispensable guide to Marxist historiography for undergraduates

Marxism and History Chris Harman, 1998 A highly accessible introduction to the vital theoretical issues in the interpretation of Marx s theory of history Essential for all students of Marx and Marxism

Karl Marx's Theory of History Gerald A. Cohen, 2001-03-25 First published in 1978 this book rapidly established itself as a classic of modern Marxism Cohen s masterful application of advanced philosophical techniques in an uncompromising defense of historical materialism commanded widespread admiration In the ensuing twenty years the book has served as a flagship of a powerful intellectual movement analytical Marxism In this expanded edition Cohen offers his own account of the history and the further promise of analytical Marxism He also expresses reservations about traditional historical materialism in the light of which he reconstructs the theory and he studies the implications for historical materialism of the demise of the Soviet Union

Marxism and Literary History John Frow, 1986 John Frow s book is a novel contribution to Marxist literary theory proposing a reconciliation of formalism and historicism in order to establish the basis for a new literary history Through a critique of his forerunners in Marxist theory the historicist Marxism of

Lukács the work of Macherey Eagleton and Jameson Frow seeks to define the strengths and the limitations of this tradition and then to extend its possibilities in a radical reworking of the concept of discourse He develops the notion of literature as a historically specific system within a network of discourses Frow goes on to elaborate a number of central theoretical categories and to explore the historical dimension of those categories Drawing in particular on Russian Formalism he develops a theory of the dynamics of literary change and of the historical pressures that shape the literary system He tests and extends his categories through readings of texts by Petronius Hlderlin DeLillo Dickens Frank Hardy and others The final chapter a reading of Derrida and Foucault poses the question of the possibility of setting limits to reading and the power of limits to determine literary history

Marx & History D. Ross Gandy, 2014-05-23 Gandy has attempted a much needed reinterpretation of Marx's theory of history one that everything considered deserves the reader's attention American Political Science Review In this book Karl Marx's observations on history which are found scattered throughout his voluminous writings are brought together and subjected to searching analysis in refreshingly direct language without jargon For the first time we have a thoughtful assessment of Marx's views on all the epochs that cross his historical vision D Ross Gandy treats Marx's ideas on primitive societies on ancient Roman and Asiatic civilization on the structure of feudalism on strategies for overthrowing capitalism and on the hypothetical communist future Among the author's departures from traditional readings of Marx are his interpretations of class struggle his conception of social strata and his cogent analysis of the new Marxism Since many aspects of Marxist historical theory have been neglected or distorted Gandy's remarkably clear commentary based on extensive research including an exhaustive study of the forty volume Marx Engels Werke will doubtless stimulate debate among sociologists and other students of social change political scientists and historians

Marx's Interpretation of History Melvin Miller Rader, 1979 Attempts to find an underlying consistency in Marx's complex vision of history without glossing over apparent contradiction in the writings of Marx and in those of his interpreters

Marxism, History, and Intellectuals Suman Gupta, 2000 This study focuses on that area of revolutionary socialist philosophy which is devoted to conceiving the intellectual and allocating or refusing to do so a role to the intellectual in the revolutionary process and state Through an examination of the intellectual's role the author tries to reach an understanding of the connotations and pragmatics of transformative socialism in our time Primarily this study is a survey and reexamination of the constructions of and attitudes toward intellectuals in different revolutionary socialist philosophies with particular reference to the corresponding theories of history that are implicit therein The actual process of reconceptualizing transformative socialism in our context and in the light of the above reexamination is taken up toward the end of the book in a more or less polemical fashion

The Place of Marxism in History Ernest Mandel, 1986

Marxism and Historiography Paolo Favilli, 2021-10-22 Eminent Italian historian Giovanni Levi once notably remarked that no one is a Marxist anymore pointing to a paradox in Italian cultural history While

what is called Marxism was supposedly hegemonic over Italian culture and especially history writing for decades in the postwar period it then seems to have suddenly disappeared This study questions such a vision of a monolithic and hegemonic Marxism It starts from the most effective anecdote to all ideologising narratives that is research into the texts themselves It sees the Marxist historiography of the post 1945 period as a history in the making in which references to Marxian theory were a fundamental factor driving historiographical innovation This allows the book to bring to light a highly original experience in the development of historiography based on the long Italian tradition of reflection on historical knowledge

History, Power, Ideology Donald L. Donham, 2023-09-01 Is Marxism a reflection of the conceptual system it fights against rather than a truly comprehensive approach to human history Drawing on recent work in anthropology history and philosophy Donald Donham confronts this problem in analyzing a radically different social order the former Maale kingdom of southern Ethiopia Unlike capitalist societies wherein inequality is organized by contracts between free individuals in Maale powerful men were thought to beget others through control of biological fertility and material fortune Donham scrutinizes this unusual system of domination in order to sharpen issues in social and cultural theory He concludes that the interpretation of symbols and analysis of historical contingency should be crucial steps in any Marxists investigation The result is a provocative and original re reading of the Marxist tradition and a spirited defense of its continued vitality and relevance Every once in a while there appears a book that opens up new ways of inquiring into the ways of the world Donald Donham has written such a book The style is quiet and judicious but the effect is stunning In putting inherited partisan approaches to the test of explaining the realities of Maale society and culture Donham enriches anthropology and imparts new vigor to the analytical Marxian traditions *History Power Ideology* embodies a major accomplishment From the Foreword Is Marxism a reflection of the conceptual system it fights against rather than a truly comprehensive approach to human history Drawing on recent work in anthropology history and philosophy Donald Donham confronts this problem in analyzing a radically

Reflections on the Marxist Theory of History Paul Blackledge, 2006-10-31 This volume offers a defence of the study of history against traditional empiricism and the relativism of postmodern historiography It discusses the relationship between Marx and Engels theory of history their methodology and their politics

The History of Italian Marxism Paolo Favilli, 2016-08-15 In *The History of Italian Marxism* Paolo Favilli offers an articulated analysis of the different levels at which Marx's ideas and Marxism as a doctrinal system were received in Italy from the time of the First International up till the eve of the First World War Rejecting any linear understanding of the relation between Marx's texts and the assumption of Marxism as the ideology of the burgeoning workers movement Favilli explores the growth of different forms of Marxist culture through the period of the Paris Commune the late nineteenth century debate on revisionism and the rise of revolutionary syndicalism Asking in each case whether Marxism meant a science an ideology a way of doing politics a utopia a myth or a religion Favilli goes on to assess which of these Marxisms died with and which have survived the crisis at the end

of the twentieth century With a new preface to the English edition First published in Italian as Storia del marxismo italiano dalle origini alla grande guerra FrancoAngeli s r l Milan 1996 Marxism, History & Socialist Consciousness David North,2007 Uses of History Francis Barker,Peter Hulme,Margaret Iversen,1991 Seven essays from a symposium at the U of Essex no date noted explore the viability of modern critical theories in illuminating the Renaissance focusing especially on the plays of Shakespeare Distributed in the US by St Martin s Press Annotation copyrighted by Book News Inc Portland OR

Marxism And History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Marxism And History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Marxism And History has opened up a world of possibilities. Downloading Marxism And History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Marxism And History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Marxism And History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Marxism And History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Marxism And History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Marxism And History has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Marxism And History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Marxism And History is one of the best book in our library for free trial. We provide copy of Marxism And History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Marxism And History. Where to download Marxism And History online for free? Are you looking for Marxism And History PDF? This is definitely going to save you time and cash in something you should think about.
