Mr October:

Becoming Mr. October Reggie Jackson, Kevin Baker, 2013-10-08 A soul baring brutally candid and richly eventful memoir of the two years 1977 and 1978 when Reggie Jackson went from outcast to Yankee legend In the spring of 1977 Reggie Jackson should have been on top of the world The best player of the Oakland A s dynasty which won three straight World Series he was the first big money free agent wooed and flattered by George Steinbrenner into coming to the New York Yankees which hadn t won a World Series since 1962 But Reggie was about to learn as he writes in this vivid and surprising memoir that until his initial experience on the Yankees I didn t know what alone meant His manager the mercurial alcoholic and pugilistic Billy Martin never wanted him on the team and let Reggie and the rest of the team know it Most of his new teammates resentful of his contract were aloof at best and hostile at worst Brash and outspoken but unused to the ferocity of New York s tabloid culture Reggie hadn t realized how rumor and offhand remarks can turn into screaming negative headlines especially for a black athlete with a multimillion dollar contract Sickened by Martin s anti Semitism his rages and his quite public disparagement of his new star ostracized by his teammates and despairing of how he was stereotyped in the press Reggie had long talks with his father about quitting Things hit bottom when Martin plotted to humiliate him during a nationally televised game against the Red Sox It seemed as if a glorious career had been derailed But then Reggie vowed to persevere his pride work ethic and talent would overcome Martin s nearly sociopathic hatred Gradually he would win over the fans then his teammates as the Yankees surged to the pennant And one magical autumn evening he became Mr October in a World Series performance for the ages He thought his travails were over until the next season when the insanity began again **Becoming Mr October** is a revelatory self portrait of a baseball icon at the height of his public fame and private anguish Filled with revealing anecdotes about the notorious Bronx Zoo Yankees of the late 1970s and bluntly honest portrayals of his teammates and competitors this is eye opening baseball history as can be told only by the man who lived it *Mr. October* Maury Allen, 1982 An account of the career of the great and controversial baseball star is combined with Jackson s outspoken views on politics race life sports money women and fame **The Great and Dangerous** Chris Westwood, 2012-03-01 We have a list too and your name is on it Ben Harvester and Becky Sanborne are clocking off after a normal shift at the Ministry of Pandemonium guiding the souls of the newly dead to the afterlife But the enemy are still smarting after their catastrophic defeat at Halloween and are keen for revenge A freak tornado that destroys Becky s house is only the start When thirteen souls are stolen following a bomb explosion on Bad Saturday the Ministry staff know that it heralds an all out war with the Lords of Sundown But little does Ben suspect how far their influence spreads Who is the mysterious whisperer at his school And why does Ben feel so uneasy about his mother s new boyfriend The brilliant follow up to the highly acclaimed Ministry of Pandemonium by Chris Westwood takes readers on a thrilling journey through the streets of London and to the gates of Abhorra Fantastically gripping until the very last page **Fur-seal Arbitration** United States, 1892 **Fur Seal**
