Paul and the Hermeneutics of Faith Francis Watson, 2015-11-19 In recent years scholars from both Christian and Jewish backgrounds have tried to rethink the

relationship between earliest Christianity and its Jewish milieu and Paul has emerged as a central figure in this debate Francis Watson contributes to this scholarly discussion by seeing Paul and his Jewish contemporaries as above all readers of scripture However different the conclusions they draw they all endeavour to make sense of the same normative scriptural texts in the belief that as they interpret the scriptural texts the texts will themselves interpret and illuminate the world of contemporary experience In that sense Paul and his contemporaries are standing on common ground Far from relativizing their differences however it is this common ground that makes such differences possible In this new edition Watson provides a comprehensive new introduction entitled A Response to My Critics in which he directly engages with the critics of the previous edition There is a substantial new Preface and two new Appendices and the text has been fully revised throughout

The International Critical Commentary on the Holy Scriptures of the Old and New Testaments: Micah, Zephaniah, Nahum, Habakkuk, Obadiah and Joel, 1911 **The Book of the Twelve**, 2020-04-28 In the last two decades research on the Book of the Twelve has shown that this corpus is not just a collection of twelve prophetic books It is rather a coherent work with a common history of formation and based upon this with an overall message and intention The individual books of the Book of the Twelve are thus part of a larger whole in which they can be interpreted in a fruitful manner The volume The Book of the Twelve Composition Reception and Interpretation features 30 articles written by renowned scholars that explore different aspects regarding the formation interpretation and reception of the Book of the Twelve as a literary unity Hosea, Joel, Amos, Obadiah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Malachi Witness Lee, 1992 **Balancing the Books** Michael Bentley, 2015 The prophecies of Micah and Nahum were delivered to the people of the southern kingdom of Judah although Nahum's message came about one hundred years after Micah Both were given under the shadow of the threat of invasion from the mighty Assyrian empire which had already taken captive Judah's northern neighbour Israel In calling the people to repentance Micah denounces idolatry and hollow ritualism as well as violence covetousness and the exploitation of the poor by the rich The task of Nahum was to predict that the days of Nineveh the capital of Assyria were numbered These were solemn warnings but with them came messages of hope for God's people as Nahum predicts the final downfall of those who oppress them while Micah speaks clearly of the coming Messiah who would be born in Bethlehem and who would come to reign in righteousness Micah proclaims the pardoning God who delights to show mercy In this commentary Michael Bentley shows that these prophecies are still relevant for God's people today The Lord is still in control over the nations and the lives of individuals and one day he will balance the books as all will have to give an account of themselves to him Yet for those who trust in him he is still to use Nahum's words a refuge in times of trouble and the messenger is still one who brings good news who proclaims peace *The Catholic Study Bible* Donald Senior, John Joseph Collins, Mary Ann Getty-Sullivan, 2011 This landmark resource now available in the NABRE translation contains all the authoritative study notes expanded essays and informational sidebars for which it is known and trusted The

In *The Father and Son*, the ninth installment in his *Encounters with Jesus* eBook series, Jesus' ascension into Heaven, the end of his earthly life, is one of the most puzzling moments in the Gospels. It marks the moment when Jesus was no longer limited to a specific point in space and time. In *The Father and Son*, Timothy Keller, pastor of New York's Redeemer Presbyterian Church and New York Times bestselling author of *The Reason for God*, explains why this means our encounters with Jesus can be richer now that he is available to us in all times and places.
