Oord,2020-07-16 If God can't prevent evil what can God do In his best selling book *God Can't How to Believe in God and Love After Tragedy Abuse and Other Evils* Thomas Jay Oord solves the problem of suffering Oord offers five aspects of a real answer to why a loving God doesn't prevent pointless pain The most helpful God can't stop evil singlehandedly In this follow up Oord answers questions God Can't readers asked about his ground breaking proposals The answers are in this book and they solve age old conundrums Questions and Answers for God Can't addresses questions such as If God can't control creation why pray If God's love is uncontrolling how do we explain miracles What does an uncontrolling God actually do What does it mean to say God loves everyone and everything How does Jesus fit into a theology of uncontrolling love If a loving God created the universe why is evil even possible What hope do we have if God's love is noncontrolling How do you know God can't prevent evil In a conversational style Oord offers chapter length answers The result is a compelling view of God Questions and Answers for God Can't answers questions clear eyed thinkers ask This book deepens our trust in a God of uncontrolling love Thinking people need this book Topics of interest prayer divine action hope miracles Genesis the meaning of love eschatology suffering Jesus the problem of evil the virgin birth science and religion John Wesley providence biblical inspiration the afterlife Coronavirus worship creation from nothing doubt progress resurrection science **Minjung and**

**Process** Hiheon Kim,2009 This book reconstructs the legacy of Korean minjung theology by reformulating its essential ideas in a dialogue with process thought In a minimal sense this study is a theological reinterpretation of the doctrine of the minjung messiah an idea which historically suffered from a misunderstanding that minjung theology created a messianic confusion while replacing christology and soteriology by a radical anthropology This erroneous conception occurred when the idea was placed within the philosophically dualistic framework of traditional doctrines in which the work of minjung is totally separated from the work of Christ In order to avoid such a dualistic understanding the author critically adopts process panentheism and makes minjung ideas more communicable and more comprehensive in current theological religious and philosophical debates Beyond defending the idea of the minjung messiah he also argues for an inclusive minjung hermeneutics that promotes the fundamental insight of minjung theology in philosophical clarity Through minjung hermeneutics minjung theology expands its practical concern and overcomes the theoretical nihilism in postmodern studies

God, Purpose, and Reality John Christopher Bishop,Kenneth J. Perszyk,2023 John Bishop and Ken Perszyk argue that it is reasonable to reject the standard conception of a personal omniGod They present an alternative view euteleology reality is inherently purposive and the universe exists ultimately because its overall end which is the supreme good is made concretely real within it **Religions in the Making** John B. Cobb,2012-11-06 Whitehead had a place for God in his comprehensive cosmological vision and his theism has long attracted interest from some Christian theologians But Whitehead's ideas have much wider use Some Buddhists have found help in articulating their nontheistic vision and relating it to the current world of thought and action In this book religious writers in seven different traditions articulate how they can benefit from Whitehead

s work So this volume demonstrates that various features of his thought can contribute to many communities According to his followers Whitehead shows that the deepest convictions and commitments of the major religious communities can be complementary rather than in conflict Readers of this book will see how that plays out in some detail A Whiteheadian Hindu can recognize the truth in a Whiteheadian Judaism and both can appreciate the insights of Chinese Whiteheadians committed to their classical thinking Perhaps a new day in interreligious understanding has come

**You Never Step into the Same Pulpit Twice** Ronald J. Allen, 2022-06-23 This volume develops an approach to preaching that brings together two important forces One is process theology and the other is a homiletic of conversation based on mutual critical correlation In this approach the preacher does not unilaterally announce the Word of God but is the leader of an exciting conversation involving the biblical text process theology the congregation and voices from the larger world The preacher seeks to help the congregation identify God's invitations towards inclusive well being and to imagine how to respond in ways that are consistent with those invitations that promote inclusive well being The book begins with a crisp and clear summary of the worldview of process theology highlighting its distinctive views on how God operates in the world through invitation and on the interrelationship of all things The work then outlines an approach to biblical exegesis informed by process perspectives and sketches a method for bringing the biblical voice into dialogue with voices from tradition contemporary theology and the congregation and preacher The volume suggests shaping the sermon to honor process theology and conversation The volume concludes by noticing how perspectives from process and conversation help the preacher embody the sermon in engaging ways

**God of Becoming and Relationship** Rabbi Bradley Shavit Artson, DHL, 2013-10-10 You no longer have to choose between what you know and what you believe an accessible introduction to a theological game changer I wrote this book for you if you want to be able to locate your life in a single encompassing story one that includes everything from the first moment the universe began until yesterday a narrative that embraces deepest personal meaning a yearning to love and be loved a quest for social justice and compassion from the Introduction Much of what you were told you should believe when you were younger forces you to choose between your spirit and your intellect between science and religion between morality and dogma unchanging laws of nature vs miracles that sound magical a good God vs the tragedies that strike all living creatures a God who knows the future absolutely vs an open future that you help to shape through your choices This fascinating introduction to Process Theology from a Jewish perspective shows that these are false choices Inspiring speaker spiritual leader and philosopher Rabbi Bradley Shavit Artson presents an overview of what Process Theology is and what it can mean for your spiritual life He explains how Process Theology can break you free from the strictures of ancient Greek and medieval European philosophy allowing you to see all creation not as this or that us or them but as related patterns of energy through which we connect to everything Armed with Process insights and tools you can break free from outdated religious dichotomies and affirm that your religiosity your spirit your mind and your ethics all strengthen and refine each

other     *How to Read the Bible Without Losing Your Mind* Kent Blevins, 2014-03-10 Does reading the Bible sometimes leave you confused Do you have difficulty seeing the relevance of the Bible to modern concerns or to important issues in your life Do you believe Bible reading and intellectual inquiry are mutually exclusive This book explores how the Bible can serve as a resource for discovering truth It provides a method that accepts and incorporates the knowledge gained from modern scholarship while also recognizing that truth discovery is a personal multifaceted journey It honors the integrity of Scripture while remaining open to insight from additional truth sources In exploring what we mean when we speak of the Bible s authority it is honest about the challenges presented to modern readers by the cultural chasm separating the biblical writers from today s world *How to Read the Bible Without Losing Your Mind* shows how the Bible can be read with full engagement of both mind and heart     *After Whitehead* Michel Weber, 2013-05-02 When Rescher s *Process Metaphysics* 1996 was published it was widely acclaimed as a major step towards the academic recognition of a mode of thought that has otherwise been confined within sharp scholarly boundaries Of course it is not an easy book despite its stylistic clarity it remains the complex outcome of a life s work in most areas of philosophy The goal of the present volume is to systematically unfold the vices and virtues of Process Metaphysics and thereby to specify the contemporary state of affairs in process thought To do so the editor has gathered one focused contribution per chapter each paper addressing specifically and explicitly its assigned chapter and seeking to promote a dialogue with Rescher In addition the volume features Rescher s replies to the papers

**ProcessMind** Arnold Mindell, 2012-12-19 Einstein said I want to know the mind of God the rest are details This book is therapist Arnold Mindell s response By processmind he means an earth based experience of the universal state of consciousness that he argues pervades all reality It is perhaps our most basic least known and greatest power combining the nonlocality of modern physics with altered states of consciousness found in peak experiences What makes this book unique is that it offers some experience of this mind state to the reader Mindell does so by connecting cosmic patterns seen in physics with experiences occurring in psychology and world spiritual traditions He draws together ideas about Aboriginal totem spirits quantum entanglement and nonlocality to describe the structure of God experiences Enhancing his clear presentation are around 80 illustrations and 30 experiential exercises based on tested approaches that actualize our deepest unitive consciousness Through rational thinking and earth based inner experience the reader can sense how the processmind s self organizing intelligence helps with dreams body symptoms relationships and large group conflict issues Altogether the book is a kind of user s guide to tapping into an immense power that can benefit our own individual life and ultimately the world

**God, Time, and the Incarnation** Richard A. Holland Jr., 2012-02-20 The dominant view among Christian theologians and philosophers is that God is timeless that he exists outside of time in an atemporal eternity In *God Time and the Incarnation* Richard Holland offers a critical evaluation of this traditional view in light of the most central doctrine of Christianity the Incarnation of Christ Holland reviews the history of this controversy highlighting the various theological

problems for which atemporal models have been offered as a solution He asserts the central importance of the Incarnation for Christian theology and evaluates several atemporal models in light of this doctrine Finally he suggests that the traditional atemporal view is not compatible with a robust and orthodox view of the Incarnation This book rejects the traditional atemporal view of God s relationship to time and argues based on the Incarnation that God experiences temporal sequence in his existence     **The Lord is the Spirit** Andrew K Gabriel,2012-05-31 The Lord is the Spirit 2 Cor 3 17 and yet one might be excused for thinking otherwise when reading studies on God s attributes omnipotence omniscience omnipresence immutability impassibility and the like Although Christians throughout the ages have defended the deity of the Holy Spirit theologians have not adequately taken the doctrine of the Holy Spirit into account when formulating a theology of the divine attributes The resulting understandings of God fall short of being fully Trinitarian Gabriel builds on contemporary Trinitarian theology by advocating for the integration of insights from pneumatology into the doctrine of God s attributes Three case studies are presented impassibility immutability and omnipotence Gabriel writes from an evangelical and Pentecostal vantage point as he engages in ecumenical dialogue with a wide spectrum of historical and contemporary theological voices

The Bloomsbury Encyclopedia of Philosophers in America John R. Shook,2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to Philosophers in America includes 30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to understanding leading figures in American thought and the development of American intellectual history     **The Doctrine of God** Veli-Matti Kärkkäinen,2017-05-16 In recent years the doctrine of God has once again become a central focus of theological discussion and debate In this ecumenical international and contextual introduction internationally respected scholar Veli Matti Kärkkäinen offers a global survey of understandings of God in Scripture Christian history and contemporary theology This new edition incorporates developments in theological research over the past decade and has been substantially updated throughout

*Truths about Evil, Sin, and the Demonic* Byron Belitsos,2023-04-18 The Problem of Evil and the Predicament of Theodicy As Christians or theists we are moved to share the truth of God s love for humankind But how can we speak of such providential care in a world rife with crime war racism

genocide and even ecocide In response to this predicament a theodicy proposes a rational defense of God's goodness that offers consolation to victims and hope to all believers Truths about Evil Sin and the Demonic provides a sweeping history of the discipline of theodicy that focuses on its strategic turning points and its possible future Belitsos argues that because of the atrocities of the last century and the threat of horrendous evils in the coming century we need to marshal the most explanatory elements of all previous theodicies and then drive toward an integrative model based on a creative synthesis The author also turns to a modern revelatory source that supports his argument for such a meta theodicy He concludes by critically engaging with this source and the entire tradition in his call for an apophatically informed integral theodicy

Pentecostal Theology and Jonathan Edwards Amos Yong, Steven M. Studebaker, 2019-11-14 This volume brings America's theologian and one of the fastest growing forms of Christianity into dialogue Edwards is a fruitful source for Pentecostal investigation for historical and theological reasons Edwards and Pentecostals descend from a common historical tradition North American Evangelicalism From revivalism and religious charismatic experience to pneumatology they also share common theological interests Though sharing a common history and core theological concerns no critical conversation between Pentecostals and Edwards and their fields of scholarship has occurred This is the first volume that provides Pentecostal readings of Edwards theology that contribute to Pentecostal theology and Edwards scholarship The contributing essays offer examination of affections and the Spirit God and Salvation Church and culture and mission and witness The Christian Skeptic Jody Seymour, Gail Spach, 2015-02-06 The Christian Skeptic was written for those who are not sure if they can still call themselves Christian because they are no longer able to drink the Kool Aid of orthodoxy It is also for seekers who find the person of Jesus intriguing or compelling but who struggle with all the doctrines that surround his story Inspired by Leslie Weatherhead's now out of print book The Christian Agnostic Jody Seymour takes a fresh look at some of the basic tenets of the Christian Faith He offers new insight into concepts such as the nature of God the person and work of Jesus how to read the Bible the role of the church and the question of whether or not Jesus really said my way or the highway This book will give you an opportunity to explore the faith with the windows open to some fresh air and you may discover that being caught between belief and doubt is a good place to be *Preaching and the Other* Ronald J. Allen, 2008-11-01 Preaching and the Other introduces the reader to six major themes characteristic of the postmodern era that are important for preaching and explains their implications Themes discussed include perception as interpretation deconstruction otherness transgression pluralism and the importance of apologetics
