Singing and Suffering with the Servant David M. Stark, 2022-10-10 The Old Testament is transformed from problem to ally when preachers attend to power at work in ancient and modern contexts by mirroring Second Isaiah's proclamation listening to contemporary servant Israel and learning from African American preaching in context of domination This book analyses the impact of domination on Old Testament proclamation and thus leads to several unique contributions Firstly it reads Second Isaiah as a homiletic model for proclaiming older pre-exilic texts in response to exilic domination Secondly it treats the Old Testament as a rich resource for confronting racism and anti-Semitism through teaching and it introduces contemporary Christian Jewish dialogue in Germany as a model for the Church Lastly it highlights preaching traditions within the African American Church as instructive for formulating an effective Old Testament preaching strategy *Manual on Preaching* Milton Crum, 1988

The Incomparable God Brent A. Strawn, 2023-05-30 My Lord There is no one like you among the gods Attempting to describe the nature of God often prompts the exclamation of the psalmist that God is unlike anyone or anything else And yet the claim is not simply the overflow of an adoring heart God's incomparability is a truth lodged deep within Christian Scripture In *The Incomparable God* Old Testament scholar Brent Strawn offers thoughtful insight into this theological mystery This volume collects eighteen of Strawn's most provocative essays on the nature of God several of which are published for the first time here Strawn covers the following topics the complex portrayal of God in Genesis God's mercy in Exodus poetic description of God in the Psalms the Trinity in both testaments pedagogy of the Old Testament integration of faith and scholarship Encompassing close readings of Scripture biblical theological argument and

considerations of praxis The Incomparable God is essential reading for Old Testament scholars and students **Preaching Christ from Ecclesiastes** Sidney Greidanus, 2010-05-03 As Sidney Greidanus points out the biblical book of Ecclesiastes is especially relevant for our contemporary culture because it confronts such secular enticements as materialism hedonism cut throat competition and self sufficiency But how can preachers best convey the ancient Teacher s message to congregations today A respected expert in both hermeneutics and homiletics Greidanus does preachers a great service here by providing the foundations for a series of expository sermons on Ecclesiastes He walks students and preachers through the steps from text to sermon for all of the book s fifteen major literary units explores various ways to move from Ecclesiastes to Jesus Christ in the New Testament and offers insightful expositions that help the preacher in sermon production but omit the theoretical and often impractical discussions in many commentaries Studies in Lutheran Hermeneutics John Reumann, Harold H.
