Prodigals Return:

The Prodigal Returns , THE RETURN OF THE PRODIGAL Dr. Ope Banwo,2023-06-04 The personal testimony of a 21st Century Prodigal His days in the far country his Redemption Restoration and the Problems he encountered from the older brothers in the house One fateful Wednesday morning the story hit me with such a powerful force that I was speechless for some moments I had read the story of the prodigal son in the Bible many times before but the story never ministered to me the way it did on this Wednesday morning All of a sudden it was as if a switch had been turned on in my head and the story took a whole new line of meaning in my life The Holy Spirit began to show me that this is the story of my life The grace extended to the prodigal son in the story is the same type of grace I have received from God and this is the message that the Holy Spirit wants me to testify to that is the unlimited grace of our Lord Jesus Christ to the lost the wayward the incorrigible and the damned The Lord stands ready to show His divine favor and grace on all who would dare to return from the wilderness He dares us to return to Him and see whether He really is just and faithful to forgive us all our iniquities as He promised through His prophets

Hope for the Prodigal Jim Putman, Bill Putman, 2017-08-01 The statistics are sobering between 80 and 90 percent of kids who have grown up in the church are leaving the church after age eighteen Children slipping away into a culture that tells them the Bible isn't true sin is no big deal God isn't real or there are many ways to get into heaven Whether parents may blame themselves or the culture the result is the same lost souls But our God specializes in lost souls and the gospel is as powerful as it ever was With wisdom that comes from personal experience Jim Putman and his father Bill Putman offer brokenhearted parents and loved ones hope for their prodigals A prodigal son himself Jim has also found himself in the role of the prodigal's father when his own son rejected the faith This family's powerful story of restoration along with solid biblical truths and practical advice will inspire motivate and equip readers to go after their lost sheep with acts of love and service

Creating a Prodigal-Friendly Church Jeff Lucas, 2009-05-26 Most of us have prodigals in our lives whether a child brother sister husband wife or friend The ache for these dear ones is like no other They may hurt us and disappoint us but somehow we cannot stop loving them And yet we cannot live their lives for them The Prodigal Friendly Church looks at why people leave the church how we can retain them how we can reach those who have already gone and how we can help those who return feel like they belong Jeff Lucas offers no easy recipes for success but plenty of truth-telling hope and encouragement This book discusses the principles of Reach How do we reach those who've already left the church Return How do we help people return to the church Retain How do we retain the people we've worked so hard to reach Ultimately we are called to bring our prodigals to the cross of Christ for there we find the

mingling of our own utter helplessness and God's total power to intervene and save. When the Father's house is filled with the Father's love, there is hope that the prodigals will come home. Reaching Your Prodigal Phil Waldrep, 2016-02-23

When someone you care about makes poor choices in their lifestyles, relationships, or moral decision making, there is a way to love them back to the wholesome life that will bless them beyond imagination. *Prodigals* Greg Ross Taylor, 2023-05-02

The most famous story of Jesus retold. *Prodigals* digs deeply into each line from Jesus's famous parable about the prodigal son, inviting all readers, those down on their luck or high on their horse, to identify as prodigals. A prodigal is anyone who accepts they have a sinful human nature and turns toward the love of home, the place where we find a deeper relationship with God. Rather than divide the world into prodigals and nonprodigals, Taylor invites readers to find themselves in the teaching of Jesus as either younger or elder siblings. The life-changing power of the book comes when readers begin to identify with the characters in the story and join in the prayers and calls for transformation that conclude the chapters. Proceeds from the book benefit 1256movement.org. The author has lived and traveled internationally and relates the greatest parable Jesus ever told to his experiences across the United States and countries such as Israel, Uganda, the Netherlands, and Honduras. The author has set up an email account to receive prodigal stories from readers for possible inclusion in future editions of *Prodigals*. lettersprodigals.us *California's Prodigal Sons* Spencer C. Olin, 2023-11-15

California's Prodigal Sons. Hiram Johnson and the Progressives, 1911-1917, provides an in-depth examination of the transformative Progressive Era in California under the leadership of Governor Hiram W. Johnson. This study shifts the focus from ideological analysis to practical governance, chronicling Johnson's efforts to implement reform and establish efficient public services that prioritized the public good over special interests. With its chronological approach, the book explores key legislative accomplishments, addressing railroad control, corruption, labor conditions, and resource management. Drawing on newly available manuscripts, including the Hiram Johnson Papers, the book offers fresh insights into Johnson's administration and its lasting impact on state and national progressivism. In addition to highlighting Johnson's reforms, the book delves into the intense conflict between progressives and conservatives during this era, culminating in the pivotal 1916 Hughes campaign, which tested Johnson's political dominance. The narrative captures the dynamic interplay of politics, personality, and policy, revealing Johnson as a zealous leader whose identity was deeply intertwined with his reform agenda. Through detailed analysis and rich historical context, *California's Prodigal Sons* sheds light on the broader Progressive movement while offering a compelling portrait of a pivotal figure in California's history. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact.
