Theology of the New Testament Peter Stuhlmacher, 2018-08-16 First English edition of an iconic work of German scholarship Since its original publication in German Peter Stuhlmacher's two volume *Biblische Theologie des Neuen Testaments* has influenced an entire generation of biblical scholars and theologians Now Daniel Bailey's expert translation makes this important work of New Testament theology available in English for the first time Following an extended discussion of the task of writing a New Testament theology Stuhlmacher explores the development of the Christian message across the pages of the Gospels the writings of Paul and the other canonical books of the New Testament The second part of the book examines the biblical canon and its historical significance A concluding essay by Bailey applies Stuhlmacher's approach to specific texts in Romans and 4 Maccabees **Repent and Turn to God** Babu Immanuel, 2008-05-01 For many years there has been ongoing work here on the book of Acts looking into the narrative in its Greco Roman and Jewish settings and we greatly appreciate your contribution to this research It leads the reader to a better understanding of the mindset of the period while focusing on issues that are still fundamental for the Christian church today Dr Elizabeth Magba Librarian Tyndale House Cambridge UK The significance of conversion to the Acts of the Apostles is indisputable so it is surprising that this motif historically has attracted so little scholarly attention We can therefore celebrate all the more Babu Immanuel's joining the small but growing ranks of those who of late have turned their critical attention to this important literary and theological theme in Acts Adopting a narrative critical approach Immanuel urges that working in tandem miraculous activity and missionary proclamation are effective means for effecting conversion of Jew and Gentile alike The result is a welcome emphasis on the role of Luke not only as theologian or historian but also and centrally as mission strategist Joel B Green Professor of New Testament Interpretation Fuller Theological Seminary **Official Gazette of the Government of Palestine ...** Palestine, 1921 *New Testament Theology* Eckhard J. Schnabel, 2023-11-21 Southwestern Journal of Theology 2023 Book Award Honorable Mention Theological Studies New Testament Theology is a major new contribution to New Testament scholarship by renowned scholar Eckhard Schnabel While many New Testament theologies approach the material through a particular thematic construct e.g. covenant Schnabel takes a different approach First he focuses on Jesus Messiah and his significance for the early church Second he seeks to describe the theology of the New Testament as it was written

and read in its historical context This approach honors the fact that the authors and original readers of the New Testament were real people dealing with real issues in their specific ecclesiological cultural and missiological settings Schnabel comprehensively combines a historical description of the New Testament s theology with a systematic reflection on the New Testament s message and the convictions of Jesus and his early followers This valuable contribution to the field will be insightful reading for students scholars and pastors **God, Revelation and Authority (Set of 6)** Carl F. H.

Henry,1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done **The Global Politics of Interreligious Dialogue** Michael Daniel Driessen,2023 In The Global Politics of Interreligious Dialogue Michael D Driessen examines the growth of state sponsored interreligious dialogue initiatives in the Middle East and their use as a policy instrument for engaging with religious communities and ideas Using a novel theoretical framework and drawing on five years of ethnographic fieldwork Driessen explores both the history of interreligious dialogue and the evolution of theological approaches to religious pluralism in the traditions of Catholicism and Sunni Islam Compelling and nuanced this book illustrates how religion operates in contemporary global politics offering important lessons about the development of alternative models of democracy citizenship and modernity The Descent of Christ Hall Harris,2018-12-10 This volume examines early Jewish and Christian imagery to demonstrate that the most probable interpretation of Christ s descent in Ephesians 4 9 10 refers to the descent of the Spirit at Pentecost subsequent to the ascent mentioned in Ephesians 4 8 The central portion of the book deals with the ascent descent imagery associating Ps 68 19 with Moses as found in Targum Psalms the rabbinic literature and other early sources The section dealing with rabbinic interpretations of Ps 68 19 is of particular importance demonstrating an approach for dating elements found in the later rabbinic tradition The theological innovation of the author of Ephesians in identifying the ascended Christ as the Spirit who descended at Pentecost is highlighted as the best explanation of this difficult passage

Commerce Today ,1974 *A Declaration of Christian Truth* Randy Gingrich,2022-11-21 Truth Repentance Glory RevivalThis book takes the reader on an adventure of intriguing theological thought as it explores over fifty topics relevant to the Christian life The author s teaching is to the point yet comprehensive enough to answer a range of questions as it articulates the truth of God s Word The value of understanding the Bible blossoms in the beauty of God s glory as the wisdom of the Lord applies his truth to our everyday life A much needed systematic theology is established as doctrine is taught with originality in the power of the Holy Spirit with dynamic revelation It builds solid truth in a structural style and should resonate with any believer as prophetic personal and inspirational Theologically it is equivalent to a four year Bible College Biblical truth is taught to equip the Christian and minister with significant knowledge and wisdom on over fifty topics Many false beliefs and misconceptions are dealt with while God s Word is taught in clarity The book shares breakthrough insight on many subjects of the Bible that are hard to understand Also there is significant teaching on the born again experience the

constitution of the Christian or who we are in Christ the baptism with the Holy Spirit authentic worship and much more This is a textbook for the Christian life Many will see it as a great source of sermons curriculum and position papers The titles of the forty four chapters should strike the interest of any God fearing truth loving Christian You will not be disappointed as the Holy Spirit articulates God s will sorts out ideas clears away confusion and builds solid beliefs and practice You will see a consistency of relationship The Bible is a unified masterpiece of truth it s all related Most chapters start fresh with new topics and developing themes There are studious sections that dig deep for the purpose of benefiting everyone with greater appreciation and knowledge of God s Word while attempting to satisfy the Bible College graduate There is much teaching today that has obscured the true meaning and application of Scripture placed a veil over the heart of believers and deprived Christians of its complete relevant impact upon them Therefore it was necessary to write a book which establishes a systematic theology based upon the full counsel of God Acts 20 27 without imposing agendas nor being controlled by any religious group

The New Testament in Color Esau McCaulley, Janette H. Ok, Osvaldo Padilla, Amy L. B. Peeler, 2024-08-06 In this one volume commentary a multiethnic team of scholars holding orthodox Christian beliefs brings exegetical expertise coupled with a unique interpretive lens to illuminate the ways social location and biblical interpretation work together These diverse scholars offer a better vantage point for both the academy and the church

One Lord, One People: The Unity of the Church in Acts in Its Literary Setting Alan Thompson, 2008-12-01 This book examines the Lukan themes of unity and disunity against ancient Greco Roman and Jewish social and political discourses on concord and discord to better understand the context in which Luke highlights the themes of unity and disunity The themes of unity and disunity are particularly prominent in ancient discussions of the reigns of rulers evaluations of laws constitutions forms of government and descriptions of the contrasting effects of unity and disunity in the destruction and preservation of peoples and cities These themes are grouped under the broad categories of kingship and law and the preservation and destruction of cities The book contends that in the context of its literary setting the theme of the unity of the church under one Lord in Acts contributes to Lukan Christological claims that Christ is the true king and Lukan ecclesiological claims that the Christian community is the true people of God
