Mary Lincoln for the Ages Jason Emerson,2019-04-19 In this sweeping analytical bibliography Jason Emerson goes beyond the few sources usually employed to contextualize Mary Lincoln's life and thoroughly reexamines nearly every word ever written about her. In doing so, this book becomes the prime authority on Mary Lincoln, points researchers to key underused sources, reveals how views about her have evolved over the years, and sets the stage for new questions and debates about the themes and controversies that have defined her legacy. **Mary Lincoln for the Ages** first articulates how reliance on limited sources has greatly restricted our understanding of the subject, evaluating their flaws and benefits and pointing out the shallowness of using the same texts to study her life. Emerson then presents more than four hundred bibliographical entries of nonfiction books and pamphlets, scholarly and popular articles, journalism, literature, and juvenilia. More than just listings of titles and publication dates, each entry includes Emerson's deft analysis of these additional works on Mary Lincoln that should be used but rarely have been to better understand who she was during her life and why we see her as we do. The volume also includes rarely used illustrations, including some that have never before appeared in print. A roadmap for a firmer, more complete grasp of Mary Lincoln's place in the historical record, this is the first and only extensive analytical bibliography of the subject. In highlighting hundreds of overlooked sources, Emerson changes the paradigm of Mary Lincoln's legacy.

The Dark Days of Abraham Lincoln's Widow, as Revealed by Her Own Letters Myra Helmer Pritchard,2011-02-10 Written in 1927 but barred from timely publication by the Lincoln family, *The Dark Days of Abraham Lincoln's Widow as Revealed by Her Own Letters* is based on nearly two dozen intimate letters written between Mary Lincoln and her close friend Myra Bradwell, mainly during the former's 1875 incarceration in an insane asylum. By the 1920s, most accounts of Mrs. Lincoln focused on her negative qualities and dismissed her as crazy. Bradwell's granddaughter, Myra Helmer Pritchard, wrote this distinctly sympathetic manuscript at the behest of her mother, who wished to vindicate Mary Lincoln in the public eye by printing the private correspondence. Pritchard fervently defends Mrs. Lincoln's conduct and sanity, arguing that she was not insane but rather the victim of an overzealous son who had his mother committed. The manuscript and letters were thought to have been destroyed, but fortunately, the Lincolns' family lawyer stored copies in a trunk where historian Jason Emerson discovered them in 2005. While leaving the manuscript intact, Emerson has enhanced it with an introduction and detailed annotations. He fills in factual gaps, provides background on names, places, and dates, and analyzes Pritchard's interpretations, making clear where she was right and where her passion to protect Mrs. Lincoln led to less than meticulous research and incorrect conclusions. This volume features an easy-to-follow format that showcases Pritchard's text on the left-hand pages and Emerson's insightful annotations on the right-hand pages. Following one of the most revered and

reviled famous and infamous of the First Ladies this book provides a unique perspective of Mrs Lincoln's post White House years with an emphasis on her commitment to a sanitarium Emerson's contributions make this volume a valuable addition to the study of the Lincoln family This fascinating work gives today's Lincoln enthusiasts the chance to read this intriguing interpretation of the former First Lady that predates nearly every other book written about her
