Modern Law Of Estoppel:

The Modern Law of Estoppel Elizabeth Cooke,2000 The law of estoppel might be called the law of consistency which obliges people to stand by things they have said This book examines how the law has tried to deal with this issue **A Treatise on the Law of Estoppel and its Application in Practice** Melville M. Bigelow,2025-08-29 Reprint of the original first published in 1872 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **A Treatise on the Law of Estoppel and Its Application in Practice** Melville Madison Bigelow,1872 **A Treatise on the Law of Estoppel Or of Incontestable Rights** Melville Madison Bigelow,1913 **The Law of Estoppel** Michael Barnes KC,2020-02-20 This work contains within a single book an account of all the forms of estoppel in operation today including estoppel by record res iudicata as well as of the associated doctrine of election There can be few practitioners who do not at some time have to engage with estoppel Estoppel applies across all or nearly all English civil law In explaining each form of estoppel an attempt is made to state the main elements which have to be proved to establish the estoppel and then to detail each element with its various components At the end of each chapter a brief summary of the estoppel is included so as to guide practitioners and others to any question important in any particular case The law of estoppel has considerably advanced over recent decades and over the last 10 years alone there have been major changes such as the clarification of the previously uncertain boundaries of proprietary estoppel a statement of the exceptions to the principles of res iudicata and the extension law as well as of fact These and other subjects are explained in full **A Treatise on the Law of Estoppel and Its Application in Practice ... Second Edition** Melville Madison BIGELOW,1876 **The Law of Estoppel in British India** Arthur Caspersz,1893 **The Law of Waiver, Variation and Estoppel** Sean Wilken,Karim Ghaly,2012-02-02 Providing practical guidance on these complex doctrines this book analyses their constituent elements and considers the juridical foundation and relationship with other areas of law and other application in various aspects of commercial law **Textbook on The Law of Evidence** M. Monir, **Contractual Estoppel** Alexander Trukhtanov,2017-07-20 This book is the first comprehensive account of contractual estoppel Contractual estoppel is a new and exciting development in the common law widely employed and of considerable practical utility The concept has been noticed by academics mostly to be criticised as anomaly misnomer and an objectionable policy choice and commentary on the concept has been limited to recitation and critique of a few principal cases Yet this book examines numerous judicial decisions which apply or discuss contractual estoppel and offers a full and systematic exploration of its origin principled basis practical applications and limits In this new title the author Alexander Trukhtanov responds to policy objections and seeks to answer the charge that contractual estoppel is a misnomer anomaly or distortion of reliance based categories of estoppel by showing that contractual estoppel is its own category of legal estoppel The book is a single point of reference for a systematic and organised exposition of the subject and

an explanation of how it fits into existing law It is practice oriented but engages with important conceptual points Contractual Estoppel will be of interest to practitioners whether draftsmen litigators or advocates as well as academics and post graduate students of contract law
