The Fascist Faith of the Legion "Archangel Michael" in Romania, 1927-1941 Constantin Iordachi, 2022-12-30 The Fascist Faith of the Legion Archangel Michael in Romania 1927 1941 engages critically with recent works on fascism totalitarianism and religion and advances an original theoretical and methodological approach to fascism as a political faith On this basis the book constructs an innovative comparative research framework for reconceptualizing the history of the Legion Archangel Michael in Romania 1927 1941 It contends that the Legion put forward a palingenetic political faith of a theological type called Legionarism To provide a comprehensive analysis of the origins main features mechanisms of institutionalization and demise of this self proclaimed salvific political faith the book documents the palingenetic foundations of the Legionary faith the syncretism between fascist and Christian rites and rituals and the intricate relationship between the Legion and the Orthodox Church and its dogma The book documents three main sacrificial strategies employed by the Legion to re evangelize the people in the new faith 1 the appropriation of the cult of the fallen soldiers 2 terrorist missions meant to create fascist heroes through violent sacrifice and 3 sanctification through heroic fight for Christianity in the Spanish Civil War in an attempt to link Legionarism with the transnational crusade against Judeo Bolshevism As well as providing a detailed historical and interpretive account of the Legion the book makes a significant contribution to debates about defining fascism and its relation to religion It also provides novel comparative perspectives for studying other attempts at constructing fascist faiths in interwar Europe most notably in Fascist Italy and Nazi Germany but also in Central and Eastern Europe This book will be of interest to students and scholars of fascism Romanian studies politics and religion political theory totalitarianism youth radicalization violence and the emergence of terrorism [Michael of Romania](#) Ivor Porter, 2005-01-01 This is the first biography of King Michael of Romania for many years Based on royal archives Queen Helen s unpublished diaries sources in Romania and interviews with King Michael Queen Helen and Crown Princess Margarita it integrates the story of Michael with that of the country which he once ruled and which he once tried to save during the Second World War After refusing to be a puppet to give legitimacy to the regime Hitler had set up in Romania he led a coup d etat against the Germans which shortened the war and postponed the communist dictatorship of his country For three years from 1944 7 with the Soviet army in occupation the Western Allies unable to help and the two main democratic parties virtually destroyed he hung on grimly to some degree of constitutional democracy until Stalin showed his hand affection and support by the Romanian people When he returned in 1996 he told them I love you Don t forget that [LIFE](#) ,1948-01-12 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Crown** **Against Sickle** Arthur Stanley Gould Lee, 1950 **Romania** Lucian Boia, 2001 Romania occupies a unique position on the

Romania Stephen Roper,2004-08-02 The Romanian revolution was motivated by a desire for greater political and intellectual freedom and economic prosperity It was the bloodiest of the eastern European transitions due to Ceausescu s cult of personality However many of the goals of the revolution are still unfulfilled The lack of civil society charges of political corruption the failure to transform the economy and concerns over the protection of ethnic minority rights are all factors in Romania s failure to become a fully integrated European country Tracing the country s political history and examining Romania s postcommunist politics economic transition and foreign policy this book contemplates the prospects for this country as it enters the twenty first century

A Short History of Romania James

Samuelson,2018-03-04 Although the earliest authentic records of Romania or more correctly speaking of Dacia the Roman province which embraced Romania Transylvania and some adjoining territories of to day do not reach further back than about the century immediately preceding the Christian era a good deal of information is to be gathered from the writings of Herodotus Dion Cassius and other early historians regarding the Get the race from whom the Dacians sprang The Get were in all probability a branch of the Thracians who were amongst the earliest immigrants from the East and for some time before they appeared in Dacia which was situated on the northern side of the Danube or Ister as it was called by the Romans they had settled between the south bank of that river and the Balkans Mount H mus of the Romans About the fourth century b c however the Get had crossed the river either driven north by an inimical neighbouring tribe the Triballi or in consequence of the growth of the nation itself When they were first encountered by the Greeks they occupied the eastern part of Dacia reaching probably to one portion of the Black Sea and some account of them is given by Ovid who was exiled to their vicinity but little is known of them until they came in contact with the Roman armies The Get have little direct interest for us but as we find associated with them the names of Philip of Macedon Alexander the Great and Lysimachus a few words concerning their connection with those heroes may not be out of place and will at least serve to fix a period in the history of the people
