Mastering Healthcare Terminology An Integrated Approach:

Mastering Healthcare Regulation: A Comprehensive Case Study Approach Jessica Holmes, Robin J. Lunge, Betty Rambur, 2024-04-30 Trying to make sense of the regulatory landscape in healthcare can be difficult. The many federal and state entities and their rules may work together yet they sometimes contradict one another. Mastering Healthcare Regulation will help readers understand and ultimately navigate the numerous layers of regulatory oversight within the healthcare system. This book clarifies laws and regulations with straightforward explanations and case studies that place readers in the shoes of regulatory decision makers. The first section presents an overview of healthcare regulation including market dynamics and the interactions between the various regulatory organizations. Each section that follows focuses on a broad subject that regulations seek to address: cost containment, consumer protection, payment and delivery system reform, and patient access, health and safety. Background is provided on each issue and real world scenarios are used to illustrate regulatory approaches and their economic, legal, and clinical ramifications. The book will teach readers how to decipher the regulatory landscape's complexities and how to influence regulations rather than simply being impacted by them.
