Michaels Discovery:

Sounds of Defiance Alan Charles Rosen, 2005-01-01 Language has frequently been at the center of discussions about Holocaust writing Yet English a primary language of neither the persecutors nor the victims has generally been viewed as marginal to the events of the Holocaust Alan Rosen argues that this marginal status profoundly affects writing on the Holocaust in English and fundamentally shapes our understanding of the events *Sounds of Defiance* chronicles the evolving status of English in writing about the Holocaust from the period of the Second World War to the 1990s Each chapter highlights a representative work from a different genre psychology sociology memoir tales fiction and film and examines the special position of English with regard to the Holocaust supported by references to the role of other languages including Hebrew Yiddish and German This original approach provides a new perspective on such standard works as Eichmann in Jerusalem *The Shawl* and *Maus* while drawing attention to others largely unknown Rosen also links this analysis of English writing to developments in the postwar period the escalating production of writing on the Holocaust in English the increasing prestige of English as a global language and paradoxically within the contexts of neocolonial and multilingual studies the increasingly uncertain position of English

Madness Derek E. Dykes, 2010-03-04 In 2054 America has changed by necessity safe areas have been established to combat internal terrorism Their creation had the side effect of literally burying older places in dark zones forgotten places of crime and murder hidden under the raised platforms of the new cities For Ellyandra Dyett the zones are just part of her job with the FBI but all that changes when the discovery of a desiccated corpse murdered over 40 years before leads Ellyandra Dyett and her team of criminologists through a web of torture deceit and multiple murders When new murders are tied to the old Ellie finds herself targeted by a madman and begins to find that she too is slipping into madness *MADNESS* is the first full length novel by Derek E Dykes Filled with Alabama landmarks and a dash of southern history *MADNESS* unfolds through the eyes of Ellyandra Dyett an FBI Criminologist who stumbles upon a horrific secret Set in 2054 in a reorganized society Derek shows us a world that while frightfully different in many ways seems all too plausible for an alternate near future
