Jennifer LaSarge,2014-08-01 Jennifer s determination to find complete healing took immense courage God gently led her to face the pain of her abusive past The toughest journey of her life eventually led to her deepest joy discovering God as her Father Whatever pain you may be facing either currently or from your past Jennifer s testimony will stir *Silence and Other Surprising Invitations of Advent* Enuma Okoro,2012-09-01 Usually when we think of the Advent story Mary Joseph and the angel Gabriel come to mind Okoro approaches Advent a little differently inviting us to sit for a while with Zechariah and Elizabeth and the story of how they came to bear their only son John The Advent story we so often associate with the joy of Christmas actually begins with deep sorrow and longing But thankfully in the kingdom of God there is always more to the story than meets the eye Enuma Okoro writes Zechariah and Elizabeth were good people They had maintained faith and hope in God for many years despite Elizabeth s inability to conceive a condition considered shameful in their time So they were quite familiar with the universal human experiences of longing and waiting Even though this couple s story takes up only one chapter in Luke s Gospel it contains enough lessons about faith and life to last for weeks In her beautifully written imaginative meditations for each day of Advent Okoro looks closely at the doubts and longings of Zechariah and Elizabeth As you explore their story Okoro guides you to reflect on your own experiences of waiting and longing of grief and the need for community and of hungering for God These poetic and poignant meditations will linger with you long after Christmas Reflection questions and a prayer challenge accompany each week s meditations A perfect book for individual or group study

Mary Wollstonecraft and the Feminist Imagination Barbara Taylor, 2003-03-13 In the two centuries since Mary Wollstonecraft published *A Vindication of the Rights of Woman* 1792 she has become an icon of modern feminism a stature that has paradoxically obscured her real historic significance In this in depth 2003 study of Wollstonecraft s thought Barbara Taylor develops an alternative reading of her as a writer steeped in the utopianism of Britain s radical Enlightenment Wollstonecraft s feminist aspirations Taylor shows were part of a revolutionary programme for universal equality and moral perfection that reached its zenith during the political upheavals of the 1790s but had its roots in the radical Protestant Enlightenment Drawing on all of Wollstonecraft s works and locating them in a vividly detailed account of her intellectual world and troubled personal history Taylor provides a compelling portrait of this fascinating and profoundly influential thinker
