## Proclaim My Word:

Oahspe John Ballou Newbrough, 1882      *Life and Works* Joanna Southcott, 1804      *The Divine Oracle* Samuel Serban, 2025-02-10

*The Divine Oracle* by Samuel Serban is a profound exploration of spiritual growth, personal development, and the manifestation of the supernatural. It offers a blend of wisdom, faith, and divine revelations serving as a guide for living a life filled with love, success, and fulfillment. The author draws from 27 years of revelations and promises from God to inspire readers on their journey to discovering their full potential. At the heart of the book are key themes such as personal transformation, spiritual wisdom, and divine strategies for navigating life's challenges. Serban encourages readers to embrace the supernatural power of faith, love, and divine connection, which can lead to unlimited success and a deeper understanding of life's purpose. The book emphasizes that faith, wisdom, and love are the cornerstones of true success and fulfillment. By aligning with divine principles and trusting in God's promises, readers are shown how to overcome limitations and experience a life of victory. The text is rich with spiritual insights and strategies for enhancing personal growth, fostering resilience, and embracing the supernatural guidance available to those who seek it. Through prophetic messages and divine promises, the book addresses themes of healing, empowerment, and living a purpose-driven life. It reveals how spiritual work can unlock hidden potential and bring about radical transformation in both personal and professional aspects. The author shares that living in alignment with God's will opens doors to infinite possibilities and blessings. Each chapter serves as a step toward discovering inner radiance and divine beauty with practical wisdom for cultivating clarity, love, and wisdom. Readers are inspired to see life through the lens of the divine, embracing strategies for success that transcend the physical realm and tap into higher consciousness. With a focus on spiritual mastery, unlimited power, and personal ascension, *The Divine Oracle* is a celebration of the human spirit and its connection to the divine. It calls readers to rise above earthly limitations, trust in their divine identity, and embrace their unique destiny with faith and courage.

**Oahspe: A New Bible** John Ballou Newbrough, 2023-12-26

In *Oahspe: A New Bible*, John Ballou Newbrough presents a unique theological text that blends spiritual revelations with philosophical and cosmic narratives, challenging conventional notions of morality and divinity. Written in a distinctive style that oscillates between poetic and prophetic language, Newbrough's work underpins a vision of a unified spiritual existence transcending the boundaries of organized religion. Drawing on esoteric traditions and the emerging spiritualism of the late 19th century, Oahspe also incorporates detailed mythologies and cosmologies, reshaping the reader's understanding of humanity's place in the universe. John Ballou Newbrough, a 19th-century American visionary and spiritualist, wrote this text amidst a growing interest in alternative religious movements and metaphysical thought. His own spiritual experiences, often described as direct communications with higher beings, profoundly influenced his writings. Newbrough's multifaceted background as a healer, inventor, and author reflects a quest for understanding that transcended conventional religious doctrines, motivating him to create a new scripture intended to promote unity, enlightenment, and personal

responsibility I highly recommend Oahspe A New Bible to readers who seek an unconventional spiritual text that invites contemplation and exploration of unseen realms and human potential Newbrough offers a profound and original perspective that encourages questioning and redefining spirituality for modern society     **The Scriptures of the Holy Trinity. *Materialien Zur Kunde Des Älteren Englischen Dramas* ,1905     **Life's Journey** Marlenne Schilperoord,2019-12-03 Often we hear people say that all religions should be forbidden because they only bring misery These reactions are understandable when we see or hear the daily news But where does all this misery come from Is it because former religious leaders pursued self interest too much instead of the Christian faith from the source Or is it our indifferent attitude that offers negative forces a free path To find the answer we must go back to our source of life to the reason for our earthly existence It teaches us that what we call religion is the development of a spiritual consciousness to elevate the human soul the very self And that the words of our Creator do not stop on the last page of the bible He has sent us His New Revelations to encourage us and to find our way home again to the House of our Eternal Loving Father Whoever reads the book may realize how important it is to ask yourself life questions How you can give substance to your earthly existence That this book may help you on your way to find your purpose in your life s journey     **The God of War** Theresa Ann Reyna,2020-04-13 Our God is a God of War In these tumultuous times God is going to show Himself strong to a generation that desperately needs to know that Jesus is alive and well Millions are bound with chains of addiction sicknesses and the lies of the enemy even in the Church This generation has looked for answers outside of the Word of God and they are confused depressed hopeless and desperately looking for a breakthrough in their lives This book will show you how to stand victorious in the fiery trials of life and will encourage you to stand firm in every demonic attack against your life The Biblical principles on these pages will show you how to break through the barriers that have kept you from the abundant life that Jesus has promised you On September 29 2019 at
