Mexican Workers And The State From The Porfiriato To Nafta

Karin Hofmeester, Marcel van der Linden

Mexican Workers And The State From The Porfiriato To Nafta:

Mexican Workers and the State Norman Caulfield, 1998 Almost eighty years before the implementation of the North American Free Trade Agreement NAFTA Ricardo Flores Magón revolutionary anarchist labor organizer and expatriate nationalist challenged the prevailing social order of both Mexico and the United States Magón predicted that if Mexican workers failed to organize and shake off the yoke of capitalism the nation would soon be dominated by foreign economic interests And American workers he warned would find their firms and factories employing low wage laborers in Mexico Magón's message Mexico for Mexicans Organized labor however would never gain a strong foothold in Mexico Although the Constitution of 1917 guaranteed the right of workers to organize and strike government restrictions a historically unstable economy and meddling by the American interests including the IWW and the AFL combined to limit the effectiveness of Mexican unions Mexico for Mexicans or working class nationalism was and is little more than rhetoric In *Mexican Workers and the State* historian Norman Caulfield traces the evolution of organized labor from its radical roots during the Mexican Revolution to its present status as a mere pawn in the game of Mexican politics The implementation of NAFTA in 1993 has been beneficial to some almost one million low wage workers are employed in the maquila industries south of the border but it has also aggravated the question of workers rights Outside industries continue to play an unsettling role in the vacillating Mexican economy Ricardo Flores Magón's 1914 prediction was right Mexico has become a haven for foreign interests Material on which *Mexican Workers and the State* is based has won the Harvey Johnson Award from the Southwestern Council of Latin American Studies

NAFTA and Labor in North America Norman Caulfield, 2010 A cogent analysis of North American trade unions precipitous decline in recent decades

A Century of Chicano History Raul E. Fernandez, Gilbert G. Gonzalez, 2012-11-12 This study argues for a radically new interpretation of the origins and evolution of the ethnic Mexican community across the US This book offers a definitive account of the interdependent histories of the US and Mexico as well as the making of the Chicano population in America The authors link history to contemporary issues emphasizing the overlooked significance of late 19th and 20th century US economic expansionism to Europe in the formation of the Mexican community

The Decline of Labor Unions in Mexico during the Neoliberal Period Roberto Zepeda, 2021-01-28 This book examines the most significant factors accounting for the decline of union density during the neoliberal period focusing on the case of Mexico Union density which reflects the representation of labor unions in the employed labor force is one of the main indicators of union strength The relation of organized labor with the state and the political system are also considered The analysis is framed within a structure concentrated on cyclical structural and political institutional factors linked to labor union performance Over the last decades the transformations brought about by neoliberalism and democratization reshaped many features of the domestic political and economic model in Mexico Therefore an examination of these developments regarding the repercussions of the factors linked to union density decline is crucial

Mexican Workers and the State

Norman Caulfield, 1998 Almost eighty years before the implementation of the North American Free Trade Agreement NAFTA Ricardo Flores Magón revolutionary anarchist labor organizer and expatriate nationalist challenged the prevailing social order of both Mexico and the United States Magón predicted that if Mexican workers failed to organize and shake off the yoke of capitalism the nation would soon be dominated by foreign economic interests And American workers he warned would find their firms and factories employing low wage laborers in Mexico Magón's message Mexico for Mexicans Organized labor however would never gain a strong foothold in Mexico Although the Constitution of 1917 guaranteed the right of workers to organize and strike government restrictions a historically unstable economy and meddling by the American interests including the IWW and the AFL combined to limit the effectiveness of Mexican unions Mexico for Mexicans or working class nationalism was and is little more than rhetoric In Mexican Workers and the State historian Norman Caulfield traces the evolution of organized labor from its radical roots during the Mexican Revolution to its present status as a mere pawn in the game of Mexican politics The implementation of NAFTA in 1993 has been beneficial to some almost one million low wage workers are employed in the maquila industries south of the border but it has also aggravated the question of workers rights Outside industries continue to play an unsettling role in the vacillating Mexican economy Ricardo Flores Magón's 1914 prediction was right Mexico has become a haven for foreign interests Material on which Mexican Workers and the State is based has won the Harvey Johnson Award from the Southwestern Council of Latin American Studies

Culture of Empire Gilbert G. González, 2010-01-01 A history of the Chicano community cannot be complete without taking into account the United States domination of the Mexican economy beginning in the late nineteenth and early twentieth centuries writes Gilbert G. González For that economic conquest inspired U.S. writers to create a culture of empire that legitimated American dominance by portraying Mexicans and Mexican immigrants as childlike peons in need of foreign tutelage incapable of modernizing without Americanizing that is submitting to the control of U.S. capital So powerful was and is the culture of empire that its messages about Mexicans shaped U.S. public policy particularly in education throughout the twentieth century and even into the twenty first In this stimulating history Gilbert G. González traces the development of the culture of empire and its effects on U.S. attitudes and policies toward Mexican immigrants Following a discussion of the United States economic conquest of the Mexican economy González examines several hundred pieces of writing by American missionaries diplomats business people journalists academics travelers and others who together created the stereotype of the Mexican peon and the perception of a Mexican problem He then fully and insightfully discusses how this misinformation has shaped decades of U.S. public policy toward Mexican immigrants and the Chicano now Latino community especially in terms of the way university training of school superintendents teachers and counselors drew on this literature in forming the educational practices that have long been applied to the Mexican immigrant community

Anarchism and Syndicalism in the Colonial and Postcolonial World, 1870-1940 Steven Hirsch, Lucien van der Walt, 2010-11-11 Before communism anarchism and

syndicalism were central to labour and the Left in the colonial and postcolonial world Using studies from Africa Asia Eastern Europe and Latin America this groundbreaking volume examines the revolutionary libertarian Left s class politics and anti colonialism in the first globalization and imperialism 1870 1930

Cold War Exiles in Mexico Rebecca Mina Schreiber,2008 The onset of the Cold War in the 1940s and 1950s precipitated the exile of many U S writers artists and filmmakers to Mexico Rebecca M Schreiber illuminates the work of these cultural exiles in Mexico City and Cuernavaca and reveals how their artistic collaborations formed a vital and effective culture of resistance

Work, Protest, and Identity in Twentieth-century Latin America Vincent C. Peloso,2003 This text takes a novel approach to labor Rather than examine the labor movement labor unions and labor organizing Work Protest and Identity in Twentieth Century Latin America sets work in the context of social history in Latin America It combines a chronological approach with a topical one to clarify how work is related to other themes in daily Latin American life themes such as gender race family life ethnicity immigration politics industrial and agricultural growth and religion The essays in this collection bring together original studies and published works that illustrate the tensions and conflicts between work identity and community that caused protest to take many different forms in Latin American countries Designed to give students a better appreciation for the complexity of the lives of the wage working sectors of society and the richness of their contributions to the cultures and nations of the region Work Protest and Identity in Twentieth Century Latin America is essential for courses on the social history of Latin America state formation labor and protest and surveys of modern Latin America

[The Cambridge History of Socialism: Volume 1](#) Marcel van der Linden,2022-11-24 This volume describes the various movements and thinkers who wanted social change without state intervention It covers cases in Europe the Americas Africa and Asia The first part discusses early egalitarian experiments and ideologies in Asia Europe and the Islamic world and then moves to early socialist thinkers in Britain France and Germany The second part deals with the rise of the two main currents in socialist movements after 1848 anarchism in its multiple varieties and Marxism It also pays attention to organisational forms including the International Working Men s Association later called the First International and it then follows the further development of anarchism and its proletarian sibling revolutionary syndicalism its rise and decline from the 1870s until the 1940s on different continents The volume concludes with critical essays on anarchist transnationalism and the recent revival of anarchism and syndicalism in several parts of the world

The Xaripu Community across Borders Manuel Barajas,2009-04-17 During the past three decades there have been many studies of transnational migration Most of the scholarship has focused on one side of the border one area of labor incorporation one generation of migrants and one gender In this path breaking book Manuel Barajas presents the first cross national comparative study to examine a Mexican origin community s experience with international migration and transnationalism He presents an extended case study of the Xaripu community with home bases in both Xaripu Michoacan and Stockton California and elaborates how various forms of colonialism institutional biases and emergent forms of

domination have shaped Xaripu labor migration community formation and family experiences across the Mexican U S border for over a century Of special interest are Barajas s formal and informal interviews within the community his examination of oral histories and his participant observation in several locations Barajas asks What historical events have shaped the Xaripus migration experiences How have Xaripus been incorporated into the U S labor market How have national inequalities affected their ability to form a community across borders And how have migration settlement and employment experiences affected the family especially gender relationships on both sides of the border

Mexico Don M. Coerver, Suzanne B. Pasztor, Robert Buffington, 2004-09-22 A concise overview of 20th and 21st century Mexico this volume explores the political economic social and cultural history of the world s largest Spanish speaking country From NAFTA to narcotics from immigration to energy the ties that bind our nation and Mexico are varied and strong Mexico uncovers the real Mexico that lies behind the stereotypes of tacos tequila and tourist hotels Compiled by leading scholars of Mexican history and society its more than 150 entries examine the nation in all its fascinating contradictions and complexity This concise yet thorough study covering the last 100 years of Mexican history is the only one volume A Z reference work available to students scholars and readers curious about one of the world s most diverse and dynamic societies What was the Mexican Revolution all about Who are the Zapatistas And why do Mexicans celebrate Cinco de Mayo Mexicans are America s largest immigrant group and Mexico is America s favorite tourist destination Yet we need to learn more and understand better our fascinating neighbor to the south Mexico comprehensive and accessible is the best place to start

IBSS: Sociology: 1999 ,2000-12-07 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences

Handbook Global History of Work Karin Hofmeester, Marcel van der Linden, 2017-11-20 Coffee from East Africa wine from California chocolate from the Ivory Coast all those every day products are based on labour often produced under appalling conditions but always involving the combination of various work processes we are often not aware of What is the day to day reality for workers in various parts of the world and how was it in the past How do they work today and how did they work in the past These and many other questions comprise the field of the global history of work a young discipline that is introduced with this handbook In 8 thematic chapters this book discusses these aspects of work in a global and long term perspective paying attention to several kinds of work Convict labour slave and wage labour labour migration and workers of the textile industry but also workers organisation strikes and motivations for work are part of this first handbook of global labour history written by the most renowned scholars of the profession

Capitalist Outsiders Leslie C. Gates, 2023-04-18 Social polarization has roiled neoliberal political establishments but has rarely culminated in electoral victories for anticapitalist outsiders Instead outsiders who accommodate capitalists often prevail Capitalist Outsiders revisits celebrated exemplars of Latin American populism in Mexico and Venezuela to shed light on this phenomenon It reveals how anticorruption campaigns boosted

Mexico's neoliberal era capitalist outsider by drowning out salacious corporate scandals how Venezuela's apparently enlightened capitalist outsiders of the 1940s relied on segregationist punitive labor relations and how corporate insiders of Venezuela's neoliberal political establishment unwittingly validated the anticapitalist Hugo Chavez as the true outsider It weaves together these case studies to reveal an unlikely common origin for capitalist outsiders in both countries their sequential insertion into global oil production and Mexico's early twentieth century radical oil workers Capitalist Outsiders moves beyond cataloging populist traits and tactics or devising the institutions that might avert their rise Instead it specifies the distinct social bases of capitalist vs anticapitalist outsiders It exposes how a nation's earlier incorporation into the capitalist world economy casts a long shadow over neoliberal era outsider politics

Wobblies of the World Peter Cole, David Struthers, Kenyon Zimmer, 2017-10-20 The Industrial Workers of the World is a union unlike any other Founded in 1905 in Chicago it rapidly gained members across the world thanks to its revolutionary internationalist outlook By using powerful organising methods including direct action and direct democracy it put power in the hands of workers This philosophy is labeled as revolutionary industrial unionism and the members called affectionately Wobblies This book is the first to look at the history of the IWW from an international perspective Bringing together a group of leading scholars it includes lively accounts from a number of diverse countries including Australia Canada Mexico South Africa Sweden and Ireland which reveal a fascinating story of global anarchism syndicalism and socialism Drawing on many important figures of the movements such as Tom Barker Har Dayal Joe Hill James Larkin and William D Big Bill Haywood and exploring particular industries including shipping mining and agriculture this book describes how the IWW and its ideals travelled around the world

Making the Americas Thomas F. O'Brien, 2007-07 The author an expert on business interests in Latin America examines U.S. efforts spanning two centuries to impose economic dominance on the peoples of the Americas and the Latin American responses to these policies

Rethinking South Africa's Past Christopher J. Lee, Andrew Offenburger, 2025-03-18 This book presents key historical scholarship published in *Safundi* from 1999 to 2024 tracing South Africa's past through approaches of comparative history transnational history and visual history in addition to addressing the importance of topics like gender labor and class dynamics as well as regional historiographies The first section of the book focuses on comparative history as a founding method for *Safundi* given the journal's origins in American and South African studies while also recalibrating this approach through a variety of topics cities biographies and practices of violence rather than nation states writ large Drawing upon innovative sources of evidence the second section moves beyond the comparative method to address transnational histories as a new narrative technique for storytelling and analysis Whether issues of education immigration or visiting musicians to South Africa these chapters demonstrate the importance of a post-national approach for understanding the past The sections that follow fan out into other subject areas including the uses of visual history gender roles class cultures and environmental history all of which illuminate connections between South African

history and other parts of the world This book will be an indispensable resource for scholars students activists and policymakers as well as those readers who are generally interested in understanding South Africa s complex history over the past several centuries

Transnational Tortillas Carolina Bank Muñoz,2016-05-02 This book looks at the flip side of globalization How does a company from the Global South behave differently when it also produces in the Global North A Mexican tortilla company Tortimundo has two production facilities within a hundred miles of each other but on different sides of the U S Mexico border The workers at the two factories produce the same product with the same technology but have significantly different work realities This global factory gives Carolina Bank Mu oz an ideal opportunity to reveal how management regimes and company policy on each side of the border apply different strategies to exploit their respective workforces vulnerabilities The author s in depth ethnographic fieldwork shows that the U S factory is characterized by an immigration regime and the Mexican factory by a gender regime In the California factory managers use state policy and laws related to immigration status to pit documented and undocumented workers against each other Undocumented workers are subject to harsher punishment night shift work and lower pay In the Baja California factory managers sexually harass women who make up most of the workforce and create divisions between light and dark skinned women forcing them to compete for managerial attention which they understand equates with job security In describing and analyzing the differences in working conditions between the two plants Bank Mu oz provides important new insights into how in a globalized economy managerial strategies for labor control are determined by the interaction of state policies and labor market conditions with race gender and class at the point of production

Mexico Today Ana Paula Ambrosi,Silvia D. Zárate,Alex M. Saragoza,2012-03-09 Providing over 200 entries on politics government economics society culture and much more this two volume work brings modern Mexico to life Viva Mexico Border sharer Major trade partner Exporter of culture and citizens Tourist destination Mexico has always been of the utmost significance to the United States with the shared 2 000 mile border historical ties in mutual territory and history of Mexican labor coming north and American tourists heading south Fresh current information on Mexico the North American hotspot and gateway to Latin America is always in demand by students and general readers and travelers This is the best ready reference on the crucial topics that define Mexico today More than 200 essay entries provide quick authoritative insight into the Mexican politics and government society institutions events culture economy people issues environment and states and places Written mostly by Mexicans and Mexican Americans this set gives an accurate and wide view of the United States s dynamic southern neighbor Each entry has further reading suggestions a chronology selected bibliography and photographs complement the text

Adopting the Track of Expression: An Mental Symphony within **Mexican Workers And The State From The Porfiriato To Nafta**

In some sort of used by displays and the ceaseless chatter of instantaneous interaction, the melodic splendor and mental symphony developed by the prepared word often disappear in to the back ground, eclipsed by the persistent sound and distractions that permeate our lives. However, situated within the pages of **Mexican Workers And The State From The Porfiriato To Nafta** a charming literary treasure filled with raw feelings, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that interesting masterpiece conducts readers on a mental trip, skillfully unraveling the concealed melodies and profound impact resonating within each cautiously constructed phrase. Within the depths of this moving evaluation, we will explore the book is main harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Mexican Workers And The State From The Porfiriato To Nafta Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Mexican Workers And The State From The Porfiriato To Nafta free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Mexican Workers And The State From The Porfiriato To Nafta free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and

allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Mexican Workers And The State From The Porfiriato To Nafta free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Mexican Workers And The State From The Porfiriato To Nafta. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Mexican Workers And The State From The Porfiriato To Nafta any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Mexican Workers And The State From The Porfiriato To Nafta Books
