**Masculinities in Theory** Todd W. Reeser, 2023-01-25 The new edition of the essential textbook on masculinity and representations of masculinity in the context of gender and cultural studies Popular dialogues on gender and sexuality have evolved rapidly in recent decades and students are finding new and exciting opportunities to examine gender and sexuality from critical perspectives *Masculinities in Theory An Introduction* Second Edition synthesizes existing approaches to the study of masculinity and presents new theoretical models that enable a deeper and more nuanced investigation of the diverse forms of masculine identity In this text students are invited to investigate the constructs of masculinity they encounter in their own lives offering a way for students to parse the varied and conflicting views on masculinity they may encounter in their communities in the media and in history Now in its second edition *Masculinities in Theory* has been fully updated to bring this overview of masculinity studies up to date with modern views and contemporary contexts The text shines a light on new cases for examination drawn from popular culture and current events including the masculinities of Trump and Putin Indigenous masculinities and the influence of the Black Lives Matter movement on concepts of masculinity An entirely new chapter on trans masculinities is complemented by a thoroughly revised chapter on the experience of affective masculinities This valuable work Covers key theories applicable to gender studies in interdisciplinary humanities and social science programs Demonstrates the complex nature of masculinity from cultural and

theoretical perspectives Examines how the work of Butler Derrida Foucault and other theorists can be used to interpret and analyze masculinity Discusses feminist queer transgender post colonial and ethnic studies in relation to masculinity Offering a clear concise and comprehensive introduction to the field Masculinities in Theory Second Edition is the ideal textbook for courses on masculinity as well as general courses in gender studies sexuality studies and cultural studies It is also an excellent resource for interdisciplinary courses in literature art history film communications linguistics sociology anthropology psychology history and philosophy programs *History of World Dress and Fashion, Second Edition* Daniel Delis Hill,2022-01-13 The History of World Dress and Fashion presents a comprehensive survey of dress from around the world including China Japan India Africa the Islamic Empire and the Ancient Americas This extensive study features descriptions and analysis of men s women s and children s clothing accessories and cultural styles from prehistory into the twenty first century Lavishly illustrated in color throughout it features more than 1600 images and is a valuable resource for fashion designers theater costumers textile researchers costume collectors and curators and anyone interest in clothing and style customs of the world **Shoptimism** Lee Eisenberg,2009-11-03 In this smart engaging book Lee Eisenberg best selling author of The Number A Completely Different Way to Think about the Rest of Your Life leads us on a provocative and entertaining tour of America s love hate affair with shopping a pursuit that even in hard times remains a true national pastime Why do we shop and buy the way we do In a work that will explain much about the American character Eisenberg chronicles the dynamics of selling and buying from almost every angle Neither a cheerleader for consumption nor an anti consumerist scold he explores with boundless curiosity the vast machinery aimed at inducing us to purchase everything from hair mousse to a little black dress He leads us with understated humor into the broad universe of marketing retailing advertising and consumer and scientific research an arsenal of powerful forces that combine to form what he calls The Sell Side Through the rest of the book Eisenberg leads us through the Buy Side a journey directly into our own hearts and minds asking among other questions What are we really looking for when we buy Why are we alternately excited guilt ridden satisfied disappointed and recklessly impulsive What are our biases need for status impulses to self express that lead us individually to buy what we buy Are you a classic buyer your head wants to do the right thing or a romantic buyer your heart just wants to have fun How do men and women differ in their attitudes towards shopping and does the old cliché Women shop men buy apply any longer Of special interest are the author s findings on the subject of What Makes a Good Buy We all purchase things that we sooner or later regret but what are the guidelines for making purchases that we ll never regret What for instance defines the perfect gift Brimming with wit and surprise Shoptimism will be delightful and instructive reading for anyone with a credit card and a healthy curiosity about American culture through good times and bad For here in one vivid journey is a memorable panoramic portrait of our everyday self delusions desires and dreams *Encyclopedia of Gender in Media* Mary Kosut,2012-05-01 The media strongly influences our everyday notions of gender roles and our concepts of

gender identity The Encyclopedia of Gender in Media critically examines the role of the media in enabling facilitating or challenging the social construction of gender in our society The work addresses a variety of entertainment and news content in print and electronic media and explores the social construction of masculinity as well as femininity In addition to representations of gender within the media we also analyze gender issues related to media ownership and the media workforce Despite an abundance of textbooks anthologies and university press monographs on the topic of gender in media until now no comprehensive reference work has tackled this topic of perennial interest in student research and papers Features and benefits 150 signed entries each with Cross References and Further Readings are organized in A to Z fashion to give students easy access to the full range of topics within gender in media A thematic Reader s Guide in the front matter groups related entries by broad topical or thematic areas to make it easy for users to find related entries at a glance with themes including Discrimination Media Effects Media Modes New Media Media Portrayals Representations Biographies and more In the electronic version the Reader s Guide combines with a detailed Index and the Cross References to provide users with robust search and browse capacities A Chronology in the back matter helps students put individual events into broader historical context A Glossary provides students with concise definitions to key terms in the field A Resource Guide to classic books journals and web sites along with the Further Readings accompanying each entry helps guide students to further resources for their research journeys An Appendix provides users with a number of reports related to gender in media

**American Menswear from the Civil War to the Twenty-First Century, Second Edition** Daniel Delis Hill,2024-01-20 In a glance at American menswear over the past 150 years change has been sometimes glacial in its evolution sometimes regressive and nostalgic and other times abrupt and revolutionary In this study of American menswear from the Civil War to the twenty first century that evolution is chronicled and documented with more than 700 illustrations In addition to the main categories of suits sportswear and outerwear each era also includes a detailed examination of sleepwear underwear swimwear hats neckwear footwear and accessories Further Daniel Delis Hill examines not only American men s dress and the structures of the menswear industry but also the historical and socioeconomic drivers that affected men s style particularly the shifting conventions and iconoclasm of American ideas and ideals of masculinity

**Cultural Cinematics and Bollywood** Cyrine Kortas,Ajit Kumar,2025-05-29 Cultural Cinematics and Bollywood highlights the deeper significance of Bollywood films emphasizing their role beyond entertainment These films serve as a platform for India s soft power offering a cultural identity statement that challenges Western hegemony Bollywood resonates with global audiences particularly in the Global South where it creates a unique cultural experience For North Africans Bollywood has been a key source of information about Indian culture with themes of love class struggles and colonial history that transcend language geography and religion The vibrant visuals songs and dances appeal universally influencing audiences to embrace Indian fashion music and cuisine This book explores how Bollywood promotes Indian culture globally creating a bridge between nations and

fostering a shared cultural understanding      **The Metrosexual** David Coad,2014-02-07 How do you explain Dennis Rodman's dyed hair tattoos and pierced body parts Why are there so many athletes stripping for men's underwear ads Besides sport what do Pat Riley Alex Rodriguez and Ian Thorpe have in common And why has David Beckham been compared to Louis XIV In this fascinating exploration of past and present celebrity athletes David Coad shows how gender roles for men are undergoing a revolutionary change Once famous for their lack of style off the field professional players are now fashion conscious trendsetters Looking at certain stellar sports figures of the past such as Joe Namath and Jim Palmer who were at the vanguard of reinterpreting gender roles Coad goes on to examine their primped out and pimped out contemporary successors those athletic peacocks in their furs silks and diamonds who embody metrosexuality widen its focus and demonstrate the range of experiences open to today's male      **Men and Masculinities in Irish Cinema** D.

Ging,2012-12-03 Spanning a broad trajectory from the New Gaelic Man of post independence Ireland to the slick urban gangsters of contemporary productions this study traces a significant shift from idealistic images of Irish manhood to a much more diverse and gender politically ambiguous range of male identities on the Irish screen      *Consumer Tribes* Avi

Shankar,Bernard Cova,Robert Kozinets,2012-06-25 Marketing and consumer research has traditionally conceptualized consumers as individuals who exercise choice in the marketplace as individuals not as a class or a group However an important new perspective is now emerging that rejects the individualistic view and focuses on the reality that human life is essentially social and that who we are is an inherently social phenomenon It is the tribes the many little groups we belong to that are fundamental to our experience of life Tribal Marketing shows that it is not individual consumption of products that defines our lives but rather that this activity actually facilitates meaningful social relationships The social links social relationships are more important than the things brands etc The aim of this book is therefore to offer a systematic overview of the area that has been defined as cultures of consumption consumption microcultures brand cultures brand tribes and brand communities It is though these that students of marketing and marketing practitioners can begin to genuinely understand the real drivers of consumer behaviour It will be essential to everyone who needs to understand the new paradigm in consumer research brand management and communications management      **The Cut of His Coat** Brent

Shannon,2006-08-22 The English middle class in the late nineteenth century enjoyed an increase in the availability and variety of material goods With that the visual markers of class membership and manly behavior underwent a radical change In *The Cut of His Coat Men Dress and Consumer Culture in Britain 1860-1914* Brent Shannon examines familiar novels by authors such as George Eliot Anthony Trollope Thomas Hughes and H G Wells as well as previously unexamined etiquette manuals period advertisements and fashion monthlies to trace how new ideologies emerged as mass produced clothes sartorial markers and consumer culture began to change While Victorian literature traditionally portrayed women as having sole control of class representations through dress and manners Shannon argues that middle class men participated

vigorously in fashion Public displays of their newly acquired mannerisms hairstyles clothing and consumer goods redefined masculinity and class status for the Victorian era and beyond The Cut of His Coat probes the Victorian disavowal of men s interest in fashion and shopping to recover men s significant role in the representation of class through self presentation and consumer practices **Scanning the Hypnograph** Nathaniel Wallace,2016-09-07 Nathaniel Wallace s Scanning the Hypnograph chronicles a contemporary genre that exploits sleep s evocative dimensions While dreams sleeping nudes and other facets of the dormant state were popular with artists of the early twentieth century and long before sleep experiences have given rise to an even wider range of postmodern artwork Scanning the Hypnograph first assesses the modernist framework wherein the sleeping subject typically enjoys firm psychic grounding As postmodernism begins subjective space is fragmented the representation of sleep reflecting the trend Among other topics this book demonstrates how portrayals of dormant individuals can reveal imprints of the self Gender issues are taken up as well Mainstream heterosexual representations are considered along with depictions of gay lesbian and androgynous sleepers *The History of Men's Underwear and Swimwear, Second Edition* Daniel Delis Hill,2022-01-21 The History of Men s Underwear and Swimwear features a detailed thoroughly illustrated chronology of the development and changing styles of these two bare necessities of masculine dress Interwoven throughout the study is also an examination of how these most intimate forms of men s clothing not only reflected society but also how the evolution of styles inexorably influenced social change especially notions of masculinity modesty and erotic exhibitionism In addition Daniel Delis Hill looks at more than 100 years of the mass marketing of men s underwear and swimwear especially the progression of visual presentation and the written message in the era of mass production and mass communication Cover to cover the second edition of History of Men s Underwear and Swimwear is richly illustrated in color throughout with over 200 period photos and artwork many never published before
