how particularly in the last hundred years the chair has become a revered object of design Certain chairs have become iconic like the Eames Lounge chair and Verner Panton's S Chair which are photographed exhibited in art museums and slavishly copied by cheaper models Other chairs have reached iconic status simply through their everydayness think of Van Gogh's chair or the way Shaker chairs have become emblematic of a simpler and purer lifestyle Massey further examines how chairs have been crafted from local to global manufacture In doing so she elucidates the meaning of the chair in contemporary culture as well as the development design and manufacture of this ubiquitous object Drawing on design art popular culture and personal experience Chair is an engaging and informative biography of this everyday object and will appeal to anyone interested in why we choose to sit on the chairs we do **26th Edition DEBBIES BOOK(R) eBook** Debbie
