country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Paper Trail Michael Dorris,1994 The bestselling author of *The Broken Cord* and *Yellow Raft in Blue Water* presents an engaging and masterful collection of essays that offers readers the opportunity to spend time with one of the most engaging minds of the contemporary literary scene Highly recommended Library Journal **Outside the Law** Susan Shreve,Porter Shreve,1997 Seventeen original pieces of writing that use powerful storytelling to define justice to give it a face and to show how it affects the lives of every one of us Includes contributions from Julia Alvarez Richard Bausch Madison Smartt Bell Blanche McCrary Boyd John Casey Michael Dorris Garrett Hongo Charles Johnson Alex Kotlowitz Beverly Lowry Martha Minow Clarence Page Sarah Pettit Ntozake Shange Susan Richards Shreve Gerald M Stern Daniel J Wideman and John Edgar Wideman *Michael Dorris Papers* Michael Dorris,Mary Burkhardt Dorris,Marion Koivisto,1971 The papers of Michael Dorris author and professor contain drafts and galley proofs of *The broken cord* *A yellow raft in blue water* and *The crown of Columbus* They also contain materials related to fetal alcohol syndrome and correspondence related to his books and to the television adaptation of *The broken cord* Additionally the papers include letters to Dorris mother and aunt Marion notes and papers concerning his teaching career at Dartmouth College **Little House, Long Shadow** Anita Clair Fellman,2008-05-21 Beyond their status as classic children's stories Laura Ingalls Wilder's *Little House* books play a significant role in American culture that most people cannot begin to appreciate Millions of children have sampled the books in school played out the roles of Laura and Mary or visited Wilder homesites with their parents who may be fans themselves Yet as Anita Clair Fellman shows there is even more to this magical series with its clear emotional appeal a covert political message that made many readers comfortable with the resurgence of conservatism in the Reagan years and beyond In *Little House Long Shadow* a leading Wilder scholar offers a fresh interpretation of the *Little House* books that examines how this beloved body of children's literature found its way into many facets of our culture and consciousness even influencing the responsiveness of Americans to particular political views Because both Wilder and her daughter Rose Wilder Lane opposed the New Deal programs being implemented during the period in which they wrote their books reflect their use of family history as an argument against the state's protection of individuals from economic uncertainty Their writing emphasized the isolation of the Ingalls family and the family's resilience in the face of crises and consistently equated self sufficiency with family acceptance security and warmth Fellman argues that the popularity of these books abetted by Lane's overtly libertarian views helped lay the groundwork for a negative response to big government and a positive view of political individualism contributing to the acceptance of contemporary conservatism while perpetuating a mythic West Beyond tracing the emergence of this influence in the relationship between Wilder and her daughter Fellman explores the continuing presence of the books and their message in modern cultural

institutions from classrooms to tourism newspaper editorials to Internet message boards Little House Long Shadow shows how ostensibly apolitical artifacts of popular culture can help explain shifts in political assumptions It is a pioneering look at the dissemination of books in our culture that expands the discussion of recent political transformations and suggests that sources other than political rhetoric have contributed to Americans renewed appreciation of individualist ideals *The Tribe of Pyn* David Cowart,2015-12-02 A study of generational inheritance engagement and cross fertilization in the landscape of literary postmodernism Encyclopedia of the American Novel Abby H.
