Modern European History, 1789-1973 Herbert Leonard Peacock, Boris Weltman, 1973 **The Routledge Companion to Early Modern Europe, 1453-1763** Chris Cook, Philip Broadhead, 2012-10-02 This compact and highly accessible work of reference covers the broad sweep of events as Europe transformed during the period from the Renaissance to the Enlightenment This Companion examines the centuries that saw the Reformation and Counter Reformation the expansion of Europe and the beginnings of imperialism and enormous changes in the way government and kingship were conducted With a wealth of chronologies tables family trees and maps this handy book is an indispensable resource for all students and teachers of early modern history **Europe's Uncertain Path 1814-1914** R. S. Alexander, 2012-01-30 Europe's Uncertain Path is an introduction to Europe's turbulent history from 1814 to 1914 It presents a clear narrative of the major political events set against the backdrop of social economic and cultural change An introduction to Europe's turbulent history from 1814 to 1914 Provides students with a solid grounding in the main political events and social changes of the period Explains the causes and outcomes of major events the effect of the emergence of mass politics the evolution of political ideologies and the link between foreign and domestic policy Offers balanced coverage of Eastern Western and Central Europe Illustrations maps and figures enhance student understanding *Themes in Modern European History 1780-1830* Pamela Pilbeam, 2012-08-21 Themes in Modern European History 1780 1830 is an authoritative and lively exploration of a period dominated by events which have shaped modern Europe In a series of articles six leading academics present some controversial conclusions the east west contrast in Europe today has more to do with responses to the French Revolution of 1789 than the Russian Revolution of 1917 the conservative Europe of 1814 was the product of the Romantic imagination not a Restoration of the old regime Spanning political social economic and demographic facets of revolutions this is an indispensable textbook for all students of the nineteenth century and for all those interested in understanding the nature of Europe today *Russia and Eastern Europe, 1789-1985* Raymond Pearson, 1989 *Moving Europeans, Second Edition* Leslie Page Moch, 2009-09-18 Praise for the first edition By far the best general book on its subject Moving Europeans will remain a standard reference for some time to come Charles Tilly Moch has reconceived the social history of Europe David Levine Moving Europeans tells the story of the vast movements of people throughout Europe and examines the links between human mobility and the fundamental changes that transformed European life This update of a classic text describes the Western European migration from the pre industrial era to the year 2000 For this new edition Leslie Page Moch reconsiders the 20th century in light of fundamental changes in labor years of conflict and the new migrations following the end of colonial empires the fall of communism and globalization This new edition also features a greatly expanded and up to date bibliography Modern European history Herbert L. Peacock, 1975 **Modern European History 1871-2000** David Welch, 2003-07-13 Modern European History brings together a unique selection of documents covering the period from 1871

to 2000 The collection is organised by topic and a clear historical context and chronological chart provide background for each section This second edition brings the book up to date and includes such key themes in European history as Bismarck and Imperial Germany the Russian Revolution the origins and aftermath of the First and Second World Wars Fascist Italy and Nazi Germany The Spanish Civil War The Cold War European Integration 1945 1999 Containing documents such as extracts from diaries speeches treaties poetry radio broadcasts photographs cartoons political posters and propaganda this is an essential resource for students of modern British and European history

The French Book Trade in Enlightenment Europe II Simon Burrows, 2018-08-09 This is a rich and path breaking comparative study of reading tastes in the final years of old regime Europe Based on extensive research in the account books of the Swiss publishers the Soci t  Typographique de Neuch tel STN and related archives it charts the dissemination of literature and reading tastes across Europe in the years leading up to the French revolution In the process it recasts our understanding of late 18th century print culture and the contours of the enlightenment The fruit of a widely acclaimed five year database project the STN database it is also a story of pioneering efforts to apply the latest digital technology and GIS mapping techniques to traditional historical and bibliographic problems Although written to serve as a standalone study this book is ideally complemented by its companion volume Mark Curran s *The French Book Trade in Enlightenment Europe I Selling Enlightenment* which offers a radical reinterpretation of the structure and practices of the European book trade The STN database is now recognised as a cutting edge digital project of global significance Robert Darnton has called it a prodigious accomplishment and a joy to use while Jeremy Popkin adds No one working in the field of French Enlightenment studies can afford to ignore the rich mine of data that Simon Burrows and his collaborators have made accessible in an eminently usable form and the new possibilities it opens up for scholars The French Book Trade in Enlightenment Europe I and II offer a roadmap of that data and what it can show us

Simon Rofe, 2012-08-06 This innovative new textbook seeks to provide undergraduate students of international relations with valuable and relevant historical context bridging the gap and offering a genuinely interdisciplinary approach Each chapter integrates both historical analysis and literature and applies this to an international relations context in an accessible fashion allowing students to understand the historical context in which these core issues have developed The book is organised thematically around the key issues in international relations such as war peace sovereignty identity empire and international organisations Each chapter provides an overview of the main historical context theories and literature in each area and applies this to the study of international relations Providing a fresh approach this work will be essential reading for all students of international relations and international relations theory

Gustavus v Wallenstein John Pike, 2024-05-30 Explore the epic conflict and contrasting leadership styles of King Gustavus Adolphus of Sweden and Albrecht von Wallenstein Duke of Friedland two titanic figures in the Thirty Years War whose strategic brilliance and dramatic deaths shaped the course of modern warfare analyzed in vivid detail by the author The conflict personal rivalry and contrast in personality generalship and command between the two iconic commanders in the Thirty Years War King Gustavus Adolphus of Sweden for the Protestant powers and Albrecht von Wallenstein Duke of Friedland More than just commanders at the tactical level they were statesmen military organizers and strategists on a continental scale Both commanders represented the 17th century military revolution in action The writing is vivid graphic and detailed without overloading and readers can feel involved in the action from strategic planning to battlefield tactics and even the melee Both generals are titanic figures come and their respective deaths Gustavus heroically in battle and Wallenstein murdered with the Emperor's compliance were dramatic highpoints in the long war This is no hagiography and the author analyses the contrasting reputations of two of the greatest military figures in modern history and analyses mistakes as well their triumphs Both commanders understanding of the role of the modern state and finance as vital factors in the military revolution and

modern warfare A major contrast was Gustavus's constant search for the tactical and strategic initiative compared to Wallenstein's caution and patience and development of counter punch defensive tactics Exceptional for the period a young warrior like an Alexander Gustavus excelled in inspired battlefield leadership even at huge risk Despite his death at Lutzen in 1632 he and his steadfast chancellor Oxenstierna had decisively defeated the Emperor's attempt to subjugate the Empire and introduce the Catholic counter reformation Gustavus contributed hugely to the ending of Habsburg supremacy while advancing new concepts in modern war His death ushered in his acolytes including generals Baner Saxe Weimar and Torstensson Gustavus or Wallenstein the greater of the two The reader must judge but Napoleon included Gustavus in his list of ten greats with Julius Caesar Hannibal Barca and Alexander the Great
