BCE a victory made possible by the Macedonians appropriation of Greek innovations After Alexander s death battle hardened warlords fought ruthlessly over the remnants of his empire But Greek cities remained populous and wealthy their economy and culture surviving to be passed on to the Romans and to us A compelling narrative filled with uncanny modern parallels this is a book for anyone interested in how great civilizations are born and die This book is based on evidence available on a new interactive website To learn more please visit <http://polis.stanford.edu> *Masculinity and Monstrosity in Contemporary Hollywood Films* K.
