The Modern Italian Novel Domenico Vittorini, 1930 *The Modern Italian Novel* Sergio Pacifici, 1973 **Modern Italian Literature** Ann Caesar, Michael Caesar, 2007-09-11 Covers 1690 to the present *Gender, Narrative, and Dissonance in the Modern Italian Novel* Silvia Valisa, 2014-11-05 Combining close textual readings with a broad theoretical perspective *Gender Narrative and Dissonance in the Modern Italian Novel* is a study of the ways in which gender shapes the principal characters and narratives of seven important Italian novels of the nineteenth and twentieth centuries from Alessandro Manzoni's *I promessi sposi* 1827 to Elsa Morante's *Aracoeli* 1982 Silvia Valisa's innovative approach focuses on the tensions between the characters and the gender ideologies that surround them and the ways in which this dissonance exposes the ideological and epistemological structures of the modern novel A provocative account of the intersection between gender narrative and epistemology that draws on the work of Georg Lukács Barbara Spackman and Teresa de Lauretis this volume offers an intriguing new approach to investigating the nature of fiction **The Modern Italian Novel from Manzoni to Svevo** Sergio Pacifici, 1967 *From Verismo to Experimentalism* Sergio Pacifici, 1970 *The Modern Italian Novel* Sergio Pacifici, 1973 *The modern Italian novel from Pea to Moravia* Sergio Pacifici, 1979 **The Cambridge Companion to the Italian Novel** Peter Bondanella, Andrea Ciccarelli, 2003-07-31 The Cambridge Companion to the Italian Novel provides a broad ranging introduction to the major trends in the development of the Italian novel from its early modern origin to the contemporary era Contributions cover a wide range of topics including the theory of the novel in Italy the historical novel realism modernism postmodernism neorealism and film and the novel The contributors are distinguished scholars from the United Kingdom the United States Italy and Australia Novelists examined include some of the most influential and important of the twentieth century inside and outside Italy Luigi Pirandello Primo Levi Umberto Eco and Italo Calvino This is a unique examination of the Italian Novel and will prove invaluable to students and specialists alike Readers will gain a keen sense of the vitality of the Italian novel throughout its history and a clear picture of the debates and criticism that have surrounded its development **The Quality of Light** Ann Caesar, 1993 A collection of short stories by Italian writers The subjects range from a whale hunt to life among the homeless to the art of making a martini The collection represents 22 writers born between 1919 and 1959 **The search and reformation of language in the modern Italian novel** Maria C. Salvatori, 1900 **A Multitude of Women** Stefania Lucamante, 2008-09-15 A Multitude of Women looks at the ways in which both Italian literary tradition and external influences have assisted Italian women writers in rethinking the theoretical and aesthetic ties between author text and readership in the construction of the novel Stefania Lucamante discusses the valuable contributions that Italian women writers have made to the contemporary novel and illustrates the relevance of the novelistic examples set by their predecessors She addresses various discursive communities reading works by Di Lascia Ferrante Vinci and others with reference to intertextuality and the theories of Elsa Morante and Simone de

Beauvoir This study identifies a positive deviation from literary and ideological orthodoxy a deviation that helps give meaning to the Italian novel and to transform the traditional notion of the canon in Italian literature Lucamante argues that this is partly due to the merits of women writers and their ability to eschew obsolete patterns in narrative while favouring forms that are more attuned to the ever changing needs of society She shows that contemporary novels by women authors mirror a shift from previous trends in which the need for female emancipation interfered with the actual literary and aesthetic significance of the novel A Multitude of Women offers a new epistemology of the novel and will appeal to those interested in women s writing readership Italian studies and literary studies in general **Italian Tales** Massimo Riva,2007-06-07 A selection of contemporary Italian fiction in English for readers who wish to explore Italy s rich literary landscape *The Modern Italian Novel: From Manzoni to Svevo* Sergio Pacifici,1967 Authors included Alessandro Manzoni Ippolito Nievo Emilio De Marchi Federico De Roberto Matilde Serao Antonio Fogazzaro Italo Svevo **Contemporary World Fiction** Juris Dilevko,Keren Dali,Glenda Garbutt,2011-03-17 This much needed guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions In a globalized world knowledge about non North American societies and cultures is a must Contemporary World Fiction A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions
