subject to deliberate destruction and looting it addresses the crucial subject of preserving what has been lost and contextualizes the significance of these works on a local and global scale This essential volume features 186 objects of exceptional importance from Europe the Middle East and the United States Readers are taken on a fascinating journey that explores sites of intense political and religious struggles against Roman rule as well as important religious centers and military bulwarks of the Parthian Empire Reaching across two millennia The World between Empires brings vividly to life how individuals and cities in ancient times defined themselves and how these factors continue to resonate today p p1 margin 0 0px 0 0px 0 0px 0 0px font 14 0px Verdana

**Notices to Airmen** ,1986      **Magical House Protection** Brian Hoggard,2019-04-22 Belief in magic and particularly the power of witchcraft was once a deep and enduring presence in popular culture Diving into Brian Hoggard s Magical House Protection is a remarkable experience It provides an immersive and fascinating read Fortean Times People created and concealed many objects to protect themselves from harmful magic Detailed are the principal forms of magical house protection in Britain and beyond from the fourteenth century to the present day Witch bottles dried cats horse skulls written charms protection marks and concealed shoes were all used widely as methods of repelling diverting or trapping negative energies Many of these practices and symbols can be found around the globe demonstrating the universal nature of efforts by people to protect themselves from witchcraft From the introduction The most popular locations to conceal objects within buildings are usually at portals such as the hearth the threshold and also voids or dead spaces This suggests that people believed it was possible for dark forces to travel through the landscape and attack them in their homes Whether these forces were emanations from a witch in the form of a spell a witch s familiar pestering their property an actual witch flying in spirit or a combination of all of those is difficult to tell Additional sources of danger could be ghosts fairies and demons People went to great lengths to ensure their homes and property were protected highlighting the fact that these beliefs and fears were visceral and as far as they were concerned literally terrifying
