Michael Bakunin Roots Of Apocalypse

Douglas Moggach

Michael Bakunin Roots Of Apocalypse:

Michael Bakunin Arthur P. Mendel, 1981 Mikhail Bakunin Paul McLaughlin, 2002 McLaughlin is concerned not so much with an explication of Bakunin's anarchist position as such as with the basic philosophy which underpins it. He focuses on two central components: a negative dialectic or revolutionary logic and a naturalist ontology, a naturalistic account of the structure of being or reality. Bakunin scholarship, he notes, falls into two camps: Marxist and liberal. Both, he says, tend to be hostile. McLaughlin discredits one by one the analyses published usually as part of a work on Marx et al. by Francis Wheen: schoolboy wit, idiocy of tone, poverty of content. George Lichtheim completely misreads Bakunin, and Oxbridge scholar Aileen Kelly's personality assassination is perverse and slanderous while upholding Eric Voegelin. Perhaps this book will spark a small revolution of its own. Scholars interested in Bakunin have had few resources available in English and none of them until now presented a credible study of the man's philosophy.

Bakunin Mark Leier, 2007-04-01 Bakunin not only reassesses this fascinating and important character but also provides the biography of the forgotten ideology of anarchism itself. Simon Sebag Montefiore, author of *Stalin: The Court of the Red Tsar*, "The passion for destruction is a creative passion," wrote the anarchist Mikhail Bakunin in 1842. Since then, the popular image of anarchism has been one of violence and terror. But this picture is wildly misleading, and the media has done more to obscure anarchism than to explain it. Focusing on the street fighting and confrontations with police, mainstream commentators are unable to understand what anarchism is or why a philosophy with roots in the nineteenth century has resurfaced with such power at the dawn of the new millennium. To understand anarchism, it is necessary to go beyond the caricature presented by the media. In this new biography of Mikhail Bakunin, Mark Leier traces the life and ideas of anarchism's first major thinker and, in the process, revealing the origins of the movement. There was little in Bakunin's background to suggest that he would grow up to be anything other than a loyal subject of the Russian Empire. Instead, he became one of the most notorious radicals of the nineteenth century, devoting his life to the destruction of the tsar and feudalism, capitalism, the state, even God. In the process, he became a historical actor and political thinker whose ideas continue to influence world events. Bakunin is of keen interest these days, though the attention paid to his image continues to obscure the man and his ideas. Using archival sources and the most recent scholarship, Leier corrects many of the popular misconceptions about Bakunin and his ideas, offering a fresh interpretation of Bakunin's life and thoughts of use to those interested in understanding anarchism and social change. Arguing for the relevance and importance of anarchism to our present world, Leier sheds light on the nineteenth century as well as on today's headlines as he examines a political philosophy that has inspired mass movements and contemporary social critics. Mark Leier shows that the passion for destruction is a call to build a new world free of oppression, not a cult of violence. He argues that anarchism is a philosophy of morality and solidarity based not on wishful thinking or naive beliefs about the goodness of humanity but on a practical radical critique of wealth and power. By studying Bakunin, we can learn a great deal about our own time and begin

to recover a world of possibility and promise It is often said that we are all anarchists at heart This book explains why

Bakunin: Statism and Anarchy Michael Bakunin, 1990-11-30 Statism and Anarchy is a complete English translation of the last work by the great Russian anarchist Michael Bakunin written in 1873 Then he assails the Marxist alternative predicting that a dictatorship of the proletariat will in fact be a dictatorship over the proletariat and will produce a new class of socialist rulers Instead he outlines his vision of an anarchist society and identifies the social forces he believes will achieve an anarchist revolution Statism and Anarchy had an immediate influence on the to the people movement of Russian populism and Bakunin s ideas inspired significant anarchist movements in Spain Italy Russia and elsewhere In a lucid introduction Marshall Shatz locates Bakunin in his immediate historical and intellectual context and assesses the impact of his ideas on the wider development of European radical thought A guide to further reading and chronology of events are also appended as aids to students encountering Bakunin s thought for the first time Bakunin: Statism and Anarchy Mikhail

Aleksandrovich Bakunin, 1990-11-30 Statism and Anarchy is a complete English translation of the last work by the great Russian anarchist Michael Bakunin written in 1873 Then he assails the Marxist alternative predicting that a dictatorship of the proletariat will in fact be a dictatorship over the proletariat and will produce a new class of socialist rulers Instead he outlines his vision of an anarchist society and identifies the social forces he believes will achieve an anarchist revolution Statism and Anarchy had an immediate influence on the to the people movement of Russian populism and Bakunin s ideas inspired significant anarchist movements in Spain Italy Russia and elsewhere In a lucid introduction Marshall Shatz locates Bakunin in his immediate historical and intellectual context and assesses the impact of his ideas on the wider development of European radical thought A guide to further reading and chronology of events are also appended as aids to students encountering Bakunin s thought for the first time **Across the Revolutionary Divide** Theodore R. Weeks, 2011-06-24

Across the Revolutionary Divide Russia and the USSR 1861 1945 offers a broad interpretive account of Russian history from the emancipation of the serfs to the end of World War II Provides a coherent overview of Russia s development from 1861 through to 1945 Reflects the latest scholarship by taking a thematic approach to Russian history and bridging the revolutionary divide of 1917 Covers political economic cultural and everyday life issues during a period of major changes in Russian history Addresses throughout the diversity of national groups cultures and religions in the Russian Empire and USSR Shows how the radical policies adopted after 1917 both changed Russia and perpetuated an economic and political rigidity that continues to influence modern society Vision and Violence Arthur P. Mendel, 1999 Arthur P Mendel argues that

throughout history man has worried about the Apocalypse a phenomenon that has changed from God to reason to history and then to nature He calls for a more modest and humane philosophy with regard to the Earth The Drama of Russian Political History Aleksandr Valentinovich Obolonskiĭ, 2003 In his introduction Alexander Obolonsky notes that Russian history and life are full of paradoxes most of them rather sad Why he asks have the Russians who have not only been endowed by

nature with enormous natural human and intellectual resources but who have also developed a great literary and scientific heritage and made significant contributions to world civilization proved unable to arrange the conditions of their own existence to realize their great potential What fundamental deficiency he wonders made this great anomaly possible Alexander Obolonsky has undertaken the formidable task of reinterpreting Russian history from the Time of Troubles and the reign of Ivan the Terrible to perestroika glasnost and the dismantling of the Soviet system under Gorbachev and Yeltsin He seeks to understand the present and assess the social trends that will shape the future through a careful reconsideration of Russia's past In his sweeping analyses of historical trends Obolonsky structures his analytic narrative around two opposed concepts a system centered understanding of social existence in which individuals are viewed as cogs functioning for the sake of the whole and a liberal person centered paradigm in which society seeks to promote the development of the individual Obolonsky distrusts all monistic explanations from Marxism and geopolitics to scientific and technological models He prefers to utilize a variety of variables ethical economic sociopsychological cultural to explain Russian history presenting its course as a long term and ongoing struggle between two competing models of life Obolonsky is neither a determinist nor a romantic In his thought provoking and historically grounded analysis he challenges standard interpretations regarding Russia the USSR the role of political leaders and the Russian people Far from satisfied with Russia's past Obolonsky worries that Russia's future will be tainted by the persistence of an anti individualist mentality and attitudes shaped by centuries of autocratic rule and by a conservative mass consciousness rooted in Russian experience Students of Russian history politics and culture and also those interested in the broader issues of twentieth century society will find this informative magnum opus of a senior Russian scholar insightful and thought provoking [A History Of Russia Volume 2](#) Walter G.

Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world **Ruminations: Selected Philosophical, Historical, and Ideological Papers, Volume 1, Part 2. The Finite**

Eric v.d. Luft, 2020-09-13 Since the 1970s I have pursued three separate but overlapping and sometimes simultaneous careers 1 philosopher writer teacher historian of the long nineteenth century 1789-1914 2 editor translator photographer publisher biographer encyclopedist 3 cataloging librarian rare books and special collections librarian historian of medicine Somehow these three vocations have garnered me some acclaim even an entry in Who's Who in America Each of them has resulted in some published or presented works Because these works have been scattered in a wide variety of venues some of which have gone out of print or have otherwise become generally unavailable and of course with the oral presentations being gone as soon as they are given I have thought it wise to select epitomize and bring them together in one place here Thus

what follows in these volumes is what I consider to be the most important of my shorter works All translations are my own unless otherwise indicated **Russia and Western Civilization** Russell Bova,2015-02-12 This volume introduces readers to an age old question that has perplexed both Russians and Westerners Is Russia the eastern flank of Europe Or is it really the heartland of another civilization In exploring this question the authors present a sweeping survey of cultural religious political and economic developments in Russia especially over the nineteenth and twentieth centuries Based on the interdisciplinary Russian studies program at Dickinson College this splendid collection will complement many curricula The text features highlight boxes and selected illustrations Each chapter ends with a glossary study questions and a reading list

Anarchist Ideology and the Working-Class Movement in Spain, 1868-1898 George R. Esenwein,2023-11-15 This book delves into the rich history of Spanish anarchism tracing its development from its early roots in the late 19th century through the Spanish Civil War Often viewed through a lens of revolution violence and rural rebellion Spanish anarchism has long captivated historians and students of European history While much focus has been placed on the period from 1936 1939 this work turns its attention to the often overlooked earlier stages particularly the late 19th century By examining this complex movement the book challenges long standing interpretations that frame Spanish anarchism as merely a millenarian or pre political ideology offering instead a nuanced understanding of its evolution and ideological framework Drawing on both historical and ideological perspectives this study breaks new ground by questioning the prevailing millenarian thesis and providing a closer look at the intellectual and political dimensions of the movement From the influence of figures like Bakunin and the rise of syndicalism to the profound shifts in strategy and tactics within the anarchist movement the book explores how anarchism carved out a unique space in Spain s political landscape This comprehensive approach highlights the diversity of anarchism s adherents from landless laborers to middle class intellectuals and its lasting impact on Spain s political history This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 **Political Economy from Below** Rob Knowles,2017-07-05 Communitarian anarchism is a generic form of socialism that denies the need for a state or any other authority over the individual from above and which requires absolute belief that the individual cannot exist outside of a community of others This book suggests that the communitarian anarchists of the nineteenth century developed and articulated a distinct tradition of economic thought The period of this study begins with the first major writing of the French communitarian anarchist Pierre Joseph Proudhon in 1840 and ends with the temporary burial of anarchist theorizing at the beginning of the First World War in 1914 However he tradition of communitarian anarchist economic thought did not end in 1914 The economic thought explored in this book provides a fresh perception of the fragmentation evident in many societies today especially where there is a substantial

informal economy **Garibaldi's Radical Legacy** Enrico Acciai, 2020-11-29 Between the two world wars thousands of European antifascists were pushed to act by the political circumstances of the time In that context the Spanish Civil War and the armed resistances during the Second World War involved particularly large numbers of transnational fighters The need to fight fascism wherever it presented itself was undoubtedly the main motivation behind these fighters decision to mobilise Despite all this however not enough attention has been paid to the fact that some of these volunteers felt they were the last exponents of a tradition of armed volunteering which in their case originated in the nineteenth century The capacity of war volunteering to endure and persist over time has rarely been investigated in historiography The aim of this book is to reconstruct the radical and transnational tradition of war volunteering connected to Giuseppe Garibaldi s legacy in Southern Europe between the unification of Italy 1861 and the end of the Second World War 1945 This book seeks to provide a comprehensive analysis of the long term interconnected and radical dimensions of the so called Garibaldinism *War in Heaven/Heaven on Earth* Stephen D. O'Leary, Geln S. McGhee, 2014-12-18 The apocalypse is a motif that lies behind many religious beliefs and practices War in Heaven Heaven on Earth theorizes the apocalyptic as it has arisen in a variety of religious traditions from Native American religion to Islam in Northern Nigeria and new terrorist movements Millennial theory and history are explored from the perspective of social psychology sociology and post modern philosophy The volume is unique in applying an analysis of millennial themes to a comparative study of religion Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989 *Red Flag Wounded* Ronald Suny, 2020-08-25 Red Flag Wounded brings together essays covering the controversies and debates over the fraught history of the Soviet Union from the revolution to its disintegration Those monumental years were marked not only by violence mass killing and the brutal overturning of a peasant society but also by the modernisation and industrialisation of the largest country in the world the victory over fascism and the slow recovery of society after the nightmare of Stalinism Ronald Grigor Suny is one of the most prominent experts on the revolution the fate of the non Russian peoples of the Soviet empire and the twists and turns of Western historiography of the Soviet experience As a biographer of Stalin and a long time commentator on Russian and Soviet affairs he brings novel insights to a history that has been misunderstood and deliberately distorted in the public sphere For a fresh look at a story that affects our world today this is the place to begin Anarchism and Authority Mr Paul McLaughlin, 2012-10-01 Examining the political theory of anarchism from a philosophical and historical perspective Paul McLaughlin relates anarchism to the fundamental ethical and political problem of authority The book pays particular attention to the authority of the state and the anarchist rejection of all traditional claims made for the legitimacy of state authority the author both explaining and defending the central tenets of the anarchist critique of the state The founding works of anarchist thought by Godwin Proudhon and Stirner are explored and anarchism is examined in its historical context including the influence of such events as the Enlightenment and the French Revolution on anarchist thought Finally the

major theoretical developments of anarchism from the late nineteenth century to the present are summarized and evaluated This book is both a highly readable account of the development of anarchist thinking and a lucid and well reasoned defence of the anarchist philosophy

Anarchism and Authority Paul McLaughlin, 2016-04-15 Examining the political theory of anarchism from a philosophical and historical perspective Paul McLaughlin relates anarchism to the fundamental ethical and political problem of authority The book pays particular attention to the authority of the state and the anarchist rejection of all traditional claims made for the legitimacy of state authority the author both explaining and defending the central tenets of the anarchist critique of the state The founding works of anarchist thought by Godwin Proudhon and Stirner are explored and anarchism is examined in its historical context including the influence of such events as the Enlightenment and the French Revolution on anarchist thought Finally the major theoretical developments of anarchism from the late nineteenth century to the present are summarized and evaluated This book is both a highly readable account of the development of anarchist thinking and a lucid and well reasoned defence of the anarchist philosophy

The New Hegelians Douglas Moggach, 2006-03-27 The period leading up to the Revolutions of 1848 was a seminal moment in the history of political thought demarcating the ideological currents and defining the problems of freedom and social cohesion which are among the key issues of modern politics This 2006 anthology offers research on Hegel's followers in the 1830s and 1840s With essays by philosophers political scientists and historians from Europe and North America it pays special attention to questions of state power the economy poverty and labour as well as to ideas on freedom The book examines the political and social thought of Eduard Gans Ludwig Feuerbach Max Stirner Bruno and Edgar Bauer the young Engels and Marx It places them in the context of Hegel's philosophy the Enlightenment Kant the French Revolution industrialization and urban poverty It also views Marx and Engels in relation to their contemporaries and interlocutors in the Hegelian school

Michael Bakunin Roots Of Apocalypse Introduction

In today's digital age, the availability of Michael Bakunin Roots Of Apocalypse books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Michael Bakunin Roots Of Apocalypse books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Michael Bakunin Roots Of Apocalypse books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Michael Bakunin Roots Of Apocalypse versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Michael Bakunin Roots Of Apocalypse books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Michael Bakunin Roots Of Apocalypse books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Michael Bakunin Roots Of Apocalypse books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Michael Bakunin Roots Of Apocalypse books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Michael Bakunin Roots Of Apocalypse books and manuals for download and embark on your journey of knowledge?

FAQs About Michael Bakunin Roots Of Apocalypse Books

What is a Michael Bakunin Roots Of Apocalypse PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Michael Bakunin Roots Of Apocalypse PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Michael Bakunin Roots Of Apocalypse PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Michael Bakunin Roots Of Apocalypse PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I**

password-protect a Michael Bakunin Roots Of Apocalypse PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
